## ADVISOR TRAINING PROGRAM

Psi Upsilon International Fraternity is extremely excited to offer a full suite of online learning to our Advisors. As we know, you play such a crucial role in the development, support, and growth of our undergraduate members, and we want to ensure that you have access to updated and robust education, programs, and resources. Below, see a full listing, with descriptions, of the current programs you have access to; this list will continue to grow as we partner with subject matter experts. While some of the modules are unique for Advisors, and others are for you to see what the Chapter members are doing, each will provide you with a better understanding of the undergraduate experience and how-to best support it.

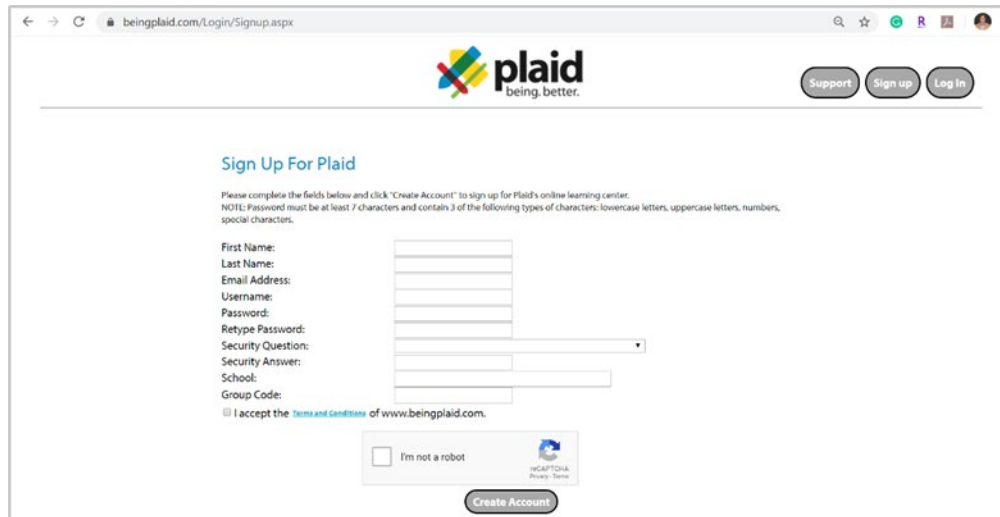

### Psi Upsilon Advisor Training Programs:

- **PsiU: Advisor Training-** Designed for individuals of all ages and experiences who advise interfraternal chapters, the Chapter Advisor Training program provides the education and training that chapter advisors need to be successful, confident, and prepared in their task of advising today's college students. This program provides strong foundational knowledge and language to use for the current student generation.
- **PsiU: Inclusive Practices-** Inclusive Practices is an online course that focuses on concepts of social justice, privilege, oppression and equality by: learning how to practice inclusion of others on your college campus and in your community; understanding how to participate in the Oppression Action Continuum as an ally; tips to engage in challenging conversations around social justice; the intent and the impact of communication within relationships.
- **PsiU: PhiredUp Digital Classroom for Advisors-** A comprehensive digital classroom to prepare Fraternity/Sorority Advisors in advising, coaching, and organizational growth principles. Content will cover: The modern fraternity / sorority experience; How to position yourself as a coach; The art of Social Excellence™ and how to connect with members; Your role in membership accountability; How to use storytelling to be a better advisor; How to grow fraternity/sorority chapters; How to help retain and engage members.
- **PsiU: Tightrope Refresher Course-** Tightrope offers an online risk management program that provides practical education for undergraduate students on the topics of alcohol and other drug use, hazing, and sexual misconduct. Designed as online modules, students navigate through the interactive courses to gain better knowledge and perspective about managing their risk to gain better knowledge and perspective about the hazards they may encounter during college and how to make smarter, safer decisions. This series provides the education, skills, and tools necessary for students to successfully navigate the tightrope between a risky situation and an enlightening college experience.

In the following pages, please find a **step by step guide** to access this robust online programming. Thank you for everything you do, we are a stronger brotherhood because of you.
