

178TH PSI UPSILON CONVENTION

178th Psi Upsilon Convention & Leadership Institute

Washington, DC • July 22-25, 2022

Psi Upsilon

Mission

United in friendship, Psi Upsilon members aspire to moral, intellectual and social excellence in themselves as they seek to inspire these values in society.

Values

Lifelong friendship

Psi Upsilon unites its members in a diverse brotherhood of firm and enduring friendship that will last a lifetime.

Moral leadership

Psi Upsilon's system of self-governance nurtures development of mature decision-making, individual responsibility and moral leadership.

Intellectual engagement

Psi Upsilon fosters individual and chapter support for the academic mission of the college and creates opportunities for co-curricular learning and personal development.

Responsible social conduct

Psi Upsilon's members are guided by principles of responsibility, civility and courtesy.

Service to society

Psi Upsilon encourages service to college, community, country and Fraternity.

GENERAL INFORMATION

**178th
Psi Upsilon
Convention
& Leadership Institute**

Washington, DC • July 22-25, 2022

WELCOME TO THE 178th PSI UPSILON CONVENTION!

This introduction is intended mainly for those of you who are attending a Psi Upsilon Convention for the first time. The approaching days can seem hectic and confusing if you are not adequately prepared. These few pages will give you an idea of what you should expect and what is expected of you. For those of you who have been to previous Conventions, it may be helpful to review this section as a refresher.

The Convention is the legislative body of the Fraternity. It sets the course for Psi Upsilon for the coming year. Every chapter has up to three delegates who can vote at the Convention sessions: two from every undergraduate chapter and one from every alumni association. Each full attendee (whether an accredited delegate or not) is assigned to one of five standing committees: ***Awards, Budget and Development, New Business, Nominations and Credentials*** or ***Unfinished Business***. If your name is not listed with any committee, please check with the Registration Desk for your assignment.

Each committee has an assigned list of topics to address, but a new topic may be introduced by anyone. The chairmen and vice-chairmen of the committees will lead the discussion, in which everyone is expected to participate. The committee will reach a decision and will prepare either a ***recommendation*** (which does not require a vote) or a ***resolution*** (which requires a vote) to present to the Convention as a whole. Resolutions which are ***legislative*** in nature are termed ***general resolutions*** and others are termed ***special resolutions***.

These resolutions or recommendations are presented by the chairmen, vice-chairmen or individual committee members at General Sessions of the Convention. If you wish to speak for or against a motion, you must be recognized by the chair; then give your ***name, chapter and class, and state your point***. General Sessions will be chaired by **Jeremy McKeon, Eta '08, president of the Executive Council and president of the 178th Convention**. Parliamentary procedure will be followed. A roll call of accredited delegates will be taken at the start of each general session and ***only*** accredited delegates may vote at these sessions. All other full registrants, however, are encouraged to attend and participate in discussion. Any new topics or general resolutions introduced at a General Session will be referred to a committee.

The materials you now hold contain all the information you will need to actively participate in the 178th Convention. An examination of its contents will give you an idea of where the Fraternity is today and what action this Convention needs to take. ***You should review all the materials as you will be expected to vote on resolutions coming out of the committees based on this information.***

It is suggested that you read over the schedule with some care; it will give you an idea of what to expect. Since every effort will be made to adhere strictly to this schedule, arrive ***on time*** for everything. Business attire will be required for all Convention sessions on Friday and Sunday. The roster of participants is included in this section and we encourage you to meet and network with the delegates from the other chapters. Your committee assignment can also be found in this section. ***Any last minute schedule changes will be announced.***

The material is divided into nine sections:

- I. **General Information** - In addition to this introduction, there is information on how to write a resolution, a directory of staff, a roster of participants, a listing of chapters and other information.
- II. **Standing Committees** - The topics that each committee will discuss are found at the beginning of this section, and the information that the committees need for their deliberations is found there as well.
- III. **Budget and Development** – This section includes unaudited financial statements for 2021-22, a budget for the 2022-23 year, an assessment schedule of expected taxes and fees for the year and an A/R record for chapters.
- IV. **Constitution and Policies** – A copy of the Psi Upsilon Constitution as of the previous convention as well as the policies of the fraternity.
- V. **177th Convention Records** - This contains all of the information, resolutions, and recommendations from the 2021 Convention in Madison, WI. Also included in this section are the Convention Rules, which will be reviewed at the Opening Session of the Convention on Friday.
- VI. **Executive Council Information** - The agenda for the summer meeting of the Executive Council, which takes place on Friday, heads this section. It is followed by minutes from all the previous Executive Council meetings for the past year. Included, here as well, is the Annual Communication of the Executive Council to the Convention.
- VII. **Chapter Reports** - These are year-end reports prepared by each chapter, as required by our Constitution.
- VIII. **Foundation** - Every accredited Convention delegate also serves as a member of The Psi Upsilon Foundation. This section will provide the necessary information for the Annual Members Meeting of The Psi Upsilon Foundation.
- IX. **Songs of Psi Upsilon Fraternity** - Throughout the Convention we will be singing the songs of Psi U. Let the Song Masters, Murray Eskenazi, Lambda '56 (Columbia) and Eldred Halsey, Delta '58 (NYU) know if you want to learn any particular song.

Despite all this information, you still may be left with questions. Where should you go with them? The Registration Desk will be open and staffed throughout the Convention. It will serve as the center of activity. You are urged to stop by any time.

REMEMBER, you represent your chapter. You have an obligation and responsibility to attend **EVERY** session of this Convention. You have an opportunity to help guide the Fraternity through the next year. Take advantage of that opportunity. The more you give to this Convention, the more you will gain from it. **Share. Learn. Enjoy.**

2022 Psi Upsilon Leadership Institute

The Leadership Institute Curriculum

The Lion in the Sky told me to do it!: Ethical Leadership (9 – 9:50)

Stephen Oeschle, Director of Chapter Services

As human beings we all enter every adventure with some moral or ethical compass helping to guide decision making. Have you thought about how your personal compass was assembled? Did someone give you the parts and the instructions to assemble it? Did you have to go out and find them on your own? Let's talk about how we make meaning out of the world and our place in it! We'll examine how people are given or find those compass parts and what role that plays in who they are and how they interact with the world. Come prepared to hear others' paths and try to prepare to be bold and share your own.

Stephan Oechsle serves Psi Upsilon as the Director of Chapter Services and has worked in Higher Education and Public Service for the last 15 years. He'll share some of the knowledge on how humans and especially college students make and find meaning in the world that he gleaned from his thesis research. Audience members are actively encouraged to engage, share, and challenge the presenter and one another (respectfully of course) as we dive into an understanding of what makes us tick.

Belonging: Recruiting Beyond Diversity (10 – 10:50)

*Devon Trotter,
Phi Beta '06 (William & Mary),*

What is community? How did you get here? Who is missing from the table? The responses to these questions are more complex than they let on. Diversity, equity, and inclusion (DEI) may be the phrase “du jour”, yet many organizations fail to get it right. Why? During this Leadership Institute session, Devon will cover basic concepts, dive into power and privilege, and help attendees develop an understanding of the barriers to belonging.

Devon Trotter (he/him, she/hers) Phi Beta, '06 is an equity and inclusion practitioner, centering the stories and needs of the most underrepresented, under-resourced, under-valued, and underestimated communities. A certified life coach, Devon is the Senior Advisor to the President of international climate justice nonprofit, Institute for Sustainable Communities. When not helping determine strategies for equitable climate solutions, Devon volunteers as the Vice Chair of the Board of Directors of local DC sex worker advocacy and harm reduction nonprofit, HIPS. Additionally, Devon is a fundraiser for local DC queer youth nonprofit SMYAL, where Devon served as co-chair of SMYAL's Fall Gala, helping raise over \$1.5m in donations since 2016. Devon also serves as a peer mentor at Whitman-Walker Health, a local DC nonprofit community health center, specializing in HIV/AIDS and LGBTQ healthcare. Devon is an inaugural member of the Kennedy Center's Culture Caucus and has been a DJ and event planner since 2011. Devon holds a Professional Certificate in Diversity and Inclusion from Cornell University, a B.A. in International Relations from the College of William and Mary in Virginia, and an International Coaching Federation certification through training from Coactive Training Institute.

Who not How: Partnering with our Campus Resources (11-11:50)

Travis Smith, Director of Growth

Travis serves as the Director of Growth for Psi Upsilon, joining the staff after 15+ years as a campus-based fraternity and sorority advisor. An alumnus of the University of Miami and Eastern Illinois University, he has an extensive background in fraternity/sorority life and specializes in chapter growth through recruitment and creating a meaningful membership experience that results in better satisfaction and retention of members. He served his fraternity, Sigma Alpha Mu, as a leadership consultant for two years before attending EIU where he received his Master of Science in Education Degree with a concentration in College Student Affairs. He currently serves as a volunteer for the Association of Fraternal Leadership and Values (AFLV), where he holds the role of Coordinator for Educational Programs for the central conference, which is the largest annual gathering of Fraternity and Sorority leaders in the country.

Discover how to make a mindset shift that opens the door to explosive growth and limitless possibility as a chapter leader. In this presentation, Travis will expand on the work of Dan Sullivan and Dr. Benjamin Hardy's book "Who Not How" to discuss how to utilize local and FREE resources to work smarter, not harder in providing the best membership experience to all members. Using the power of "Who Not How" to support the chapter will allow you as a chapter leader to focus on the most critical and important elements of the chapter experience while relying on experts in other areas to provide higher-level services to the chapter and its members.

**Lunch Break from Noon until 1:30; please be sure to be back in Dolley Madison Ballroom
by 2PM**

History and Archives Committee (2-2:45 p.m.)

HISTORY & ARCHIVES

OF PSI UPSILON

*Evan Terry, Epsilon Phi '93 (McGill)
Chair – History and Archives Committee
Jonathan Chaffin, Gamma Tau '00 (Georgia Tech)
Director of Member Engagement*

The History and Archives Committee was created in 2020 to better research and highlight Psi Upsilon's stories. This year members of the Committee will be reviewing our ties to the Nation's capital including Chester A. Arthur, Theta 1848 (Union), William Howard Taft, Beta 1878 (Yale), and Nelson Rockefeller, Zeta '30 (Dartmouth)

Engagement and Technology (2:45-3:30 p.m.)

*Alex Senchak, Eta '08 (Lehigh)
President and Chairman of the Psi Upsilon Foundation
Jonathan Chaffin, Gamma Tau '00 (Georgia Tech)
Director of Member Engagement
Thomas Fox, Omicron '00 (Illinois)
Executive Director*

Fraternity and Foundation Leadership will review ways to engage with Psi Upsilon on the national level including programs like the speaker series and history and archives committee, publications and useful technology for chapters like MemberPlanet, Crowd Change, and more!

Risk Management Review (3:30-4:00 p.m.)

*Thomas Fox, Omicron '00 (Illinois)
Executive Director*

It's important that every chapter knows and understands our Risk Management Policy. We'll review the policy and talk about some best practices that chapters apply to comply with it. We

will utilize examples directly from our experiences with chapters during the 2021-222 academic year, as well as discuss trends we're seeing in Higher Education.

Roundtable Discussion Groups (4-5 p.m.)

As a part of the Registration Process we asked attendees to highlight some topics they would like to see covered. Each roundtable will be monitored by staff and / or key volunteers and you should attend topics that you feel you have something to offer or if you have a burning question. We did our best to spread topics out as much as possible.

Each session will last approximately 30 minutes.

Round 1 (4:00 – 4:25):

Inclusive Practices

Constitution B

A follow up to the leadership academy session from earlier, this discussion will allow chapters to share some best practices they currently have, share challenges they face and discuss ways they can improve. Intentionally, there is no 4:30 session in this room in case members would like to extend the conversation.

Expansion: Starting New Chapters and Reopening Dormant Chapters

Hamilton A

Starting new chapters is essential for Psi Upsilon to be successful. During this session we'll have share ways alumni and undergraduates can be involved in the process and help identify potential future chapters and assist new chapters.

Member Development and New Member Education

Hamilton B

When done right, being a member of a fraternity helps build a member's leadership and organizational skills, but are we being intentional about it? Often times chapters start out with a program, called New Member Education, but often don't focus on member development once that period is over. This breakout will share ideas on how chapters are building development programs across all years of an undergraduate's time in college and remaining a relevant experience.

Communication Programs

Adams A

What are the audiences we should be reaching out to? What news should we be sharing? How do we best communicate with others and share ours news and stories? We'll share best practices and brainstorm ways to best communicate with alumni, parents, potential members, and others in our campus community.

Round 2 (4:30 – 4:55):

Recruitment

Hamilton A

College campuses and the student body are always changing, and what may attract new members one year, may not work the next. This roundtable will allow members to share best practices, discuss where they are struggling, and brainstorm new ideas.

Event Management

Hamilton B

What types of events do your members want to attend? And how do we manage them safely and successfully? As we returned to an environment of in person events this will give members a chance to share some of their most successful events and how they may be improved.

Public Relations

Adams A

Similar to having a Communications Program, Public Relations is an important part of branding our fraternity. It's important to be thinking and acting on this concept before there is a reason to need it. This session will allow chapters to share what they are doing both as chapter, but also with other Greek orgs, to build a more holistic PR program.

Creating a Mentorship Program with Alumni

Adams B

A number of chapters have created successful mentorship programs that are meaningful for both the undergraduates and alumni who participate. We'll share some of those stories and give ideas of what happens behind the scenes to make them successful.

2022 Awards Banquet Keynote, Sunday:

Kevin A. Klock, Chi Delta '01 (Duke University)

Kevin A. Klock joined the Foundation for the National Institutes of Health (FNIH) in October 2015. As Senior Vice President of Operations and Legal Affairs (General Counsel), he provides overall leadership of the Foundation's corporate infrastructure and legal strategy and serves as a critical thought partner to the President and entire organization. He also co-chaired Legal Tools for Pandemic Preparedness: WHO Collaborating Center Support for New Coordinating Mechanisms, high-level meetings that informed the World Health Organization and global community ahead of an historic special session of the World Health Assembly on options for a treaty or other instrument on pandemic prevention and response.

Brother Klock was formerly Head of Governance and Assistant Secretary for Gavi, the Vaccine Alliance and Company Secretary for the Gavi Campaign. There he advised the Board on the design and management of Gavi's innovative governance model and led the governance program for its finance and debt-issuance activities, including standing-up the International Finance Facility for Immunisation (IFFIm). Prior to this he was with the National Association of Corporate Directors (NACD), which provides research and education to corporate boards.

He holds an appointment at Georgetown University as Adjunct Professor of Law and Scholar at the O'Neill Institute for National and Global Health Law, where he teaches and writes at the intersection of global health, political and corporate governance, and public-private partnerships. His scholarship has been published in *The Lancet*, the *Journal of the American Medical Association* (JAMA), Oxford University Press, *Think Global Health* of the Council on Foreign Relations, among others.

Brother Klock received his J.D. from Georgetown and is a member of the bars of the District of Columbia and the United States Supreme Court. He is a graduate of Duke University, received his M.A. from American University, and was Lord Rothermere Scholar at Oxford University.

Brother Klock served as Archon of the Chi Delta Chapter as an undergraduate, is a past scholarship recipient and also is a former member of the Executive Council of Psi Upsilon.

WHAT DO I WEAR?

Convention Sessions and Leadership Institute (Friday, Saturday and Sunday) – Business attire (coat and tie or equivalent, no shorts or jeans, no hats)

Friday and Saturday Evening Social Events – (Friday networking event and Saturday DC United Game) Casual attire, dress comfortably and weather appropriate (shorts and t-shirts allowed). Both events are planned to be outdoors, and expect the weather to be hot and humid.

Awards Banquet (Sunday Evening) – Black tie optional or standard business attire (coat and tie).

Who's Who in Psi U

(or you can't tell a brother without a name tag)

Nametags have been prepared and distributed to all members who registered for the 178th Convention and 2022 Leadership Institute.

Purple “Executive Council” ribbons designate Executive Council members. The Convention delegates elect these volunteer alumni for three-year, staggered terms. The Executive Council in turn elects a president from its membership for a two-year term.

Brown “Foundation Director” ribbons designate directors of The Psi Upsilon Foundation. The Foundation provides part of the funding for the Leadership Institute, Archons' Academy, Chapter Leadership Program and scholarships through tax-deductible gifts to the Annual Fund. Directors of the Foundation are elected at the Annual Meeting of Foundation Members that will take place on Sunday. The Directors are actively involved in raising money for these important programs that directly benefit all of Psi Upsilon.

Gold “Donor” ribbons designate anyone who has made an unrestricted gift to the 2021 Annual Fund. Undergraduates, alumni, staff, family and friends are encouraged to give often and give generously to the lifeblood of Psi U. Without Annual Fund donors, undergraduate dues would be much higher than they are today.

