

Delta Omicron Provisional Chapter

Delta Omicron Provisional Chapter – Purdue University

Arms - Marshalled Per pale, in 1, Sable, two dexter hands hand-in-hand in fess between the Greek capital letters Psi and Upsilon, the former in chief, the latter in base, Or, in 2 Ciel an inverted valknut Sable fimbriated Or the base sinister-most triangle all Or.

The emblem of the valknut plainly indicates the resolve of the Delta Omicron to be courageous and brave; furthermore, the symbol also has ties to a forge (which represents their ties to the University as Boilermakers.) The chapter considers each of the "v-shapes" to represent a Nu, which has a Greek value of 50. The golden Nu represents the Purdue colony as the 50th chapter of Psi Upsilon and the combination of the 3 Nu's (1 Or, 2 Sable) represent the 150 years of Purdue.

Crest - on a wreath of Or and Ciel an owl argent

Motto - "We Create a Dream" as translated from the Greek; presented Ciel on a scroll Argent