Founders' Society lapel pins designate donors who have made an unrestricted gift of \$250 or more to the Annual Fund. They come in several different varieties:

Bronze	Annual gift of \$250 - 499
Silver	Annual gift of \$500 - 999
Gold	Annual gift of \$1,000 – 1,832
Garnet	Annual gift of \$1,833 – 2,999
Diamond	Annual gift of \$3,000 – 4,999
Chairman's Circle	Annual gift of \$5,000+

Garnet “Delegate” ribbons designate official delegates. Each chapter is entitled to two undergraduate and one alumnus delegate who vote on legislation that comes before the Convention.

Light Blue “First Time Attendee” ribbons show it is a brother's first time at convention.

Blue “Archon” ribbons designate current Archons of undergraduate chapters.

Green “Guest” ribbons designate guests who are family members and friends of Psi Upsilon. Please welcome them warmly.

We have additional ribbons for alumni presidents, officers, committee chairs and more! We are appreciative of all the work so many volunteers do for Psi Upsilon.

Undergraduates who make an unrestricted gift of \$18.33 or more to the 2022 Annual Fund wear 1833 Club lapel pins. If you don't have one, stop by the registration desk and make your gift today.

STAFF DIRECTORY

Jonathan Chaffin, Gamma Tau '00 (Georgia Tech)
Director of Engagement

E-mail: Jonathan@psi.u.org
Extension: 104

Jonathan joined Psi Upsilon in 2000 at Georgia Tech and is a marketing and communications professional with deep roots in story-telling, community-building, communications, branding, and online and social media marketing channels. He comes to the Foundation after 15+ years as an online and e-content designer for The Home Depot and Autotrader.com. He has served Psi U in various capacities including as a staff intern, president and board member of the Psi Upsilon Society of Georgia, designing coats of arms for several chapters, and serving as the Fraternity Heraldry Chairman. Jonathan lives in Atlanta with his wife and daughter.

Jonathan deeply believes that Psi U exists to support its members from the beginning of their life's journey to the end. He is perpetually excited by new ways members can connect, support each other, and strive to strengthen our bonds. He is enthusiastic about creating new memories and shared identity and helping other brothers do the same.

Thomas J. Fox, Omicron '00 (Illinois)
Executive Director of Psi Upsilon Fraternity

E-mail: tfox@psi.u.org
Extension: 103

Tom has been a member of the International Office since his graduation from the University of Illinois in 2000, becoming Executive Director in August 2012. As Psi Upsilon's executive director, Tom manages the services provided to Psi Upsilon's undergraduate chapters and expansion groups. He plans, organizes and facilitates undergraduate officer academies, the Leadership Institute and Convention, and administers the risk management and insurance programs. Additionally, he acts as a liaison to campus student affairs personnel and consults with alumni on issues facing the undergraduate chapters.

Originally from North Aurora, Illinois, Tom graduated from the University of Illinois in Champaign-Urbana with a bachelor's degree in liberal arts and sciences in economics and a minor in cinema studies. He is loyal to the Chicago sports teams he grew up with: the Bears, Cubs, Bulls and Blackhawks and is even happy for the White Sox and the south side when they win. He enjoys hiking, photography and visiting state and national parks when he finds the time.

Clanton D. Johnson, Alpha Phi Alpha Inc.
Director of Donor Relations

E-mail: clanton@psiu.org
Extension: 105

Clanton D. Johnson is Director of Donor Relations of the Psi Upsilon Foundation. In this position, he provides leadership, direction and coordination for fundraising strategies and activities that enable the foundation to support its charitable programs. He is responsible for direct response programs, annual and major gifts, sponsorships, and cause marketing efforts aimed at securing commitments to support the Foundation. He works in partnership with the President of the Psi Upsilon Foundation and organizational leadership to create and implement sound fundraising plans that beneficially advance common goals and strategic priorities.

Prior to joining Psi Upsilon Foundation, he served as the Director of Advancement Services at Fayetteville State University, where he provided leadership for the Campaign for FSU, raising \$27.3 million over five years. He is a recognized leader in the nonprofit sector with more than 10 years of fundraising experience with regional and national organizations. In addition to his position with Psi Upsilon Foundation, he serves as a fundraising professional with Sigma Xi, The Scientific Research Honor Society. In this role, he is responsible for planning and implementing strategies for identification, cultivation, solicitation, and stewardship of individual donors to support the mission of Sigma Xi.

Stephan Oeschle, Phi Kappa Theta Fraternity
Director of Chapter Services

E-mail: Stephan@psiu.org
Extension: 106

Stephen “Steve” Oechsle, pronounced Exlee, comes to the Psi Upsilon staff with a background in higher education, fraternal volunteerism, and public administration. He is a member of the Phi Kappa Theta fraternity, joining at their Ohio University Chapter where he earned a Bachelors in Secondary Education and a Masters in College Student Personnel. Since then, he has worked at Ohio University, Maynard, MA public schools, Illinois Institute of Technology, and the Ohio Municipal Court System. In addition to his professional work Stephan brings extensive student and alumni leadership experience in his own organization to our team. Stephan’s long history of student and organization support will be brought to bear to, develop, coordinate, and direct the services the International Fraternity provides to its collegiate chapters.

Originally from a dairy farming family in rural western Ohio, Stephan along with his wife Crystal, daughter Kensley, an Irish Wolfhound (Oliver) and a Great Dane (Odin), now call Perrysburg, Ohio home. After living in Boston, Chicago, Miami, and Akron, the Oechsle team is excited about putting down roots as Crystal settles into her professorship at Bowling Green State University, including extending her own involvement in Greek Life as a long-time volunteer with Delta Gamma. The household is committed to the shared values and vision of the Greek community and excited to share Stephan with Psi Upsilon.

Travis Smith, Sigma Alpha Mu
Director of Growth

E-mail: Travis@psiu.org
Extension: 107

We're excited to announce a newest team member at the Psi Upsilon International Office – Travis Smith who will be serving in a new role as our Director of Growth! The Director of Growth is responsible for researching, developing and securing expansion commitments with partner institutions, cultivating relationships with interest groups, and supporting new and struggling chapters on operational issues, especially those around marketing and recruitment.

Travis brings with him over 15 years of experience in Higher Education and Fraternity and Sorority Advising. Upon graduating from the University of Miami, Travis joined the staff of Sigma Alpha Mu Fraternity as a Field Consultant. After his two years on staff he received his Master's Degree in College Student Affairs from Eastern Illinois University. He has worked as a campus based professional supporting Greek Life at Pittsburg State University, Colorado School of Mines, Florida Gulf Coast University, and most recently Christopher Newport University where he served as the Director of Student Activities.

Travis lives in Newport News, Virginia with his partner, Leah, his tuxedo cat, Vinny, and corgi, Lilly. In his free time he serves as the Coordinator for Educational Programs with the Association of Fraternal Leadership and Values, and enjoys golf, travel and the Miami Hurricanes.

Bethann Taylor
Director of Administration

E-mail: Bethann@psiu.org
Extension: 102

Bethann studied languages and international law at Hope College. She comes to her role as Director of Administration from a successful 33 year career in hospitality management. In 2016, she shifted careers into human resources management and executive administrative support. As Director of Administration she manages administrative staff, guides operating methods, disburses funds to programs, monitoring budgets, improves information systems, oversees human resources requirements, updates the Board and Executive Council, analyzes financial data, and develops operating procedures and policies for the programs of Psi Upsilon. She also works to streamline operations, ensure that administrative functions run smoothly, eliminate wastage, and improve the Psi Upsilon's organization's financial standing through accurate expenditure monitoring and budget forecasting.

Bethann enjoys engaging with all who reach out to her via phone or email, and says her favorite part of the job is getting to know all the Psi Upsilon brothers she has come in contact with during the course of her days on the job. Bethann is especially happy to work closely with the wonderful volunteer Board of Directors, whose amazing leadership and selfless duty to the Psi Upsilon set a standard of excellence. For recreation, she enjoys reading, travelling, and sports.

Keith Willard, Lambda Chi Alpha
Director of Member Services

E-mail: keith@psiu.org
Extension: 109

Keith was born and raised in Indianapolis, and other than his college years, he is a lifelong resident. He earned degrees in Sport Management from Florida State University (Bachelors) and The Ohio State University (Masters). While at Florida State, Keith became a member of Lambda Chi Alpha fraternity.

He comes to the Psi U office after serving 10 years at the NCAA, where he assisted with or had direct oversight of 40+ national championship events. Keith also spent 1.5 years as a project coordinator at IU Health in HR/Talent Acquisition directing recruiting initiatives and events. Keith brings a strong background in project coordination, collaboration and communication and is excited to work with the Psi U members.

As the Member Services Coordinator, Keith will help collect and manage our reports for chapters, the Tightrope online risk management program and assist alumni associations who would like to utilize our MemberPlanet online database.

Keith currently lives just outside of Indianapolis with his wife, three children, rescue dog and a leopard gecko. In his free time, he enjoys spending time with family, serving as a volunteer youth sports coach, traveling, golf and all of the events leading up to, and including, the Indy 500.

COMMITTEE ON AWARDS

Diamond Award for Exceptional Chapters

This award recognizes chapters that distinguish themselves by exceeding the Psi Upsilon Fraternity chapter standards. During visits to the chapters the staff assesses each chapter on its adherence to the standards and other subjective criteria, and then makes a recommendation to the Convention. More than one chapter can receive this award in any year and the Convention has the discretion to grant honorable mention to chapters which are nominated but do not receive the award. Delegates from the nominated chapters may be asked to make a brief presentation to the Committee or Convention.

COMMITTEE ON AWARDS

Award of Distinction

The Award of Distinction was established by the 142nd Convention in 1985 to recognize Psi Upsilon chapters when they perform in an extraordinary manner. The award may be given annually to one or more chapters for any project, service, program, activity, or accomplishment performed during the year, which merits special recognition. Nominations, which may be made by undergraduates, alumni, Executive Council member, or Fraternity staff members, should be forwarded to the International Office by June 1st and include full details on the project, service, program, activity, or accomplishment for which the chapter is being considered. The Convention shall determine which chapters, if any, should receive the Award of Distinction.

Awarded at the 177th Convention

Pi, Gamma Tau, Chi Delta, Phi Beta Owl Club, Tau Epsilon

Awarded at the 2020 Digital Summit

Zeta

(for the work of Sacha Pritzker, Zeta '22 (Dartmouth) who helped found Fuel Our Heroes, a nonprofit which has raised over \$200,000 for frontline workers fighting COVID-19)

Xi

(for the work of Lars Delin, Xi '22 (Wesleyan) co-founded Support a Pal, which socially supported Senior Citizens by organizing remote phone conversations and interactions in lieu of in person visits to help combat loneliness and for the work of Jason Pinter, Xi '03 (Wesleyan) whose company, Polis Books, published a special short story collection where all proceeds went to the Book Industry Charitable Foundation, a nonprofit that helps booksellers)

Tau

(rather than reimbursing individual brothers the remainder of their activity dues, made a donation to the PHL COVID-19 fund to assist the local Philadelphia Community)

Epsilon Iota

(for the work of Jean-Etienne LaVallee, Epsilon Iota '94 (RPI) who, with other 3D makers in Virginia, created the MakeItThru Alliance to produce medical community approved face shields)

Sigma Phi

(for the work of Jared Atkins, Sigma Phi '08 (St. Francis University); shifted production of his distillery, Bluebird Distilling, to formulating hand sanitizer which was in short supply)

Awarded at the 176th Convention

Epsilon Iota

(for the creation of their "Wellness Chairmanship" and their hosting of faculty dinners on campus)

Lambda Sigma

(for their continued commitment to Community Service and Philanthropy)

Sigma Phi

(for overall improvement in academics, service, and recruitment efforts)

Phi Nu

(for the relationship they've built with Hidenwood Elementary and the growth of the "Friends of Phi Nu" program)

COMMITTEE ON AWARDS

Distinguished Alumni Service Award

The 155th Psi Upsilon Convention created the Distinguished Alumni Service Award to recognize those alumni whose service have brought honor to our fraternity.

Candidates will be considered for this award based on:

- a) A letter of recommendation written by a brother and reviewed by the Awards Committee, which explains the nominee's service to the Fraternity, his chapter, his community and the great nations of the United States and Canada, and
- b) The candidate's fidelity and adherence to the values of Psi Upsilon as set forth in Article I, section 3 as well as the preamble of the Constitution of Psi Upsilon Fraternity.

Section 4. The Convention may, after receiving a report and recommendation from the Executive Council and by a three-fourths vote of the accredited delegates, relegate the chapter to an inactive status as defined in Article IV, Section 1, if a possibility of the chapter's future reactivation is deemed to exist.

Section 5. The Convention may, after receiving a report and recommendation from the Executive Council and by a three-fourths vote of the accredited delegates, suspend the charter of an active chapter for a specified period of time, removing all rights of undergraduate membership within Psi Upsilon until specific conditions are met.

Section 6. The Executive Council may act on behalf of the Convention with regard to any of the actions in Sections 4 or 5 above. The action of the Executive Council to relegate a chapter to inactive status pursuant to Section 4 above shall become final unless an appeal of that action to the Convention is received by the chief executive officer of the Fraternity within 30 days of the date of the official notice by the Executive Council to the chapter of its decision to relegate the chapter to inactive status. If a timely notice of appeal is received, the next Convention will consider and act on the appeal pursuant to Section 4 above.

Section 7. Where a chapter (a) lacks sufficient membership to sustain itself financially, or as a part of the university or college community, (b) lacks sufficient organized alumni support to keep itself as a healthy and contributing member of fraternity life on its campus, (c) finds itself in a financial condition where it can no longer maintain its solvency, (d) fails to meet its assessment obligations to the Executive Council on a continuing basis, (e) fails to carry out on a continuing basis an effective rushing program, thereby failing to provide the chapter with the new members necessary to sustain its existence, or (f) is confronted with other serious conditions affecting the normal existence of a college or university fraternity chapter, and, furthermore, fails to correct any of the foregoing conditions after strenuous and organized efforts have been made to assist it, the Executive Council, upon finding any such condition to be present, may request Convention action.

Section 4. The ~~Convention may, after receiving a report and recommendation from the~~ Executive Council ~~and by a three-fourths vote of the accredited delegates,~~ may relegate the chapter to an inactive status as defined in Article IV, Section 1, if a possibility of the chapter's future reactivation is deemed to exist.

Section 5. The ~~Convention may, after receiving a report and recommendation from the~~ Executive Council ~~and by a three-fourths vote of the accredited delegates,~~ may suspend the charter of an active chapter for a specified period of time, removing all rights of undergraduate membership within Psi Upsilon until specific conditions are met.

ARTICLE VI

* * *

Section 2. Each chapter shall take action as early as possible on the receipt of the records of any Convention upon all measures which require such action, and within one week thereafter shall notify the Executive Council of the result.

Section 3. The alumni body of each chapter should incorporate itself and should hold at least one meeting a year to which all the members of the chapter's alumni body shall be invited. At such meetings, an annual report of the operation of the chapter shall be rendered, covering the activities of the undergraduates and the alumni. A board of trustees, or its counterpart, composed of alumni of the chapter, shall be established to conduct the business of the alumni corporation. The election of members to such a body, as vacancies exist or as terms of such expire, shall be held at such annual meetings. The purpose of such alumni corporation shall be (1) to conduct the business affairs of the corporation, (2) to aid in the financial operation of the chapter, (3) to support the educational and risk management programs of Psi Upsilon, (4) to cooperate, as appropriate, with the administration of the institution where the chapter is located, (5) to hold title to and ownership of the chapter house where such is feasible, and (6) to support the actions of the Executive Council pertaining to its respective undergraduate chapter. The board of trustees should meet at least four or more times a year with at least one such meeting to be held at their respective chapter houses. Such procedure will permit the board of trustees to maintain close contact with the affairs of the undergraduates and of the house and to review communications between the Executive Council or Convention, and the chapter in order to assure compliance with the mandates of the Fraternity.

ARTICLE VII

UNDERGRADUATE MEMBER LEADERSHIP

Section 1. Each chapter shall have for its officers an archon, a grammateus, a thesauristes and one or more angeloï and epistolographoi, whose general duties shall be those of a president, recording secretary, treasurer, vice president, corresponding secretary and alumni relations secretary respectively, to whom also special duties may be assigned by the laws of the chapter. Special officers may also be elected by a chapter for the performance of duties peculiar to itself. These officers shall be elected by ballot at such times as each chapter may decide, provided that an election of all be held at least once a year.

Section 2. The epistolographos or epistolographoi shall communicate with each chapter and its alumni body at least once in every collegiate term; shall give due notice of all changes of officers, of all initiations, expulsions, suspensions, or graduations; and shall keep the Fraternity well informed of the state of their chapter, and their chapter of the condition of the Fraternity.

Section 3. In order that a continuous history of each chapter may be kept and thereby a history of the Fraternity as a whole, the grammateus shall prepare at the end of each academic year a full report of the chapter and of its activities for that year, including the activities of both the undergraduate and alumni bodies of the chapter. Copies of such reports shall be forwarded to the officers of the Executive Council for preservation in the archives of the Fraternity, and to the officers of the chapter alumni organization.

COMMITTEE ON UNFINISHED BUSINESS

Whereas The Pi Chapter at Syracuse University will be celebrating its 150th Anniversary in 2025 and

Whereas Since its installation in 1875 the Pi Chapter has hosted the Psi Upsilon Convention on its major anniversaries in 1900, 1925, 1950, 1975 and 2000, and

Whereas the Pi Alumni Association has committed to hosting the 181st Convention in 2025, be it

Recommended the 181st Psi Upsilon Convention be held in Syracuse, NY and be hosted by the Pi Chapter

HOW TO WRITE A RESOLUTION

All resolutions should be submitted to the Convention Recorder in writing on the forms provided. It is often advisable to consult with brothers who can be of assistance in perfecting it. A resolution is written, "Resolved: That the Fraternity shall know how to write resolutions..." It can consist of more than one resolving clause, as in the following example:

Resolved: That it is the sense of this Convention that a new edition of the Constitution be printed; and be it further.

Resolved: That the Executive Council is directed to fund, print and mail the new edition to each of the several chapters by May, 2016.

It is usually inadvisable to attempt to include reasons for a resolution's adoption within the resolution itself. Such an attempt may confuse an otherwise clear resolution. In cases where little-known information is needed to make the merits of a resolution understood, or where unusual importance is attached to making certain reasons for an action a matter of record, a preamble is placed before the resolving clauses. A *preamble* consists of one or more clauses beginning "Whereas." It should be emphasized that neither rule nor custom requires a resolution to have a preamble, and one should not be used merely for the sake of form.

Example of appropriate preamble:

Whereas: An informal survey taken by the Executive Council reveals that many chapter properties are seriously underinsured; be it

Resolved: That a committee of five, consisting of two alumni presidents and three Executive Council members, shall be appointed to draw up recommendations whereby the chapters may adequately insure themselves.

A preamble should contain no more clauses than are strictly necessary. If an elaborate resolution is necessary, the following will guide:

Whereas: The...(text of first preamble clause); and

Whereas: ...(text of next to last preamble clause); and

Whereas: ...(text of last preamble clause); be it

Resolved: That...(stating action to be taken); and be it further

Resolved: That...(stating further action to be taken); and be it further

Resolved: That...(stating still further action to be taken).

If there is a preamble, each clause, written as a separate paragraph, begins with the word

"Whereas," followed by a colon and the next word should begin with a capital letter. The preamble should never contain a period. Each of its paragraphs should close with a semi-colon, followed, in the case of all but the last paragraph, by the word "and." The last paragraph of the preamble should close with a semi-colon, after which a connecting expression such as "be it" or "therefore be it" is added. No punctuation should follow these phrases, and they are always placed at the end of the preamble paragraph, never at the beginning of the resolving paragraph.

The word "Resolved" is underlined or printed in italics and is followed by a colon and the word "That." If there is more than one resolving clause, each of them should be a separate paragraph. Each paragraph, except the last, should close with a semi-colon, followed by the words "and be it further;" the last paragraph should end with a period. A resolving paragraph should not contain a period within its structure.

2022-23 Proposed Assessment Schedule

Initiation Fee - \$245 per initiate due at the time of initiation.

Entitles an initiate to lifetime membership in Psi Upsilon Fraternity pursuant to Psi Upsilon Constitution Article IX §1: "Membership in any chapter and payment to the Fraternity of the initiation fees shall constitute membership in the Fraternity."

Tax - \$200 per active member (not including this year's initiates) due on October 1 or upon return from inactive status.

The initiation fee and tax provides the operating funds necessary to run Psi Upsilon Fraternity each year. The International Fraternity also receives revenue from educational grants from the Psi Upsilon Foundation and regular giving by dedicated alumni. The International Fraternity provides a wide range of services and resources to its chapters and alumni including campus visits, educational handbooks and manuals for officers and alumni, member database management, membership directories, newsletters, Archons Academy, Leadership Institute, Convention, expansion and reactivation of chapters, chapter retreats, preservation of historical documents in the Archives, insurance program management, web site, public relations, legislative advocacy, fund raising, crisis management, interfraternal relations, college and university relations, and event planning.

Chapter Services Fee - \$1,950 per year paid in 2 installments on November 1 and March 1. Provides the following for chapters:

- Registration, travel and room for president to Archons Academy
- Registration and room for two official delegates to Leadership Institute and Convention
- Access to MemberPlanet
- Alumni Key and certificate for Outstanding Junior
- Awards at Convention
- College Tablets and Pledge Pins

Risk Management Assessment – Due October 1st. Provides \$500,000 comprehensive general liability insurance for every chapter and alumni association and \$2 million comprehensive general liability insurance for every house corporation. Assessment is based on a number of factors including:

- Number of undergraduate members (as reported on the end of year report)
- Housing (housed or unhoused)
- Alcohol free chapter or chapter house
- Past claims history of the chapter

This assessment also includes the Member Accident Protection Program (MAPP) for all

undergraduate members and pledges in the United States (\$100,000 coverage for medical expenses resulting from accidental injury incurred during the academic year), changes to our Self Insurance Retention, Deductible deposit and other fees related to the Risk Management and insurance charges for the Fraternity. Chapters in Canada are not included in the MAPP program, and this is reflected in the amount they pay for the Risk Management Assessment.

Late Fees - Any chapter that has not paid its fees or taxes in full by its respective due date will receive a late fee of 1% per month, or \$10 total per month, whichever amount is greater.

PREAMBLE

We who are or were students in universities and colleges throughout the United States and Canada and who believe in similar principles of life and standards of human conduct, consider that the existence of a fraternal bond among us is eminently calculated best to promote our educational achievements, the development of our personal character and happiness, and the overall interests of the universities and colleges of which we are a part. We believe further that we may thereby better contribute to a continual improvement and expansion of the educational system of these two great nations.

Accordingly, we do hereby, in order to promote such purposes and the objects hereinafter set forth, adopt and solemnly pledge ourselves to sustain the following.

ARTICLE I

PRINCIPLES

Section 1. The corporation shall be officially known and designated as Psi Upsilon Fraternity, a corporation organized under the non-profit corporation laws of the Commonwealth of Pennsylvania.

Section 2. The motto of the Fraternity shall never be written, but with the grip shall be handed down traditionally.

Section 3. The objects of this Fraternity for which we stand united are: (1) To make a significant contribution to the colleges and universities with which its undergraduate and alumni members are associated, to the communities in which its members reside, and to the great countries of the United States of America and Canada; (2) To promote the adoption of significant life goals by its members, together with plans for their fulfillment; (3) The promotion of the highest moral, intellectual, and social excellence and educational standards in all its members; and (4) The union of all its members in a firm and enduring friendship and true brotherhood for life.

Section 4. The formal meeting of the chapters of Psi Upsilon shall be attended only by members of our fraternity. The minutes of such meetings shall be available only to members. The motto, the symbols, and the grip of Psi Upsilon shall never be disclosed to persons outside our fraternity membership. Informal meetings may be attended by non-members when appropriate, and with the consent of members present.

Section 5. In order to carry out the objectives stated in Article I, Section 3, the individual chapters of Psi Upsilon will make every possible effort to provide for their members at the lowest possible cost the following: room, board, and library and study facilities. In addition, periodic meetings of a literary, cultural, and educational character shall be provided.

Section 6. The official badge of the Fraternity shall be worn by members only.

ARTICLE II

GOVERNMENT OF THE FRATERNITY

Section 1. The Convention shall be the primary source of legislation governing the Fraternity. The Executive Council shall be the primary administrative arm of the Fraternity. The Executive Council shall likewise possess legislative power to deal with emergencies, adopt policy, and conduct the business of the Fraternity between Conventions subject to the approval of the ensuing Convention.

Section 2. The Convention shall consist of accredited delegates representing the undergraduate membership and alumni of the Fraternity. It shall meet annually with one of the chapters as determined at a preceding Convention, or by the Executive Council in the absence of a decision at the preceding Convention, or if so delegated by the Convention. Factors influencing the selection of a Convention site shall include chapter anniversaries, the interval of time since chapters last hosted a Convention, geographic alternation, and benefits of maintenance or growth of a specific chapter or chapters and the Fraternity as a whole. Each chapter shall provide yearly funds sufficient to meet transportation and Convention costs for two undergraduate member delegates from that chapter to the Convention. The Executive Council, upon receipt by it of the annual reports required by Article VIII, Section 1, shall notify the chapters of the amounts of their assessments, and no chapter shall be entitled to voting privileges at a Convention which, ten days prior to the meeting thereof, shall not have paid all assessments and other money payable by it to the treasury of the Fraternity, unless otherwise provided by the Convention.

Section 3. Each chapter shall send to the Convention, with written credentials, two of its undergraduate members as delegates, who shall be the official representatives of such active chapter and shall cast its votes. The official alumni organization of each chapter shall send one duly accredited delegate to the Convention with the power to cast one vote. Each chapter in Convention shall be entitled to one vote for each accredited delegate in attendance except as provided for in Article II, Section 2, above. A quorum shall consist of at least one accredited delegate from at least two-thirds of the active chapters.

Section 4. The Executive Council shall designate three accredited delegates to each Convention, and each such delegate shall be entitled to cast one vote.

ARTICLE III

EXECUTIVE COUNCIL

Section 1. The members of the Executive Council shall constitute and also be known as the Board of Directors of the Psi Upsilon Fraternity. The Executive Council shall be composed of not less than seven or more than nine alumni term members of the Fraternity, with the exact number to be determined from time-to-time by the Executive Council. There shall be no more than two alumni term members from the same chapter serving at the

same time. Alumni term members of the Executive Council shall be elected by the Convention for terms of one to five years. Their classes of service should be so arranged that two or more should be elected annually to fill vacancies caused by the expiration of terms.

Section 2. In addition to the elected alumni term members of the Executive Council, two undergraduate members of the Fraternity shall be elected by the Convention for terms of one year each, to serve as the Undergraduate Advisory Board and will be invited to attend meetings as non-voting members of the Executive Council.

Section 3. In addition to the alumni members of the Executive Council, all living past presidents of the Executive Council shall be life members with full voting rights. All retiring members of the Executive Council who have served ten years or more may be elected honorary life members of the Executive Council without voting rights.

Section 4. The International Office of the Fraternity shall be situated in whatever location the Executive Council shall consider desirable for the Fraternity. The Executive Council shall elect a president, a vice president, a secretary and a treasurer, as well as an assistant secretary and an assistant treasurer, if desired; shall regulate its own proceedings and assignments of duty; and shall be empowered to employ a chief executive officer. The title, duties, and compensation of the chief executive officer will be determined by the Executive Council. Other members of the staff shall report to the chief executive officer and their compensation shall be determined by the chief executive officer in accordance with a salary administrative plan approved by the Executive Council. The chief executive officer shall serve as an ex-officio member of the Executive Council without voting privileges.

Section 5. The Executive Council shall issue calls and make all arrangements for special Conventions, when requested so to do, in writing by at least five chapters; shall give official notice to all chapters of any measure requiring the consent of the chapters; and shall keep the Fraternity seal and all Fraternity personal property under its jurisdiction, including the official copy of the Constitution and Convention records, a copy of the by-laws of each chapter, and as complete statistics on them as possible. It shall have power under the regulations of each Convention to make and collect assessments from the several chapters including taxes and membership fees; shall settle or defend general claims against the Fraternity as a whole; shall superintend the publication of Fraternity documents; and shall decide all points at issue between chapters when requested. The Executive Council shall fill its own vacancies for terms expiring with the next Convention and shall submit annually to the Convention a communication embracing a report of its actions, with recommendations with respect to the affairs of the Fraternity as it may deem proper. The Executive Council shall investigate applications for charters of the Fraternity and shall initiate inquiries into the expediency or desirability of establishing a chapter at any college or university. The Executive Council shall, at regular periods, arrange for the chapters to be visited by one or more of its own members or the chief executive officer. Concerns developing from such visits shall be communicated with discretion, conditioned strictly by an intent to serve the best interests of the chapter affected.

ARTICLE IV

ESTABLISHMENT OF CHAPTERS

Section 1. This Fraternity shall be constituted of chapters which have been or may be established in colleges and universities. Each chapter shall be designated by one or more initial letters of some Greek word or words having appropriate significance. An active chapter shall consist of two bodies. One such body, the undergraduate membership, shall be composed of undergraduates and students attending graduate school, and the second body shall be composed of alumni. An inactive chapter may consist of only the alumni body.

Section 2. The Executive Council shall be empowered to grant provisional chapter status to a group seeking to establish a chapter of Psi Upsilon upon recommendation of the chief executive officer, whenever the Executive Council believes that the group seeking affiliation will have the ability to meet the guidelines for a new chapter that have been established by the Convention.

Section 3. Approval from three-quarters of the active chapters shall be necessary for the establishment of a new chapter of this Fraternity. When the Executive Council believes that a provisional chapter has met the guidelines for establishing a new chapter, it shall instruct the chief executive officer to prepare a report and recommendation and mail same to each chapter's undergraduate membership and to the governing body of the alumni association or corporation. Within twenty days of such mailing, each body shall transmit to the chief executive officer at the International Office of the Fraternity its approval or disapproval in writing. Approval of a chapter shall occur under any of the following conditions:

- (a) Two-thirds of the undergraduate membership and two-thirds of the governing body of the alumni association or corporation vote in favor of the proposal; or
- (b) Two-thirds of either body votes in favor of the proposal, and the other body does not respond within twenty days of the date of the mailing concerning the proposed establishment of the new chapter; or
- (c) Neither body responds to the proposal within twenty days of the date of the mailing concerning the establishment of the new chapter.

Section 4. Upon the chief executive officer receiving approval from three-fourths of the active chapters for establishing a new chapter, it shall be the duty of the Executive Council to prepare an exact copy of the Constitution and an official certification of the vote of the chapters, and with these documents to proceed immediately in person, if possible or, if not, to direct some chapter to appoint a committee to meet and initiate members of the new chapter with the usual ceremonies of initiation, by which they shall be invested with all the rights of a chapter.

Section 5. When a chapter has been or shall be established upon application of undergraduate and graduate or alumni members, it shall be lawful for such chapter by unanimous vote to

elect graduate or alumni members of such organization in good standing upon their written application and to initiate them in due form.

Section 6. A petition for the establishment of a chapter at a branch of the same institution wherein a chapter of Psi Upsilon already exists will be considered by the Fraternity in the same manner as that prescribed for any other petition.

Section 7. Only chapters defined by this Constitution as inactive shall be reactivated. The Executive Council, in cooperation with the alumni organization of an inactive chapter, shall create an Owl Club at that chapter when a group of persons qualified for, and desirous of membership in, Psi Upsilon Fraternity, presents themselves for consideration. When the Executive Council, after receiving a recommendation from the alumni organization of that chapter or after its own investigation, determines that the Owl Club members are qualified for membership in Psi Upsilon, the Executive Council shall initiate the members, thereby extending to them membership in Psi Upsilon Fraternity. To this group and the alumni organization, together, shall be granted the status of an active chapter.

ARTICLE V

TERMINATION OF CHAPTERS

Section 1. No chapter may dissolve or surrender its charter of its own volition. The undergraduate members of a chapter, its alumni organization, or the Executive Council may make a recommendation for the termination of a chapter's active status to the Convention.

Section 2. The Convention may, after receiving a report and recommendation from the Executive Council and by a three-fourths vote of accredited delegates, revoke the charter of an active chapter, therefore severing forever each and every tie with the undergraduate membership and the alumni organization, except for any outstanding financial obligations which may exist.

Section 3. A chapter shall be considered inactive if no living members exist and no other action has been taken by the Fraternity with regard to establishing their status.

Section 4. The Convention may, after receiving a report and recommendation from the Executive Council and by a three-fourths vote of the accredited delegates, relegate the chapter to an inactive status as defined in Article IV, Section 1, if a possibility of the chapter's future reactivation is deemed to exist.

Section 5. The Convention may, after receiving a report and recommendation from the Executive Council and by a three-fourths vote of the accredited delegates, suspend the charter of an active chapter for a specified period of time, removing all rights of undergraduate membership within Psi Upsilon until specific conditions are met.

Section 6. The Executive Council may act on behalf of the Convention with regard to any of the actions in Sections 4 or 5 above. The action of the Executive Council to relegate a

chapter to inactive status pursuant to Section 4 above shall become final unless an appeal of that action to the Convention is received by the chief executive officer of the Fraternity within 30 days of the date of the official notice by the Executive Council to the chapter of its decision to relegate the chapter to inactive status. If a timely notice of appeal is received, the next Convention will consider and act on the appeal pursuant to Section 4 above.

Section 7. Where a chapter (a) lacks sufficient membership to sustain itself financially, or as a part of the university or college community, (b) lacks sufficient organized alumni support to keep itself as a healthy and contributing member of fraternity life on its campus, (c) finds itself in a financial condition where it can no longer maintain its solvency, (d) fails to meet its assessment obligations to the Executive Council on a continuing basis, (e) fails to carry out on a continuing basis an effective rushing program, thereby failing to provide the chapter with the new members necessary to sustain its existence, or (f) is confronted with other serious conditions affecting the normal existence of a college or university fraternity chapter, and, furthermore, fails to correct any of the foregoing conditions after strenuous and organized efforts have been made to assist it, the Executive Council, upon finding any such condition to be present, may request Convention action.

Section 8. If the charter of a chapter is revoked or suspended, or if the chapter is relegated to an inactive status, all official Fraternity records, seals, official documents, memorabilia, and any material pertaining to the chapter's relation to the Fraternity as a whole shall be placed in the custody of the Executive Council.

ARTICLE VI

CHAPTER RIGHTS AND RESPONSIBILITIES

Section 1. Each chapter shall have power to provide for its own organization and proceedings in such a manner as it may see fit, so far as such provisions do not conflict with this Constitution or the Policies of Psi Upsilon Fraternity.

Section 2. Each chapter shall take action as early as possible on the receipt of the records of any Convention upon all measures which require such action, and within one week thereafter shall notify the Executive Council of the result.

Section 3. The alumni body of each chapter should incorporate itself and should hold at least one meeting a year to which all the members of the chapter's alumni body shall be invited. At such meetings, an annual report of the operation of the chapter shall be rendered, covering the activities of the undergraduates and the alumni. A board of trustees, or its counterpart, composed of alumni of the chapter, shall be established to conduct the business of the alumni corporation. The election of members to such a body, as vacancies exist or as terms of such expire, shall be held at such annual meetings. The purpose of such alumni corporation shall be (1) to conduct the business affairs of the corporation, (2) to aid in the financial operation of the chapter, (3) to support the educational and risk management programs of Psi Upsilon, (4) to cooperate, as

appropriate, with the administration of the institution where the chapter is located, (5) to hold title to and ownership of the chapter house where such is feasible, and (6) to support the actions of the Executive Council pertaining to its respective undergraduate chapter. The board of trustees should meet at least four or more times a year with at least one such meeting to be held at their respective chapter houses. Such procedure will permit the board of trustees to maintain close contact with the affairs of the undergraduates and of the house and to review communications between the Executive Council or Convention, and the chapter in order to assure compliance with the mandates of the Fraternity.

ARTICLE VII

UNDERGRADUATE MEMBER LEADERSHIP

Section 1. Each chapter shall have for its officers an archon, a grammateus, a thesauristes and one or more angeloi and epistolographoi, whose general duties shall be those of a president, recording secretary, treasurer, vice president, corresponding secretary and alumni relations secretary respectively, to whom also special duties may be assigned by the laws of the chapter. Special officers may also be elected by a chapter for the performance of duties peculiar to itself. These officers shall be elected by ballot at such times as each chapter may decide, provided that an election of all be held at least once a year.

Section 2. The epistolographos or epistolographoi shall communicate with each chapter and its alumni body at least once in every collegiate term; shall give due notice of all changes of officers, of all initiations, expulsions, suspensions, or graduations; and shall keep the Fraternity well informed of the state of their chapter, and their chapter of the condition of the Fraternity.

Section 3. In order that a continuous history of each chapter may be kept and thereby a history of the Fraternity as a whole, the grammateus shall prepare at the end of each academic year a full report of the chapter and of its activities for that year, including the activities of both the undergraduate and alumni bodies of the chapter. Copies of such reports shall be forwarded to the officers of the Executive Council for preservation in the archives of the Fraternity, and to the officers of the chapter alumni organization.

ARTICLE VIII

CHAPTER REPORTS

Section 1. The Executive Council shall require the chapters to report such information concerning each chapter's officers, pledges, initiates, undergraduate members and activities as deemed necessary by the Executive Council.

ARTICLE IX

MEMBERSHIP

- Section 1.** Membership in any chapter and payment to the Fraternity of the initiation fees shall constitute membership in the Fraternity. Members shall be called "brothers." Each chapter may develop its own qualifications for membership, except that there may be no discrimination in membership selection prohibited by the laws of the applicable nation, but no chapter shall initiate any person or persons to membership who are not recognized as students in good standing by the faculty and trustees of the college or university in which the chapter is located.
- Section 2.** The election of any person to membership shall be in accordance with the regulations of the university or college at which the chapter is located. The qualifications for membership shall be determined by each chapter, such determination to take into consideration the candidate's qualifications with respect to the general standards of the Fraternity as a whole and to the standards set by the membership of that chapter.
- Section 3.** The Executive Council may select from those individuals affiliated with a provisional chapter, persons to be initiated as members of the Fraternity. Said members-at-large shall have all the rights and privileges of any member associated with a chapter, excluding those conferred in Article II, Section 2 of this Constitution. The Executive Council shall be responsible for initiating all successive initiates to the provisional chapter. At the time of installation of the provisional chapter, those members previously initiated at that respective provisional chapter are conferred full membership in Psi Upsilon.
- Section 4.** The members of each chapter shall be considered as undergraduate or alumni. The undergraduates and members attending graduate school shall constitute the active chapter. During a period in which the undergraduate brothers are called to active military service, and until the expiration of one month after the first annual Convention following such active service, any alumni members of a chapter may become members of such active chapter, notwithstanding any other provisions in this Constitution.
- Section 5.** The dissolution of a member's connection in any way with the university or college in which the member was an undergraduate member shall place the member on the alumni list, unless the member again becomes an undergraduate.
- Section 6.** No person unconnected with the Fraternity coming from a university or college in which this Fraternity is represented by a chapter shall be anywhere elected to membership without taking into consideration the wishes of the former chapter, which will invariably be consulted.
- Section 7.** Any brother leaving the chapter into which initiated and becoming a student at any university or college in which there is or may be a chapter of this Fraternity shall be given preferential treatment in the last-named chapter.
- Section 8.** This Constitution recognizes no withdrawal from membership in the Fraternity and

maintains that an undergraduate brother should remain an active member of the chapter while an undergraduate in the university or college where initiated or while an undergraduate of another institution wherein there is a chapter. However, if an undergraduate member of the Fraternity indicates inability to meet financial responsibilities to the chapter, and if the undergraduate membership determines by a three-fourths vote to absolve such financial responsibility, then such undergraduate member may be granted inactive status. The Executive Council may, in its discretion, and for just cause, relieve any undergraduate or group of undergraduates of any chapter, of their annual Fraternity dues to the Executive Council. If an undergraduate member, while in attendance, requests such relief of obligations to the chapter for any reason or reasons and insists upon being so relieved, after a full hearing before the chapter in a meeting called for this purpose, then inactive status may be granted, but only after every effort has been exhausted in discouraging inactive status.

Section 9.

Suspension, expulsion, or fines shall be the means of discipline within the undergraduate membership of all the chapters, under regulations to be established by themselves. The vote upon suspension or expulsion shall be taken by ballot after at least two weeks of consideration and shall require a three-fourths affirmative vote of all the undergraduate members of the chapter.

Section 10.

Disciplinary action may also be taken by the alumni organization of a chapter or by the Executive Council. If any undergraduate member or alumni member or members of a chapter is or are reported by the university or college authorities, by alumni of such chapter or alumni of other chapters, or by responsible officers among the undergraduate members of such chapter or of other chapters, for conduct unbecoming a brother of Psi Upsilon and detrimental to the purposes and objectives of the Fraternity as herein set forth, the facts will immediately be investigated by responsible representatives of such chapter's alumni organization or by the Executive Council, with the undergraduate membership consulted and a full hearing afforded the member or members under consideration. A full report and recommendation will then be presented to the trustees of such chapter's alumni organization, or their counterpart, or to the Executive Council, either of which is empowered to take whatever corrective measures are necessary, including removal from chapter office, suspension, or expulsion from the Fraternity. Any disciplinary action shall be fully documented and immediately relayed to the entire undergraduate membership of such chapter. This decision may be reviewed by the annual Convention as the final authority, at the request of the affected members or chapter. Under no circumstances may disciplinary action be taken against any undergraduate member or alumni member or members of a chapter if such action is contrary to law or to the rules and regulations of the university or college where the chapter is located.

Section 11.

In recognition of outstanding achievement and devotion to the Fraternity and its development and growth, a chapter may select from those not otherwise eligible for membership under this Article, persons to be designated as honorary members. Such honorary members shall not be entitled to any of the rights and privileges provided under Article II, Section 2, and Article III, Section 1, of this Constitution, provided, however, that honorary members shall have the right to attend the chapter meetings.

ARTICLE X

MEMBER EDUCATION

Section 1. New members shall be welcomed into Psi Upsilon in strict accordance with the initiation ritual published by the Executive Council and distributed to the active chapters. The initiation ritual may be amended or superseded by a three-fourths affirmative vote of the Convention.

Section 2. Psi Upsilon Fraternity believes that a constructive member education program lies at the heart of a good fraternity experience. It stands for a member education process that seeks to:

- a. Provide a thorough and comprehensive orientation to Psi Upsilon, its history, international structure, philosophy, values and ideals, traditions, songs and programs;
- b. Create a sense of responsibility and commitment to the college or university and to Psi Upsilon.
- c. Develop a sense of unity and camaraderie within the brotherhood.
- d. Provide a working knowledge of how the chapter operates, both as an organization and as a physical plant.
- e. Develop a clear understanding of the member's future role in the chapter and the contributions the member can make as a brother.
- f. Encourage and motivate the member to develop potential managerial and leadership skills.
- g. Guide the member toward improvement as an individual and as a member of the community.

Section 3. Consistent with a constructive member education program, Psi Upsilon Fraternity declares itself unalterably opposed to hazing in any form or under any circumstances. Hazing is defined as any activity of the Fraternity or of its individual members which:

- a. Causes or is likely to cause mental or physical harm, discomfort, embarrassment, harassment, ridicule, damage or injury.
- b. Disrupts an individual's academic interests and pursuits, adversely affects an individual's normal lifestyle, or asks an individual to violate any government laws or college regulations.
- c. Creates an impression that is detrimental to the public image of Psi Upsilon. The forced consumption of alcoholic beverages or drugs is strictly prohibited; or
- d. Meets the definition of hazing provided by applicable provincial, state, federal law, or educational institution.

Section 4. Any chapter which violates these principles shall be subject to disciplinary action by

the Executive Council or by a three-fourths vote at the ensuing Convention.

ARTICLE XI

BADGE

Section 1. The badge of this Fraternity shall be a lozenge-shaped breast-pin of gold, having in front, on a ground of black enamel, the clasped hands, with the letter "Ψ" above and "Υ" below; and on the reverse the name of the owner, with the appropriate chapter characteristic, graduating class, and month and year of initiation. This shall be the only official badge of the Fraternity, but no prohibition is made with reference to the wearing of such other style badge as the chapter may procure.

ARTICLE XII

FRATERNITY DOCUMENTS

Section 1. A directory of all the members of the Fraternity shall be published as often as may be deemed advisable, containing the full names of the brothers, their residences and any other items of interest.

Section 2. Collections of Fraternity songs shall be published whenever the necessities of the chapters shall demand them.

Section 3. Special care shall be taken to secure the writing of accurate histories of the Fraternity and its several chapters, to be published if deemed advisable.

Section 4. Copies of the records of every Convention shall be transmitted to each chapter. Every chapter shall keep each of the others informed of all laws adopted for its own government.

ARTICLE XIII

AMENDMENT

Section 1. This Constitution may be amended or superseded by a three-fourths affirmative vote of the Convention, and such action shall be binding unless objected to by one-fourth or more of the active chapters within two weeks in term time after receipt of the official records of the Convention by the chapters.

AMENDMENTS TO CONSTITUTION

This edition of the Constitution of Psi Upsilon Fraternity includes all amendments that have been made to the Constitution through the 176th Convention held in 2019.

**RELATIONSHIP BETWEEN PSI UPSILON FRATERNITY
AND ITS
UNDERGRADUATE CHAPTERS AND MEMBERS**

Psi Upsilon Fraternity, Inc. is a non-profit corporation incorporated under the laws of the Commonwealth of Pennsylvania. Its offices are located in Indianapolis, Indiana. Psi Upsilon's chapters are located in the United States and Canada.

Psi Upsilon was founded for the purpose of fostering fraternity and to be an educational and service resource for its undergraduate chapters and for members associated with those chapters. Psi Upsilon Fraternity maintains and processes membership and other records for its undergraduate chapters. As a result of limited funding sources, Psi Upsilon Fraternity has a very small staff.

Psi Upsilon Fraternity serves as an educational resource and service organization for its undergraduates and alumni, alumni chapter corporations and for local alumni who volunteer their time on an independent basis to assist an undergraduate chapter and its undergraduate members. Psi Upsilon Fraternity provides education through seminars, conferences, written materials, and periodic professional staff visits to undergraduate chapters. Professional staff visits may result in advisory recommendations for chapter operations. Psi Upsilon Fraternity strives through these educational efforts to enhance life skills, develop leadership ability and promote ethical conduct for those who take advantage of these educational opportunities, and to assist through education and consultant recommendations, the success of chapters associated with it.

No chapter of Psi Upsilon Fraternity and no member of any chapter of Psi Upsilon is an agent of Psi Upsilon Fraternity. No chapter and no member of any chapter has been appointed as an agent of Psi Upsilon Fraternity. No chapter and no member of any chapter has the authority to enter into any agreement on behalf of, or to bind Psi Upsilon Fraternity in any way. Psi Upsilon Fraternity is not and cannot be involved in the day-to-day operations of an undergraduate chapter. Psi Upsilon Fraternity does not and cannot control or supervise the day-to-day activities of an undergraduate chapter.

Each undergraduate chapter of Psi Upsilon Fraternity is a self-governing, financially self-sufficient association composed of students of the institution to which the chapter is affiliated, formally or informally. Each alumni chapter association of Psi Upsilon Fraternity is a self-governing, financially self-sufficient association composed of members chosen by that alumni association. Under the Constitution of Psi Upsilon Fraternity, each undergraduate chapter of Psi Upsilon selects and initiates its own members, elects its own officers, establishes its own rules, operates and determines its methods of operation, and governs its own affairs, subject only to those rules and operations being in harmony with Psi Upsilon's policies and Constitution. The autonomy of an undergraduate chapter in organizing, determining and conducting its own operations through a democracy is part of an educational process which enhances the undergraduate experience and the development of leadership skills.

Psi Upsilon Fraternity does not have the right to suspend or affect the membership

status of an undergraduate student associated with a chapter other than as specifically set forth in the Constitution of Psi Upsilon Fraternity.

If an undergraduate chapter's operations are not in harmony with Psi Upsilon's policies or Constitution, Psi Upsilon has the right after the fact to determine whether that chapter will continue to be recognized by Psi Upsilon as a chapter. In some situations, after an action by a chapter has occurred that is not in harmony with the policies or Constitution of Psi Upsilon Fraternity, a probationary status may be implemented for the chapter by Psi Upsilon. In probationary situations, the chapter continues to be a self-governing, financially self-sufficient association of undergraduate students. If a chapter ceases to be recognized by Psi Upsilon as a chapter but nonetheless continues its operations, it does so without any affiliation with Psi Upsilon.

Psi Upsilon
Risk Management Policy
Last amended 7/26/2019

The Risk Management Policy of the Psi Upsilon Fraternity first adopted in 1988 and as thereafter amended, applies to all members, all chapters, provisional chapters, Owl Clubs, colonies and all alumni groups unless written exemption is granted by the Executive Council.

Alcohol and Drugs

1. The possession, sale, use, or consumption of alcoholic beverages, while on chapter premises or during a fraternity event, in any situation sponsored or endorsed by the chapter, or in any event an observer would reasonably associate with the fraternity, must be in compliance with any and all applicable laws of the nation, state, province, county, city, and institution of higher education.

2. Common sources of alcohol, including bulk quantities, which are not being served by a licensed and insured third party vendor, are prohibited (i.e., amounts of alcohol greater than what a reasonable person should consume over the duration of an event).

3. Alcohol products above 15% ABV (30 proof) will be prohibited on all chapter premises or at any chapter event, except when served by a licensed and insured third-party vendor.

4. Alcoholic beverages must either be:

- a. Provided and sold on a per-drink basis by a licensed and insured third-party vendor (e.g., restaurant, bar, caterer, etc.); or
- b. Brought by individual members and guests through a bring your own beverage (“BYOB”) system.

Alcoholic beverages must not be purchased with undergraduate chapter funds or funds pooled by members or guests (e.g., admission fees, cover fees, collecting funds through digital apps, etc.).

5. Open parties, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, shall be prohibited. Attendance at events with alcohol is limited to a 3:1 maximum guest-to-member ratio, and must not exceed local fire or building code capacity of the chapter/organizational premises or host venue.

6. An undergraduate chapter must not co-host or co-sponsor, or in any way participate in, an activity or event with another group or entity that purchases or provides alcohol.

7. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal “drinking age”).

8. The possession, sale, or use of any illegal drugs or controlled substances while on chapter premises or during a fraternity event, or at any event that an observer would associate with the fraternity, is strictly forbidden.

9. No chapter may co-sponsor an event with an alcohol distributor, charitable organization, or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold, or otherwise provided to those present. A chapter may rent or use a room or area in a tavern as defined above for an event held within the provisions of this policy.

10. All recruitment or rush activities associated with any chapter will be non-alcoholic. No recruitment or rush activities associated with any chapter may be held at, or in conjunction with, an alcohol distributor or

tavern as defined in this policy.

11. No member or pledge/associate member/novice shall permit, tolerate, encourage, or participate in “drinking games” with hard liquor or which involves duress, excess drinking or encouragement related to the consumption of alcohol.

12. No alcohol shall be present at any pledge/associate member/novice program, activity or ritual of the chapter. This includes, but is not limited to activities associated with "bid night," "big brother–little brother" events or activities, "family" events or activities, and initiation.

Hazing

No chapter, colony, student or alumnus shall conduct or condone hazing activities. Permission or approval by a person being hazed is not a defense. **Hazing is any action taken or situation created intentionally** that causes embarrassment, harassment, intimidation or ridicule, risks emotional or physical harm to members whether initiated or not, regardless of the person's willingness to participate.

Sexual Abuse and Harassment

The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental, or emotional. This is to include any actions activities or events, whether on chapter premises or at an off-site location which are demeaning to women or men, such as verbal harassment. The fraternity will not tolerate sexual assault in any form. The employment or use of strippers, exotic dancers or similar, whether professional or amateur, at a fraternity event as defined in this policy, is prohibited.

Fire, Health, and Safety

All chapter houses should meet all local fire and health codes and standards.

All chapters should post emergency numbers for fire, police, and ambulance, and should have posted evacuation routes on the back of the door of each sleeping room.

All chapters should address engineering recommendations as reported by the insurance company or municipal authorities.

The possession and/or use of firearms or explosive or incendiary devices of any kind within the confines and premises of the chapter house are expressly forbidden.

Education

Each chapter shall annually instruct its students in these risk management standards. Additionally, all students and alumni organizations shall annually receive a copy of the Psi Upsilon Risk Management Standards.

Psi Upsilon Fraternity Policy
Regarding
Reporting of Incidents Involving Bodily Injury or Property Damage

When an incident occurs as a result of a fraternity-related activity (official and “unofficial”) or while on Fraternity property, causing bodily injury or property damage to any person, the incident must be reported to the Fraternity's Executive Director within 24 hours. The Executive Director will determine the actions to be taken subsequently.

While reporting of all incidents involving bodily injury or property damage is required, timely reporting of incidents involving the following is critical:

- Fatality
- Spinal cord injury
- Brain injury
- Severe burns
- Total or partial blindness
- Amputation
- Permanent disability
- Multiple fractures
- Sexual assault and misconduct

The chapter must also immediately report to the Fraternity's Executive Director:

- Any hazing incidents
- Any lawsuits or subpoenas served on you, your chapter or on Psi Upsilon Fraternity by an officer of the court.
- Any contacts by an attorney or investigator asking about an occurrence that happened at the Fraternity or that involved Fraternity members.

Failure to report incidents may breach Psi Upsilon's duty to notify our insurance carrier of potential claims and may result in a loss of coverage.

Medical Good Samaritan Policy

Individual

If a member assists another person in obtaining immediate and appropriate medical care related to the use or consumption of alcohol, drugs, or to another medical emergency, by calling 911, then that member, as well as those who are assisted, will not be subject to individual disciplinary action from the Executive Council of Psi Upsilon with respect to the incident. This is the case even if the member who is assisting was a contributing factor to that emergency. Abuse of the policy may receive stricter scrutiny.

Chapter

A chapter that seeks immediate and appropriate medical care for a person in need related to the use or consumption of alcohol, drugs, or to another medical emergency, by calling 911, may be eligible for mitigation of charges from the Executive Council of Psi Upsilon related to violations of organizational policies. To be eligible for this potential mitigation, the chapter will be required to meet in person or by phone with an international staff member or an alumni volunteer designated by the Executive Council. Abuse of the policy may receive stricter scrutiny.

Adopted by the Executive Council of Psi Upsilon 2/10/2018

Last updates 10/24/2020

Should a situation arise in which a member or guest needs medical help, a member should IMMEDIATELY call 911 and get them the help that is needed. Immediately after calling 911, the chapter Archon, or an appropriate officer, should call the Executive Director Thomas Fox at (317) 571-1833 x 103 and their Chapter Advisor.

Psi Upsilon Policy Regarding Financial Responsibility

Whereas: Membership in Psi Upsilon Fraternity is a privilege which carries certain duties and obligations; and,

Whereas: Payment of membership fees and taxes is a primary obligation of each member and chapter of Psi Upsilon Fraternity; and

Whereas: Members and chapters who fail in their primary obligation to the International Fraternity unfairly place the financial burden of membership in Psi Upsilon on their brothers; and

Whereas: No brother or chapter should be allowed to use the name, history, and heritage of Psi Upsilon Fraternity without meeting their primary obligation to the Fraternity; therefore be it

Resolved: Any chapter unable to pay an invoiced assessment should contact the office of the International Fraternity before the obligation is due, to establish a suitable payment schedule. If full payment of the obligation is not made nor a suitable payment schedule is arranged within thirty (30) days after the mailing of the invoice, notice will be sent to the chapter president and the chapter alumni president that unless full payment is made or a suitable payment schedule is arranged immediately, the chapter shall be required to contract with a chapter financial services company acceptable to the Executive Council within fifteen (15) days.

If payment is not made, a suitable payment schedule arranged with the office of the International Fraternity, or a contract with a financial services company signed within the aforementioned time frame (45) days of the original invoiced mailing, the Executive Council may suspend the charter of the said chapter until such time as payment is made or a suitable payment schedule has been arranged.

Notice of the suspension of the charter for failure to meet financial obligations shall be given to the chapter president, the chapter alumni president, and, at the discretion of the Executive Council, notice may also be provided to other parties, as appropriate.

Psi Upsilon Policies Regarding Pledge Reports, Membership Fees, and Badges

Pledge Reports

The Pledge Report is the critical first step in obtaining accurate information about our members. As an incentive for the timely submission of the Pledge Report, *College Tablets* and pledge pins are shipped to the chapter without charge. If the Pledge Report is submitted late; i.e., after the pledge has been initiated, the chapter or individual may purchase the *College Tablet* for \$25 and a pledge pin for \$10.

Membership Fee

Psi Upsilon's Constitution provides that membership in a chapter and payment to the International Fraternity of the initiation fee, constitutes membership in the Fraternity. Stated differently, if the membership fee is not paid, the initiate is not a member of Psi Upsilon and runs the risk of being stricken from the rolls. The Membership Fee is due at the time of initiation and in order to encourage prompt payment of the Membership Fee, Psi Upsilon provides a badge and certificate for each brother whose initiation is reported, and whose membership fee is paid, on a timely basis.

Badges

In order to receive badges and membership certificates on a complementary basis, a brother's initiation be must be reported and the membership fee paid, during the fiscal year in which he is initiated. Psi Upsilon' s fiscal year ends on June 30. A brother whose initiation fee is paid after June 30 may receive a badge and certificate upon payment of \$65.00.

**Psi Upsilon Fraternity Policy
Regarding
Wearing of Badges**

Resolved:

That Psi Upsilon badges shall be worn over the heart on the breast pocket of a vest or shirt, and not on open display.

Adopted by the 135th Convention

Psi Upsilon Fraternity Policy
Regarding
Trademarks

Official versions of the Fraternity insignia shall be protected by trademark registration. The design or representation of the badge, coat-of-arms, chapter coat-of-arms, Executive Council seal, pledge button, flag, Greek and/or Roman letters Psi Upsilon and the words "Psi Upsilon" when used in combination to denote Psi Upsilon Fraternity shall not be manufactured, created, used or offered for sale by any person, company or firm except as specifically authorized in writing by the Executive Council or its designee.

Only the Executive Council or its designee may authorize commercial reproduction of the Fraternity's insignia including the words "Psi Upsilon," any design or presentation of the badge, coat-of-arms, chapter coat-of-arms, Executive Council seal, pledge button, flag, Greek and/or Roman letters Psi Upsilon and the words "Psi Upsilon" when used in combination to denote Psi Upsilon Fraternity. Anyone wishing to acquire merchandise bearing any insignia of the Fraternity shall obtain those items only from vendors that are currently authorized to produce or market official Psi Upsilon merchandise.

Active chapters may utilize local commercial firms to produce material for their own chapter needs as long as such material is approved by the Executive Council or its designee. Any text or design which casts the Fraternity in a negative light or is otherwise contrary to the ideals of the Fraternity, specifically including but not limited to any materials deemed to promote alcohol abuse or illegal substance use or any material considered to be sexist or demeaning to women or other persons, will not be approved.

Diversity and Inclusion Policy

Psi Upsilon promotes the highest level of moral, intellectual, and social excellence, which includes fostering an environment of respectful and civil discourse, and encouraging each member to use their individual talents and abilities for the benefit of the Fraternity, campus life, and society.

Identifying diversity is to recognize the differences and similarities in the characteristics and attributes that make each one of us unique. These can include, but are not limited to, an individual's; race, ethnicity, religion, sexual orientation, gender, physical ability, age, school of political thought or socioeconomic background. Diversity can also encompass where people are from, where they have lived, and differences in their core beliefs and life experiences.

Diversity in our membership does not threaten our common bonds, but rather leads to a richer dialogue between members, yields a deeper and more meaningful college experience, and provides greater opportunities for our members' individual personal growth.

Brothers are expected to reach out to those who share the values of Psi Upsilon, and to harness our membership's differing talents and passions to improve the chapter, their campus, and themselves.

Adopted by the Executive Council of Psi Upsilon 6/6/18

Rulemaking Policy

The Executive Council of the Psi Upsilon Fraternity is empowered by the Psi Upsilon Constitution to make changes to fraternity policy between Conventions. In order to ensure that chapters and alumni leadership

- are aware of any such policy changes,
- have an opportunity to voice any questions or concerns they have about new policies, and
- are given sufficient time to implement the changes,

the Executive Council will follow this procedure when making any material change to fraternity policy. This procedure in no way changes or limits the ability, guaranteed by the Constitution, of the Convention to review the Executive Council's actions.

1. Notice of new policy discussion: When possible, the Executive Council will send a notice to chapter and alumni leadership in advance of regularly scheduled meetings with a short summary of any policy changes they expect to discuss.

2. Notice of policy changes: Following each meeting of the Executive Council, they will send a notice to chapter and alumni leadership containing all policy changes approved at that meeting.

3. Comment period: Notices as described above will include a link to a page on the Fraternity website allowing comments on the proposed or accepted changes. The Executive Council will review those comments and may reopen discussion or amend the policy.

4. Effective dates: Barring exceptional circumstances:

- Any changes approved during a Convention will take effect no earlier than one month from the closing of that Convention.
- Any changes approved outside of a Convention will take effect no earlier than the next Convention.

5. Emergency changes: In cases relating to health and safety of members, or other emergencies, the Executive Council may make policy changes with no prior notice and with immediate effect. In these cases, the Executive Council will still provide notice of these changes to chapter and alumni leadership after passage, and such notice will include an explanation of the reasons for emergency action.

Psi Upsilon Convention Rules

I

The Convention of the Fraternity shall be the primary source of legislation governing the Fraternity (Article II, Section 1 of the Constitution). It shall be convened annually in accordance with Article II, Section 2 of the Constitution. To fulfill its function and accomplish its purpose, the Convention shall be conducted according to long-standing procedures, subject to periodic modifications as circumstances develop.

II

An accredited delegate of the Executive Council or a representative of the host chapter shall call the Convention to order and shall appoint a Temporary President and Temporary Recorder.

III

Thereafter the Temporary President shall appoint a committee to deal with credentials and permanent organization, which shall consist of not less than three accredited delegates.

IV

The Convention shall consist of accredited delegates representing the undergraduates and alumni of the Fraternity (Article II, Section 2). Each chapter shall send to the Convention, with written credentials, two of its undergraduate members as delegates, who shall be the official representatives of such undergraduate chapters and shall cast its votes (Article II, Section 3). The official alumni organization of each chapter shall send one duly accredited delegate to the Convention with the power to cast one vote (Article II, Section 4). The Executive Council shall designate three accredited delegates to each Convention, and each such delegate shall be entitled to cast one vote (Article II, Section 4).

V

Each chapter in Convention shall be entitled to one vote for each accredited delegate in attendance (Article II, Section 3). No delegate to the Convention, regardless of whether or not representing more than one certified interest, shall be given more than one vote. All undergraduates and alumni of the Fraternity, and also invited guests, shall be welcome to attend and to participate in general and committee meetings, but without voting privileges.

VI

A quorum shall consist of accredited delegates from at least two-thirds of the active chapters (Article II, Section 3). It is expected that every active chapter shall be represented. No chapter shall be entitled to voting privileges at a Convention which, ten days prior to the meeting thereof, shall not have paid all assessments and other money payable to the treasury of the Fraternity, unless otherwise provided by the Convention (Article II, Section 2).

VII

The permanent officers shall be a President, one or more Vice Presidents, a Recorder, and one or more Assistant Recorders. The President shall preside at all general meetings of the Convention. In the event of his absence, disability, or expressed wish, the Vice President or in the case of more than one Vice President, the oldest in class seniority, shall preside. The Recorder and the one or more Assistant Recorders shall record the proceedings of the Convention, and within seven days of the final adjournment, they shall transmit to the Executive

Office the records and papers relating to the Convention.

VIII

Upon reconvening, the Convention shall receive and act upon the report of the Committee on Credentials and Permanent Organization. The Permanent President shall thereupon succeed the Temporary President as the presiding officer. He shall appoint one or more Parliamentarians. Roberts' Rules of Order shall be the general authority for procedure.

IX

The Convention shall receive the Annual Communication of the Executive Council, which shall include a report of the general state of the Fraternity, a review of the activities and developments since the last Convention, a projection of future activities and directions, a description of pending or anticipated matters, and proposals for the consideration of the Convention.

X

The Convention shall also receive a report from every active chapter, which shall include membership statistics, academic and campus standing, financial condition, unique features, highlights of the previous year, philanthropic activities, principal concerns, and a projection for next year.

XI

The President may appoint Standing Committees of four or more delegates, including undergraduates and alumni, to address pertinent issues facing the Fraternity, encompassing singly or in combination at least the following: awards, budget, future Convention sites, new business, nominations to the Executive Council, nominations to the Alumni Advisory Board, and unfinished business.

XII

Convention time thereafter shall be apportioned between committee meetings and general meetings. All resolutions and recommendations approved by a standing or special committee shall be referred to the Rules Committee which shall be composed of all standing and special committee chairmen, three alumni members appointed by the Permanent President of the Convention, and the Parliamentarian of the Convention, who shall serve as Chairman of the Committee. The Rules Committee shall determine the order in which resolutions, recommendations, and reports may be considered in the general meetings of the Convention and may return resolutions and recommendations to committees if they duplicate prior resolutions and/or recommendations already considered appropriately by other Convention committees. Committee Chairmen shall present the preliminary and final reports at general meetings, in the order determined by the Rules Committee, in the form of resolutions, requiring a vote of the delegates, and/or recommendations, not requiring a vote. No general resolution requiring the expenditure of funds by the Fraternity shall be presented to the floor of the Convention unless it shall first have been examined by the Budget and Development Committee and the estimated cost thereof included in the proposed budget.

XIII

In general meetings the President shall call upon the committee chairmen in rotating order. Resolutions of a legislative character shall be termed General Resolutions; all others shall be

termed Special Resolutions. Resolutions may be initiated by delegates in general meetings whereupon, if it is a General Resolution, it shall be referred to the appropriate committee for consideration.

XIV

Resolutions shall be adopted by a majority vote of accredited delegates present, unless specified otherwise, as for the establishment of chapters (Article IV, Section 2), the termination of chapters (Article V, Section 1), disciplinary action for hazing (Article X, Section 1), or amendments to the Constitution (Article XIII). Votes shall be called for by voice; or by standing, if the decision is in doubt; or by roll call, if requested by any delegate.

XV

Undergraduates desiring membership on the Executive Council must present a letter of under 500 words to the Nominations Committee before its first meeting. The letter must state the candidate's qualifications, including reasons for seeking election, positions held in chapter, college and community and other pertinent information. An undergraduate need not attend the Convention to be considered for such office. Only one applicant from any chapter will be considered by the Nominations Committee. The Nominations Committee will select the five most qualified candidates to be presented to the Convention. If a candidate serves on the Nominations Committee, he or she will be recused from the discussion. If there are fewer than five candidates, the Nominations Committee shall present all candidates to the Convention. At an appropriate time, the candidates will have an opportunity to address the Convention for a maximum of two minutes. If a candidate is not present, a member of the Nominations Committee shall read the candidate's letter to the Convention. The Convention will then vote to elect two undergraduate members of the Executive Council by popular vote, with the third-highest recipient of votes to serve as an alternate undergraduate member of the Executive Council

XVI

These rules may be amended by a majority vote of accredited delegates present and shall remain in force until superceded. Any rule may be suspended by a two-thirds vote of the accredited delegates present.

**177TH PSI UPSILON CONVENTION
MINUTES OF THE CLOSING GENERAL SESSION
SUNDAY, JULY 25, 2021**

**MADISON BALLROOM
CONCOURSE HOTEL
MADISON, WISCONSIN**

President Jeremy McKeon, Eta '08, called the closing session of the 177th Psi Upsilon Convention to order at 2:25 p.m. on Sunday, July 25, 2021. On behalf of the entire Convention President McKeon extended its appreciation to the Rho Chapter and its alumni for sponsoring the cookout at the chapter house Friday and thanked everyone for their work in committees.

President McKeon then asked Brother Fox to call the roll of delegates. The roll was called, and a quorum was declared to be present.

President McKeon called upon Brother Rasmussen to review the parliamentary rules by which the Convention conducts its business. Brother Rasmussen then presented the report of the Rules Committee. He indicated that after reviewing the work of all the committees, they would be called in the following order and allowed the following times to present their reports and resolutions:

Nominations and Credentials	15 minutes
Unfinished Business	10 minutes
Budget & Development	10 minutes
Awards	15 minutes
New Business	10 minutes

The report of the Rules Committee was approved unanimously.

Committee on Nominations and Credentials

Zach Kempf, Phi Nu '23 presented the following resolution, which passed unanimously.

General Resolution #1

Whereas: The committee recognizes that all chapters have had financial difficulties lately due to world events including the COVID-19 pandemic; and

Whereas: The Delta, Upsilon, Phi, Omega, Pi, Rho, Zeta Zeta, Lambda Sigma, Delta Nu, Phi Nu, Tau Epsilon, Psi, Phi Delta, and Delta Omicron Provisional Chapters have outstanding fees due to the International Fraternity, be it

Resolved: That all voting rights are restored for this Convention to the listed chapters who lost voting rights due to financial matters as described in Article II section 2 in the constitution.

Brother Kempf continued with the following resolution, which passed unanimously.

General Resolution #2

Whereas: All chapters have experienced financial challenges due to the COVID-19 pandemic and restriction of events and gatherings; and

Whereas: These challenges have resulted in many chapters being unable to fully cover their financial obligations to the International Fraternity; and

Whereas: The Zeta, Xi, Eta, Omicron, Chi Delta, Epsilon Iota, Phi Beta Owl Club, Gamma Tau, and Alpha Omicron have managed to meet their financial obligations without debt to the International Fraternity, be it

Resolved: The Convention congratulates the Zeta, Xi, Eta, Omicron, Chi Delta, Epsilon Iota, Phi Beta Owl Club, Gamma Tau, and Alpha Omicron for their achievement.

Zach Kempf, Phi Nu '23, then on behalf of the Committee on Nominations and Credentials, placed in nomination the following brothers for election as the members of the Undergraduate Advisory Board:

Linsay Dial, Chi Delta '23
Matt Farleo, Gamma Tau '22
Jack Keane, Eta '24
Aidan Scheel, Tau Epsilon '24

After candidates who were present at the closing session addressed the Convention, Brother Dial was elected by written ballot for one-year term as one of the Undergraduate Advisory Board members and a runoff vote, also by written ballot, was conducted between Brother Farleo and Brother Scheel, resulting in Brother Scheel being the second elected delegate to the Undergraduate Advisory Board while Brother Farleo will serve as an alternate.

Brother Kempf then presented the following resolution, which passed unanimously.

General Resolution #3

Resolved: That the Committee on Nominations and Credentials nominates the following brothers as alumni term members to the Executive Council:

For a one-year term beginning at the conclusion of the Convention and ending in 2022:

Gregory P. Rupp, Phi '81,
James Platner, Phi Delta '10,
and Jon Szyrkowski, Epsilon Nu '06.

For a two-year term beginning at the conclusion of the Convention and ending in 2023,

Christian Brydges, Nu '95.

For a three-year term beginning at the conclusion of the Convention and ending in 2024,

David Hollis, Gamma Tau '11 and
Jeremy McKeon, Eta '08.

Brother Kempf then presented the following resolution, which passed unanimously.

Special Resolution #5

Resolved: That the Committee, acting upon a resolution submitted by the Executive Council, nominates Patrick J. Gilrane, Psi '82, to be an Honorary Life Member of the Executive Council out of respect and gratitude for his devotion and service to Psi Upsilon.

Committee on Unfinished Business

Aidan Scheel, Tau Epsilon '24, presented the following recommendation.

Recommendation #1

Whereas: The attendance at the Psi Upsilon convention is required of all active chapters by the constitution of the Psi Upsilon fraternity; and

Whereas: Chapter representation at the Psi Upsilon convention serves to strengthen inter-chapter bonds; and

Whereas: The Xi, Omicron, Sigma Phi, and Theta Theta chapters were not in attendance for the 177th Convention; therefore be it

Recommended: That the Executive Council strongly encourage the aforementioned chapters to attend future Psi Upsilon conventions.

James Bentayou, Upsilon '23, presented the following recommendation.

Recommendation #2

Whereas: The attendance at the Psi Upsilon convention is required of all active chapters by the constitution of the Psi Upsilon fraternity; and

Whereas: Chapter representation at the Psi Upsilon convention serves to strengthen inter-chapter bonds; and

Whereas: The Zeta, Tau, and Beta Beta, chapters have not attended the 176th or the 177th Convention; therefore be it

Recommended: That the Executive Council strongly encourage the aforementioned chapters to attend future Psi Upsilon conventions.

Jeremy Young, Epsilon Iota '22, presented the following recommendation.

Recommendation #3

Whereas: The attendance at the Psi Upsilon convention is required of all active chapters by the constitution of the Psi Upsilon fraternity; and

Whereas: Chapter representation at the Psi Upsilon convention serves to strengthen inter-chapter bonds; and

Whereas: The Zeta Zeta chapter was unable to attend the 177th Convention due to Canadian government COVID-19 restrictions; and

Whereas: The chapter's participation in past conventions has been excellent; and

Whereas: The 177th Convention misses their fraternal bonds; therefore be it

Recommended: That the 177th Convention urges the Zeta Zeta chapter to make every effort to attend the 178th Convention.

Dashiel Heidt, Gamma Tau '22, presented the following resolution, which passed unanimously.

Special Resolution #6

Whereas: Our staff has gone above and beyond to ensure a successful convention; and

Whereas: Without the efforts of our staff, the convention would not have been as successful as it has been; therefore be it

Resolved: The 177th Convention express its sincere gratitude to the hardworking staff for all the work they have done over this weekend. Thank you to: Thomas J. Fox, Omicron '00, Executive Director; Bethann Taylor, Director of

Administration; Jonathan Chaffin, Gamma Tau '00, Director of Engagement; Renee Beck, Donor Relations Specialist; Wendy Alexander, Administrative Assistant; Stephan Oeschle, Phi Kappa Theta Fraternity, Director of Chapter Services; and intern, Javon Jones, Gamma Tau '24.

Bennett Macaulay, Pi '24, presented the following resolution, which passed unanimously.

Special Resolution #7

Whereas: The Rho Chapter hosted the 177th Psi Upsilon Convention; and

Whereas: The Rho Chapter hosted a cookout at their chapter house on the first night of the convention; and

Whereas: Charles Leicht, Rho '67 especially went above and beyond in his service to the 177th convention; therefore be it

Resolved: That the committee on Unfinished Business on behalf of all members, extend a thank you to the Rho Chapter for hosting the 177th Convention.

Karren Cao, Delta '21, presented the following resolution, which passed unanimously.

Special Resolution #8

Whereas: We have had no issues as a group and have been satisfied with our accommodations; therefore be it

Resolved: That the committee on Unfinished Business extend a thank you to the Madison Concourse Hotel for a stay on behalf of all the 177th Psi Upsilon Convention delegates and guests.

George Rouman, Rho '22, presented the following resolution, which passed unanimously.

Special Resolution #9

Whereas: All the chapters, their delegates, and alumni who attended the 177th Convention have made it a successful event; therefore be it

Resolved: That the committee on Unfinished Business on behalf of all members extend a thank you to everyone present.

Jack Lightfine, Eta '24, presented the following resolution, which passed unanimously.

Special Resolution #10

Whereas: The staff of the International Office provided continuity and exceptional service to the fraternity and the foundation during the COVID-19 pandemic; therefore be it

Resolved: The 177th Convention extend a special thanks to the International Office and the Foundation.

Dashiel Heidt, Gamma Tau '22, presented the following recommendation.

Recommendation #4

Whereas: The Alpha Omicron chapter is celebrating its 25th anniversary, in 2024; and

Whereas: The Alpha Omicron chapter has never hosted a convention; therefore be it

Recommended: That Newark be considered as the site of the 180th Convention.

George Rouman, Rho '22, presented the following recommendation.

Recommendation #5

Whereas: The Lambda Sigma chapter has never hosted a convention; therefore be it

Recommended: That Malibu be considered as the site of the 180th Convention.

Karren Cao, Delta '21, presented the following resolution, which passed unanimously.

Special Resolution #11

Whereas: The 177th Convention reviewed the records of the 176th Convention and the Executive Council minutes for 2019-2020 and 2020-2021 years; therefore be it

Resolved: That the 177th Convention reviewed the actions of the Executive Council taken since the 176th Convention, ratifies those actions, and thanks the Executive Council for its service and attention to the business of the fraternity during that time.

Committee on Budget and Development

Sarah Teixeira, Chi Delta '21, presented the following resolution, which passed unanimously.

Special Resolution #12

Resolved: That the 177th Convention reviewed the financial statements for the 2020-21 fiscal year through June 30, 2021 and found them acceptable.

Drake Witt, Gamma Tau '22, presented the following resolution, which passed unanimously.

Special Resolution #13

Whereas: The 177th Convention notes both the past debts of the Beta Beta Chapter from years prior to the pandemic and their outstanding assessments from the current year; and

Whereas: It is the expectation of the 177th Convention that steps are taken by the Chapter to improve its financial governance; therefore

Resolved: That any failure to improve significantly the debt of the Chapter to the Fraternity and any failure to pay in full 2021-2022 assessments will result in a review of the Chapter's status at the 178th Convention.

Lucas Baumgartner, Delta Omicron Prov '22, presented the following recommendation.

Recommendation #6

Whereas: The 177th convention reviewed the budget for the fiscal year 2021- 2022 with projected revenues of \$612,225 and projected expenses of \$664,481; therefore, be it Recommended: That the Executive Council adopt the proposed budget for 2021-2022 fiscal year as presented.

Conor Hogan, Pi '23, presented the following resolution, which passed unanimously.

Special Resolution #14

Whereas: The Canadian chapters of Psi Upsilon have historically been subject to the currency fluctuations between the currencies of United States and Canada; and

Whereas: Fluctuating exchange rates can have a detrimental effect on Canadian chapters; be it

Resolved: That the Initiation Fee, Member Tax and Chapter Services fees paid by Canadian chapters shall be fixed at the current five year average of 0.80 USD / CAD, rounded up to the nearest \$5 increment; be it further

Resolved: That the committee on Budget and Development shall review the exchange rate periodically and consider changes to the exchange rate as needed.

Committee on Awards

Jeremiah Ericson, Gamma Tau '23, presented the following resolution, which passed unanimously.

General Resolution #4

Whereas: The Beta Beta, Eta, Omicron, Epsilon Nu, Alpha Omicron, Delta, Omega, and Chi Delta chapters exceeded the all men's average or the campus average for the previously reported academic year; be it

Resolved: That the Convention recognizes the following chapters for the Garnet and Gold Award for Academic Excellence:

Beta Beta, Eta, Omicron, Epsilon Nu, Alpha Omicron, Delta, Omega, and Chi Delta

Kasey Chan, Delta '24, presented the following resolution, which passed unanimously.

General Resolution #5

Whereas: This past academic year was extremely hard for all students considering the stress of the pandemic and adapting to constantly changing academic courses. Some chapters did not even have in person classes; and

Whereas: Various brothers were not allowed to live in their own fraternity houses or on campus; and

Whereas: Some Universities decided to forgo the typical grading system; and

Whereas: Most students did not have normal access to previously expected resources; be it

Resolved: That the Convention recognizes the following chapters for the Owl Award for Exceptional Academic Performance:

Delta, Zeta, Phi, Omega, Tau, Omicron, Zeta Zeta, Epsilon Nu, Gamma Tau, Alpha Omicron, and Upsilon

Nicholas Annechino, Upsilon '23, presented the following resolution, which passed unanimously.

General Resolution #6

Whereas: The Rho, Beta Beta, Pi, and Lambda Sigma chapters raised a significant amount of money for various charities; and

Whereas: The Zeta, Lambda Sigma, Omicron, and Alpha Omicron chapters gave a substantial amount of their time and effort to help further the mission of many different causes; be it

Resolved: That the Convention should give the Clasped Hand Award for Outstanding Philanthropy and Service to the following chapters:

Zeta, Lambda Sigma, Omicron, Rho, Pi, Beta Beta, and Alpha Omicron

Andrew Newman, Phi Delta '23, presented the following resolution, which passed unanimously.

General Resolution #7

Whereas: Campuses all over the country were closed to residential students and in-person instruction at the same time requiring brothers live at home within a limited family bubble without much in person social interaction outside their immediate families, thus causing many brothers to feel in limbo because most Universities did not schedule a return to campus or even schedule in-person classes; and

Whereas: The Gamma Tau chapter at Georgia Tech established a Discord server for recruitment purposes and invited other chapters of Psi Upsilon to communicate over the Discord server; and

Whereas: Duke University deferred recruitment for Greeks one year and most fraternities left campus with only four fraternities remaining, whereupon the Chi Delta volunteered to help the campus Interfraternity Council by assuming three of the five officer positions for the Interfraternity Council at Duke, thus preserving the Interfraternity Council for the other Fraternities at Duke University in the future, be it

Resolved: That the Convention present the Award of Distinction the Gamma Tau Chapter and Chi Delta Chapters.

Andrew Newman, Phi Delta '23, presented the following resolution, which passed unanimously.

General Resolution #8

Whereas: The Tau Epsilon chapter faced a significant challenge related to a large number graduating seniors and Covid 19 struggles; and

Whereas: The Tau Epsilon chapter was one of the smallest fraternities at Clemson, and

Whereas: The Tau Epsilon chapter changed their rush strategy and utilized small, direct conversations with potential members, and

Whereas: The chapter recruited 24 new members, which doubled the size of Tau Epsilon; be it

Resolved: That the Convention present the Award of Distinction the Tau Epsilon Chapter.

Flavio Gualtieri, Omega '23, presented the following resolution, which passed unanimously.

General Resolution #9

Whereas: The Movember Foundation supports various men's health causes, ranging from mental health and suicide prevention to prostate cancer awareness; and

Whereas: Michael Dellon, Pi '17, started a Movember team in the Pi chapter as an undergrad and has helped the effort grow in the years since, with the amount raised increasing from \$7,000 the first year to \$29,000 in 2019; and

Whereas: The Pi Chapter raised over \$48,000 in support of the Movember Foundation in the fall of 2020; be it

Resolved: That the Convention present the Award of Distinction the Pi Chapter.

Flavio Gualtieri, Omega '23, presented the following resolution, which passed unanimously.

General Resolution #10

Whereas: The Phi Beta Owl Club worked diligently to plan and promote a career services program open to all students; and

Whereas: The Phi Beta worked with its alumni association to put a focus on creating a program campus wide to help manage stress, anxiety, and other emotional issues during finals; be it

Resolved: That the Convention present the Award of Distinction the Phi Beta Owl Club.

Committee on New Business

David Hollis, Gamma Tau '11, presented the following resolution, which passed unanimously.

General Resolution #12

Whereas: The New Business Committee has reviewed the proposed editorial changes to the Initiation Ritual; and

Whereas: The New Business Committee feels these changes effectively represent the gender diversity of our members; therefore be it

Resolved: That the editorial changes for more gender-inclusive language in the Initiation Ritual, as reviewed by the New Business Committee, be adopted.

Mae Ensley-Field, Epsilon Iota '15, presented the following recommendation.

Recommendation #7

Whereas: Mental health wellness and awareness are important for college students; and

Whereas: The Fraternity is in a unique position to help normalize mental health issues, educate members on where to get help, and offer a supporting environment; therefore be it

Recommended: that every chapter appoint or elect a “Health and Wellness Chair” or create an equivalent position in the chapter to oversee a committee tasked with:

- Participation in the “You Can Help a Brother” or other training program provided by the International Office to assist members with identifying signs of distress, appropriately intervening, and finding help.
- Coordinating participation in a local Out of Darkness Walk or similar service activity to help lessen stigmas around mental health issues and raise awareness at least once a year where all members able are expected to participate.
- Identification of all campus and additional local contacts for mental health support, as well emergency numbers and the suicide prevention hotline and sharing this information at a chapter meeting and new member education at least once a term, and if there is a physical chapter house also posting the information in a publicly visible place.
- Encouraging participation in any additional campus programs that can help support mental health awareness.
- Inviting a speaker to address the chapter at least once a year from your campus counseling center or other local resource to review services and discuss topics like managing stress, proper rest, etc.

Lindsay Dial, Chi Delta '23, presented the following resolution, which passed unanimously.

Special Resolution #15

Whereas: Psi Upsilon strives for academic excellence and believes we should hold our members to high academic standards; and

Whereas: The Chapters should foster intellectual growth by maintaining an environment of professional and academic excellence; therefore be it

Resolved: The Executive Council should review the revisions that the New Business Committee made on the draft of the policy on Academics and Intellectual Engagement, and determine whether to adopt that policy.

Davis Friedman, Upsilon '23, presented the following recommendation.

Recommendation #8

Whereas: Many undergraduate attendees to Conventions are unaware of the Undergraduate Advisory Board before arriving; and

Whereas: There may be undergraduate Brothers who wish to participate in the Undergraduate Advisory Board but cannot attend Convention; therefore be it

Recommended: That the Executive Council reach out to chapter leadership in advance of 178th Convention to discuss the Undergraduate Advisory Board and promote applying for membership.

Upon a motion duly made by Harold Ochsner, Xi '57, seconded by John Ong, Gamma '82, and approved unanimously, the 177th Psi Upsilon Convention was adjourned sine die at 4:04 p.m.

EXECUTIVE COUNCIL INFORMATION

**178th
Psi Upsilon
Convention
& Leadership Institute**

Washington, DC • July 22-25, 2022

**THE ANNUAL COMMUNICATION
OF THE
EXECUTIVE COUNCIL
TO THE
178th PSI UPSILON CONVENTION**

The Madison Hotel
Washington, D.C.

From Madison, Wisconsin to the Madison Hotel, our Brotherhood returns to our nation's capital for the 178th Convention of Psi Upsilon! This is only the fourth time that we have held our convention here in Washington D.C., with the first occurrence being in 1929, hosted by the Eta Chapter (Lehigh University). The 27th President of the United States and 10th Chief Justice of the Supreme Court, William Howard Taft, Beta 1878 addressed that 87th Convention of Psi Upsilon, stating:

Twenty-seven chapters! That combines a force that rightly directed will mean much for the progress of our country. They represent the character of men that we need; men who are intellectual, who are strong, who are loyal, who have high ideals and have courage, have comradeship and are for the public and the country all the time, without talking about it. That last is exceptional. I am glad and proud to belong to it.

Nearly a century later, Psi Upsilon is in a very similar situation, currently with twenty-five active chartered chapters, one provisional chapter, and one owl club. So much has changed over the past ninety-three years, yet so much has stayed the same. The men and women of our Brotherhood have shaped the progress of our countries for the past 189 years. At that same convention, petitions were received from three local groups to become chapters of Psi Upsilon. The petition from the Pi Upsilon Society from the University of Kansas failed to receive the necessary votes, but the petitions from groups from Northwestern University and the University of British Columbia passed, paving the way for what eventually would become the Epsilon Omega and the Zeta Zeta chapters of Psi Upsilon.

As Taft put it so well, Psi Upsilon helps develop and elevate men and women with the character needed for our society, upholding our values of the highest moral, intellectual, and social excellence. The heart of recruitment of new members is obviously, partially for the perpetuation of our Brotherhood, but even moreso to extend our reach to those leaders of the next generation, who will continue to shape the progress of our world, and will be better trained and equipped to do so, because of Psi U. The same can be said for expansion of our Fraternity to colleges and universities that we have never been to before, as well as reactivation of chapters that we have lost along the years. By expanding our Brotherhood and increasing our membership, Psi Upsilon increases our impact upon the future as well as the quality of our society, by our undergraduates and alumni alike. At that same 1929 Washington, D.C. Convention, Emmett Hay Naylor, Zeta 1909, states so eloquently during his Annual Communication of the Executive Council:

Psi Upsilon's fundamental ideal has always been to choose for its members the best men it could find and then to make them better, finer gentlemen, truer friends, worthier men. That

ideal is attested by the great men who have worn and today wear our badge; and, equally, by those other brothers, less noted and much more numerous, whose lives that ideal has made better and more complete. For nearly a hundred years, Psi Upsilon has striven to represent the best in American college life. We are proud of our college record, proud of our eminent brothers; but if we remain static and rest on our pride in the past, we shall be false to our ideal of development. Nor should we concern ourselves too much with reflections on our prosperity and superiority. A great fraternity, if it would remain great, must think less of its personal salvation and more of its opportunity for service to its members and to the world.

It is too that high and noble goal, this past year we have hired a Director of Growth, Travis Smith, who is strongly focused on expanding new chapters, increasing membership of our active chapters, and assisting any of our struggling chapters. As the Executive Council, we also created a brand-new Expansion and Growth Committee, focused on the same areas as our Director of Growth, providing him additional resources and assistance from our board members and alumni as we develop new policies and plans as we focus on what the future of Psi Upsilon will look like. I would like to sincerely thank Thomas T. Allan IV, Theta Theta '89, Committee Chair; Garrett Gleim, Tau '01; Matt Miller, Phi Nu '11; Madison Turkette, Delta Omicron '19; and Brighten Meade, Phi Beta '21 for serving on that committee for its inaugural year. The Psi Upsilon Foundation, in conjunction with the Executive Council and the Expansion and Growth Committee, are developing an Emerging Chapter Fund that will raise the well needed funds specifically for the support of excellence in new and recolonizing chapters.

I am honored to work closely with our incredible Brothers on the Foundation Board of Directors: first and foremost, the President, Chairman, concierge, party planner, janitor, bricklayer, and pool boy of the Foundation, Alexander C. Senchak, Eta '06; Matthew J. Eckenrode, Epsilon Nu '04, Vice Chairman; Patrick J. Gilrane, Psi '83, Chairman Emeritus; Martin Brayboy, Gamma '84, Secretary; John F. H. Ong, Gamma '82, Treasurer; Garrett Gleim, Tau '01; Doug Jackman, Omega '89; Gary G. Pan, Eta '86; Larry Rakers, Omicron '86; and James Volpentest, Theta Theta '90. It is the tireless work of this group, raising funds and innovating new means of leading Psi Upsilon into the future.

Our work on growth and expansion, as well as the hard work of the Phi Beta Alumni Association, has already begun to pay off. The Phi Beta Owl Club (William and Mary) initiated 16 new members as their first class of Brothers after the recolonizing members. They have also successfully petitioned the IFC on campus to become a recognized fraternity. Additionally, after facing some significant challenges this year the Delta Omicron Provisional Chapter (Purdue University) remained driven to becoming a fully chartered chapter of Psi Upsilon and committed to growing our Brotherhood on their campus. The development of our Expansions and Growth Plan also includes and prioritizes recolonizing our inactive chapters at the Theta (Union College), the Lambda (Columbia University), the Iota (Kenyon College), the Chi (Cornell University), the Rho (University of Wisconsin), and the Delta Nu (Keene State College).

Our Executive Council and Foundation Directors are dedicated and diligent volunteers, but we would be able to accomplish very little without the outstanding staff of the Fraternity and Foundation! The Psi Upsilon Fraternity has had Tom Fox, Omicron '00 at the helm for the past 10 years as our Executive Director! Tom, there is an entire generation of Psi Upsilon Brothers

who know you as the face of Psi Upsilon, and who also cannot think of Risk Management without also seeing your face. I deeply thank you for your unwavering dedication and service to our Brotherhood.

Tom leads our illustrious and growing team of Fraternity staff, each of whom share their incredible talents from diverse backgrounds for the betterment and progress of our organization. Stephan Oechsle, Phi Kappa Theta, our Director of Chapter Services; Travis Smith, Sigma Alpha Mu, our Director of Growth; and Keith Willard, Lambda Chi Alpha, our Member Services Coordinator make it possible for our Chapters to be the beacons of success that they are through: Town Hall meetings with Archons and Alumni Association Presidents, chapter visits, Commitment to Excellence retreats, as well as specialized training for chapters, Archons Academy, Leadership Institute, the Growth Summit, and Recruitment Certification.

The Chapter Leadership Coaching program is in its infancy, and we are looking for alumni volunteers connected with or geographically close to our chapters to be trained in the leadership coaching model. With training and Stephan's oversight, these committed alumni will be the conduit from the international office to the chapters, visiting the chapters more frequently and providing more personalized coaching for each individual chapter, than the international staff have ever been capable of. I thank Stephan for his work and experience in developing this program, as I also thank the number of alumni who will step up to the call to become a Chapter Leadership Coach.

It is directly related to the Chapter Services provided from the International Fraternity and the local alumni associations to each of our Owl Clubs, Colonies, and Chapters that fosters and leads to the outstanding success that we see achieved by our undergraduate Brothers.

- This year, the Lambda Sigma Chapter (Pepperdine University) raised over \$14,000 for Conquer Paralysis Now, formerly the Sam Schmidt Paralysis Foundation, with their annual Psi U Think You Can Dance event.
- The Pi Chapter (Syracuse University) raised over \$78,000 for men's health from mental health to cancer research through the Movember Foundation in 2021, making them one of the most successful teams in the world!
- In total, our undergraduate chapters have reported raising over \$138,000 for charities this academic year, and provided over 3,500 hours of service for the betterment of our communities!
- Throughout an academic year of returning to residing on campus, in person classes, and recruitment, we saw a sizable bump in our new member class sizes, totaling 457 newly initiated Brothers within this academic year.
- A few chapters really stood out with their recruitment success this year with above average new member classes, including the Epsilon Nu (Michigan State University) with 39 new members, the Omega (University of Chicago) and the Zeta Zeta (University of British Columbia) each with 31, and the Zeta (Dartmouth College) with 30, as well as the Delta (New York University) and the Epsilon Iota (Rensselaer Polytechnic Institute) that both more than doubled their chapter size.

- The Eta Chapter (Lehigh University) has often struggled academically as a chapter largely comprised of engineers, but this year through their Academic Plan, had the second highest GPA of all Fraternities in the Fall Semester, and then advanced further with the highest GPA in the Spring Semester, with over a third of the Brothers making the Dean's List. They attribute their success to "Academic Families" teaming Brothers of similar majors in different class years together.

Fostering all the successes of our Fraternity and leading way into our future are my fellow members of the Executive Council: David Hollis, Gamma Tau '11, Secretary; Timothy Zepp, Chi Delta '08, Treasurer; James Platner, Phi Delta '10; Jon Szykowski, Epsilon Nu '06; and an extra special thank you to Christian Brydges, Nu '95, Vice President; Jay LaPanne, Delta Nu '89; and Gregory Rupp, Phi '81; who will be ending their terms on the Executive Council. I thank you Brothers for your years of service going above and beyond for your Fraternity.

We are very fortunate to have a wealth of knowledge and experience from the Life Members of the Executive Council: Thomas T. Allan IV, Theta Theta '89; Mark D. Bauer, Omega '83; David A. B. Brown, Epsilon Phi '66; Charles M. Hall, Nu Alpha '71; Richard A. Rasmussen, Upsilon '72; James A. Swanke, Jr., Rho '80; and Evan W. Terry, Epsilon Phi '93; as well as our Honorary Life Members: Bradley R. Corner, Omicron '72; Murray L. Eskenazi, Lambda '56; Patrick Gilrane, Psi '83; Charles A. Werner, Omega '55; and William N. Wishard III, Delta Delta '64. This Fraternity truly has the honor to count these individuals amongst its members. I know each of them truly understand and appreciate all that Psi Upsilon has given them throughout their lives, and that is exactly why they give back, many times over, so that you, their fellow Brothers and future generations may receive the same, if not greater, experiences, trainings, and life lessons, than they have.

That is also why I stand here before you today. I had the realization upon writing this communication that I was elected to the Executive Council at the last Washington, D.C. Convention, which led to a further, more striking realization that I have been serving on this board for eleven years, and this will be my fourteenth Convention that I have had the pleasure of attending. Every year at Convention, I find myself reinvigorated in my love of Psi U, feeling blessed to count each of you as my Brothers, and my dedication to this lifelong Brotherhood. Convention is a very special time for our sacred order, and in the vein of constantly progressing, all while learning from and cherishing the rich history that has led us here, I am very excited to establish the Convention Planning Committee that will support our staff with the planning of themes, speakers, education, and comradery, establishing policies and expectations of host Chapters, as well as accepting and vetting recommendations for locations of future Conventions. Often you will hear it said that there are good Conventions and there our great Conventions. Our aim is that every year's Convention is great and greater than the last.

The committees of the Executive Council, the committees of the Foundation, the staff of the Fraternity, and the staff of the Foundation meet regularly throughout the year to continue on the business of our Brotherhood once Convention ends. We are eternally grateful for all of our committee members and everything that they have been able to achieve this year.

- The Social Impact Fellowship completed its second class of Fellows, capping it off with the first Social Impact Fellowship Retreat for the first two classes of the program
- The Psi U Connects Grant, established to facilitate educational programs and workshops, brought Dr. Barbara Hendrie, Kappa '80, the United Nations Environment Programme North American Director, to provide a lecture for the University of Wisconsin
- The Scholarship Committee awarded over \$44,000 in scholarships to 5 graduate recipients and 27 undergraduate recipients, all incredibly deserving Brothers
- The FishFund Venture Summit and the Gilrane Economic Symposium were hosted by enthralling panelist speaking as experts in their fields, and also provided opportunities for start up companies to present their outstanding ideas to potential investors

The impressive staff of the Psi Upsilon Foundation assure that all of our events go off without a hitch, every donor receives a heartfelt thank you, and we continue developing new ways to serve our members. I extend our sincere thanks to Jonathan M. Chaffin, Gamma Tau '00, Director of Member Engagement; Bethann Taylor, Director of Administration; Clanton Johnson, Alpha Phi Alpha Fraternity, Director of Donor Relations and Matthew Williams, Gamma Tau '96, Donor Relations Associate.

I look forward to a fantastic weekend in Washington, D.C., very likely exceeding the bland and dull Convention of 1929 that only included a reception by President Hoover at the White House with group photo, reception at the Senate and House by Vice-President Curtis with a tour of the reserved gallery by Senator Hiram Bingham, Beta 1898 and Republican Leader of the House John Q. Tilson, Beta 1891, a reception at the State Department hosted by Secretary of State Henry L. Stimson, Beta 1888, a reception at the Meridian House by former Ambassador to Spain Irwin B. Laughlin, Beta 1893, a journey to Mount Vernon where “special facilities were afforded”, a luncheon in Former President and Chief Justice Taft, Beta 1878’s honor, presided over by the President pro tem of the Senate, George H. Moses, Zeta 1890. We plan to have that beat within the first hour!

We spend our time here at Convention, as they did back in 1929, and we all will as we return back to our Chapters this Fall; enlivened in Psi Upsilon with our vision set on the future. A future where Psi Upsilon continues to shape the progress of the world as much as all of those Betas, and one Zeta, back in 1929. A future where recruitment and expansion is effortless when everyone is desirous of union, and the programming, and the benefits that Brotherhood provides. An incredible future for your and my Fraternity, because as Chief Justice Taft responded to his secretary when he was reminded of his commitment to refraining from social functions, he said, “This is Psi U, this is different.”

Yours in the bonds,

Jeremy K. McKeon, Eta '08

**The Executive Council of Psi Upsilon Fraternity
Special Meeting
Meeting conducted on Zoom**

Thursday, January 20, 2022

Confirmed Minutes

President Jeremy K. McKeon, Eta '08, called this special meeting of the 2021-2022 Executive Council to order at 8:37pm EDT. A quorum of members was present on the call, including the following:

Christian Brydges, Nu '95
Thomas Fox, Omicron '00 (ex officio)
David Hollis, Gamma Tau '11
Jeremy K. McKeon, Eta '08
Jay LaPanne, Delta Nu '89
Timothy D. Zepp, Chi Delta '08

President McKeon thanked everyone for attending and also attending the FRMT special meeting that preceded which discussed potential changes to the FRMT insurance program. These changes include having the policy move from an occurrence made to claims made policy, as well as removing the Self Insured Retention and replacing it with a deductible. The reinsurance company will move from RSUI to Lloyd's of London and some administrative changes including a new broker (Omni, replacing Holmes Murphy) and a new TPA firm to replace Creative Risk Solutions.

Brother LaPanne, as the FRMT delegate for Psi Upsilon Fraternity, made the motion to accept these proposed changes with FRMT and cancel our policy with RSUI effective February 1st and move forward with the new FRMT program. Brother Hollis seconded and the motion passed.

President McKeon instructed Brother Fox to keep the Executive Council informed and follow the instructions from the FRMT Executive Committee on next steps to move forward with the new program.

There being no other business Brother Brydges made a motion to adjourn, Brother LaPanne seconded and the motion passed.

The meeting was adjourned at 8:58 PM.

Respectfully submitted,
David Hollis, Gamma Tau '11

The Executive Council of Psi Upsilon Fraternity
Third Meeting of 2021-2022
Hyatt Regency
Bethesda, MD
March 5, 2022

Unconfirmed Minutes

President Jeremy McKeon, Eta '08, called the third meeting of the 2021-2022 Executive Council to order at 1:18 p.m. EST. A quorum of members was present, including:

Brad Corner, Omicron '72 (Honorary Life Member)
Thomas Fox, Omicron '00 (ex officio)
Jay LaPanne, Delta Nu
Jeremy K. McKeon, Eta '08
James Platner, Phi Delta '10
Richard Rasmussen, Upsilon '72 (Life Member)
Timothy D. Zepp, Chi Delta '08

Also in attendance:

Martin Brayboy, Gamma '84
Jonathan Chaffin, Gamma Tau '00 (Director of Member Engagement)
Garrett Gleim, Tau '01
Douglas Jackman, Omega '89
John Ong, Gamma '82
Gary Pan, Eta '86
Larry Rakers, Omicron '86
Alexander C. Senchak, Eta '06
Travis Smith, Sigma Alpha Mu (Director of Growth)

President McKeon welcomed all present to the Spring board meeting. He thanked the Foundation and Staff for the Social Impact Fellowship event on Friday and the reception that evening. He then proceeded to the **Consent Agenda**, which included the minutes of the July 25th, 2021 annual meeting of the Executive Council and the January 20th, 2022 special meeting of the Executive Council. Brother LaPanne made a motion to accept the consent agenda, seconded by Brother Zepp, which passed unanimously.

President McKeon then presented the **Report of the President**, commenting on the follow up session earlier this morning reviewing the goals set in December by the Executive Council and Foundation Board of Directors. Those goals were:

- Distill Values into a Philosophy / Framework, being coordinated by Brother Rasmussen
- Mentorship and Knowledge Sharing Program, being coordinated by Brother Gilrane
- Integrated Financial Modeling between the Fraternity and Foundation, being coordinated by Brother Zepp and Brother Ong
- Recruitment Guidance around legacy members, being coordinated by Brother Gleim

Then Brother Zepp gave the **Report of the Budget and Audit Committee**. He reviewed the unaudited financial statements ending January 31, 2022. Brother Zepp then discussed that increasing membership by 5%, either retaining current members or adding additional members, would increase the budget by approximately \$10,000 while adding little work to the chapter services team (except when you add a new chapter). Brother Zepp then asked Brother Fox to review the current membership of the fraternity and outstanding debt. Brother Fox noted that we initiated approximately 260 members in the Fall, about 20 more than expected, and 860 returning members, when only 800 were expected. A large part of the additional retention was due to a lack of study abroad options for many students in the Fall. Brother Fox then walked through some of the chapters with larger balances outstanding, and how everyone is now set up on a payment plan and adhering to it. About \$40,000 of debt from prior years has been collected so far this year, and at least another \$20,000 is expected by the end of the year. Every active chapter with outstanding debt has established a payment plan to eliminate their debt over the next 3 years. Brother Fox did bring up some concerns with some chapters that accrued a large amount of debt prior to Fall of 2020, notably the Phi Delta at Mary Washington and the Sigma Phi at Saint Francis, where we will have to work with the alumni groups to rectify their debt issues.

Brother Corner asked about the allowance for Bad Debt and if we need to increase it for 2021-22. Brother Zepp and Brother Fox both felt comfortable with the current estimate of \$15,000 ; especially since it was at \$40,000 in 2020-21.

Brother Pan asked about housing and if chapter houses were being filled. Brother Fox commented that each chapter was having different experiences. The Epsilon Nu Chapter at Michigan State was having its largest live in population in the last 20 years, while the Omicron Chapter at the University of Illinois was having difficulty having brothers sign leases. He commented on trends we're seeing on some campuses, where many apartments and other private housing have made the traditional fraternity house – with shared rooms and group bathrooms, less desirable.

Brother Rasmussen than commented that the Scholarship Committee, and scholarship policies, may need to be changed as he observed some chapters with larger outstanding debts were also receiving multiple grants, and if it was appropriate to penalize an individual for a chapter issue that may be out of their control. Brother Fox then brought up that it may be more appropriate for the Budget and Audit Committee to consider a strategy of eliminating the Member Tax and increasing the Initiation Fee but invoicing the individual members instead. This would take

considerable thought, transition and operational change but may be more appropriate for the organization and other fraternal and student organizations are considering this.

Brother McKeon then gave the **Report of the Nominations Committee** in place of Brother Brydges who couldn't be in attendance, he let everyone know that Brother Rupp was not planning on running for the Executive Council at Convention and was targeting at least 2 new EC Members to be join the board, as we currently have a vacant position as well.

Following that, Brother McKeon asked Brother Fox to give the **Report of the Bylaws, Policy and Governance Committee**. Brother Fox mentioned that the Committee is considering language to propose to the Convention with changes to the Constitution recommended by FRMT. In addition, we hope to have a Policy on Intellectual Engagement released soon. Brother Fox then discussed the struggles with the Undergraduate Advisory Board. Brother Rasmussen brought up the Education and Development Committee has discussed language around utilizing the monthly Archons Town Hall meetings to create a UAB experience where reports can be given directly to chapters on a regular basis and feedback could easily be gathered. In addition, we can expand involvement and encourage undergraduate participation on most every committee. Brother Pan reviewed his experience as a member of the UAB and its importance, and Brother Senchak pointed out the significance of having undergraduate representation at these meetings.

Brother Fox then moved to the **Report of the Awards and Recognition Committee**. He commended Brother Chaffin on recreating a physical medallion for all of our individual awards and we hope those are in our possession soon so we can get them to those who have received awards in the past soon. He reviewed the Interfraternal Service Award, that was created in the late 90s by the Psi U Convention. Brother Rasmussen pointed out that this award was given to both Mariann Williams and Jean Gileno at the 159th Psi Upsilon Convention in 2002 but had not been granted since.

The Committee recommended the Interfraternal Service Award be given posthumously to Ruth Sutherland, longtime chef of the Eta Chapter at Lehigh University, and asked everyone to review the nomination provided by Steve Moore, Eta '84, Gary Pan, Eta '86 and Tom Keating, Eta '84. Brother Pan spoke to her impact on the chapter. The resolution passed unanimously with a recommendation that the staff decide how best to recognize her contribution.

Brother Senchak then discussed the Foundation presenting the George L. Howell, Eta '55, Psi Upsilon Philanthropist Award to William McPherson, Phi '71.

Brother Rasmussen then gave the **Report of the Education and Development Committee**. He reviewed the list of current programs the fraternity has in place and the need to evaluate what we

can do well, or what we should focus on our partner college and universities to help provide. And if there is a program that we cannot administer well we should stop doing it. In addition we will provide a better description of these programs publicly on the Psi Upsilon website. Brother Rasmussen then discussed the educational sessions that are being planned at the upcoming Convention in Washington DC. He highlighted that this location gives us a particular opportunity as many college students look to work in Washington DC with nonprofits and political offices for co-ops and internships, and we can host a networking event. In addition he discussed a plan to formalize and regularly hold round tables as a part of our Leadership Institute every summer, including polling attendees for topics as a part of the registration process.

Brother McKeon then proceeded to the **Report of the Growth and Expansion Committee** and asked Travis Smith, Director of Growth, to review the draft Growth Plan that was included in the meeting materials. The plan is built around 3 modes of expansion – HQ Directed Growth, Alumni Association Directed Growth, and Student Interest Groups. HQ and Alumni Association Directed Growth allow us the ability to better plan a timeline, but are much more time consuming and expensive, while student interest groups are less reliable and difficult to control. Brother Rakers asked about ways we could utilize Search Engine Optimization or other strategies to help advertise Psi Upsilon on campuses that we would like to target. Travis shared that Psi Upsilon is a part of an NIC led scholarship program that will help give us names of high achieving incoming students. Brother Pan then asked about timing to ask alumni for recommendations and legacies. Travis thanked the committee for their input, particularly Brother Gleim who provided a sample Matrix to better evaluate institutions when they arise. Brother Pan inquired about what data we should be collecting to help identify campuses we should target. Travis did state that the Growth Plan is not a final document yet, and we'll be adding more information including a better plan of what to do once a interest group contacts us, or we recruit a class to start a chapter as well as expenses to plan for with any form of expansion. Members discussed the need for expansion but that we can't lose focus on the support and retention of our current chapters and brothers.

Travis then discussed some of the campuses that we have dormant chapters at but we would like to return to including Union, Columbia, Kenyon, Cornell, and Keene State as well as discussing his work with the Phi Beta Owl Club at the College of William and Mary.

Brother Fox and Brother McKeon thanked Travis for all his work in developing this plan.

Next, Brother Fox gave the **Report of the Executive Director**. He reviewed the high-level takeaways from the 2022 Archons Academy, with 20 chapters represented, including how the Birkman Assessment was integrated to the in person event, and the utilization of the HowSpace App to encourage pre- and post- event engagement. He then reviewed the schedule for the 178th Convention this summer in Washington DC, including the plan for a Friday night networking

event and a Saturday night DC United Soccer Game. He then discussed the Oral History Project that the Fraternity will be beginning in the Fall – we've partnered with PCI, the same company that does our Directory, to collect stories from alumni and create both a print and digital database of these stories that alumni can purchase, and staff can use for press and other opportunities as they arise.

Brother Fox then moved to the goals that the Executive Council set for him. The first was built around increasing Psi U's overall membership which the work that the Director of Growth and the Growth and Expansion Committee has been working on should help accomplish this. The second was engaging an Executive Coach – he has spoken to a couple firms and the process will be similar and include some form of personality assessment as well as a 360° evaluation that will engage staff and volunteers. He will follow up with Brother McKeon and the Administrative Committee at their next meeting prior to moving forward to discuss how to fund the coach. Third, is the chapter coaching program. Some information is included in the Report of the Director of Chapter Services, and is still in development but we have a job description and are working on incentives to get people signed up and have re-developed the Commitment to Excellence Goal Setting retreat so it can more easily be facilitated by a coach. Fourth, was a goal around Psi Upsilon's Value Proposition and focusing on the feedback that has come from the undergraduate and officer assessments.

Brother Fox then moved to **the Report of the Director of Chapter Services**, which was included in the meeting materials and drew attention to the performance matrix that is being developed. Brother Fox thanked Stephan Oeschle for all the work he has done this year.

There being no items of **Old Business** or **New Business** President McKeon extended his thanks to all assembled, and especially all the work that has been accomplished in Committees and to the chairs for doing their work.

There being no further business, President McKeon asked for a motion to adjourn. Brother Rasmussen made the motion, Brother LaPanne seconded, and the motion passed.

The meeting was adjourned at 3:54 p.m. EST.

Respectfully submitted,

Thomas Fox, Omicron '00
Executive Director

CHAPTER REPORTS

**178th
Psi Upsilon
Convention
& Leadership Institute**

Washington, DC • July 22-25, 2022

DELTA, New York University (1837)

Last Fall, the Delta Chapter successfully initiated 10 new members, growing our membership by over 66.67%. We also held our first in-person initiation since the start of the pandemic. Our annual event, Yule Log, was held in Puttanesca in New York City. Of easy access of international brothers, or brothers who wanted to attend remotely, we also had a virtual option for the ceremony. As of the Fall 2021 semester, our average GPA is a 3.62, with 8 brothers on the Dean's List. As for our social events, we've had a movie event led by our Wellness chair, a picnic to welcome the spring, and a cooking competition to build team bonding. Pledges, brothers, and alumni have enjoyed all of our events thus far. We have also held a few Philanthropic events during. In Fall of 2021, We held a sandwich making event and donated over 80 sandwiched to the Bowery Mission. In Spring 2022, we also returned to the Bowery Mission and volunteered for their dinner services. We also have a care package making event and a dog walking event scheduled for the Spring.

Gwen Do '22 received a return offer from Deloitte. Carol Chin '22 is now working as the Clinical Team Lead at Elevation Health Group. Leo Ho '22 will be working at Amazon after graduating this semester. Long Phi '23 will be interning at Zwift over the summer. Annie Shen'22 received an offer from Mediabrands. James Ge '22 will be an Associate in Finance Rotation at Boston Scientific.

ZETA, Dartmouth College (1842)

This Spring term we had a successful transition of power from the graduating seniors to the juniors. Along the way, our Philanthropy Chair Ryan Irving (2024) organized numerous service opportunities to encourage community engagement from our brothers. Key events included a fundraiser for Ukraine, helping clean and set up St. Thomas Episcopal Church for their annual Rumble sale, and brothers helped prepare the Memorial Day display for the Student Veterans Association. Dartmouth's Psi Upsilon chapter performed well above the student average with regards to GPA, with 6 brothers graduating Phi Beta Kappa (top 10% of class) and one brother graduating Valedictorian. Seniors enjoyed the wonderful Hanover spring with a robust social calendar and ample time spent outside by the Connecticut River. In addition to academic, community, and social excellence, the Zeta Chapter had 21 varsity athletes competing in their respective sports. The Zeta Chapter of Psi Upsilon once again served as a shining example of an organization that encourages having a well-balanced college experience. Our successes are a testament to our strong house culture that we cultivated through our close-knit community of unique individuals that care about each other. We hosted a concert in conjunction with another fraternity to raise money for Ukrainian families. In total we raised \$6,000.00 USD (not adjusted for inflation)

Jason Zavras graduated Valedictorian. Joe Hardwicke, Basile Montagnese, Nate Pucci, Jason Zavras, Charlie Ankeny and Sacha Pritzker graduated Phi Beta Kappa. Steven Mendley and Tim Cushman helped set a new record for the Dartmouth College 400 free relay. Amarachukwu Nwaoha won the Psi U National Francis C. Hardie, Omicron-Zeta '18 award. Basile Montagnese won the Lewis Finkelstein, Omicron '83 Graduate Award.

Varsity athlete(s):

Crew – Colin Glew, Henry Lowe, Miller Hawkesby, Nick Hepburn, Richie Santry, Anthony Wang; Golf – Charlie Baker, Eli Thrasher, James Turner, Mark Turner; Sailing – Chris Long; Skiing – Oliver Snow; Squash – Graham Joyce, Charlie East, Tucker Martino, Jason Montima (captain), David Rubin; Swimming & Diving – Tim Cushman, Steven Mendley; Tennis – Anders Gibbons, Sacha Pritzker

PSI, Hamilton College (1843)

We have hosted many philanthropy events including "Pie-a-Psi" which raised over \$800 for the Kelberman Center. We have put 15 brothers on the deans list. We also had two Hamilton Varsity football captains in the fraternity. Campus/local area trash and environmental efforts.

Varsity athlete(s):

Baseball - Ethan Harrast; Football – Matthew Banbury, Owen Burke, Jack Clougherty, Aidan French (captain), Sam Gilbert, Mark Howrigan, George Johnson (captain), James Lewis, Joe Park, Tom Reilly, Cole Robertson, Ben Sherman, Jake Valensi, Hayden Zeller; Golf – Charlie Donohue, Michael Gillis, Jason Healy, Tommy Kantaros, Jack McKeon, Will Tormey; Swimming & Diving – Ethan Chiu, Jack Sullivan; Tennis – Ronnak Saxena

XI, Wesleyan University (1843)

During such a reformative time within this Xi Chapter of Psi U itself as well as the world around us, this year was certainly special and noteworthy in its own ways, especially given the sign of the times of the past few years. In a community that is so heavily based on genuine connections between peers, navigating rebuilding the community from COVID-19 certainly presented its challenges, but this year especially brought in new senses of hope and excitement all around. Beginning with the fall rush season, with open events such as our cookout on the grill, and more specific rush events such as the femme-identifying event, queer-identifying event, and the POC-identifying event, there were so many opportunities to meet and create lifelong bonds with amazing people. This was very rewarding, as it was something that the Xi chapter had not seen in the past few years given the social restrictions that had been put in place for our safety. Plus, after reflecting deeply on the history of the Xi chapter of Psi U as well as the traditions that are held within the framework of the house, it was especially monumental when Spring elections resulted in an all woman-of-color bench, which is something the Xi had never seen before, and likely something that most fraternities have not had either. Prior to Spring elections, we celebrated a long year of academic excellence with Spring formal, where we were able to rent a huge bouncy castle and a snow cone machine, which was such a fun way to end this year off on a good note, reminding ourselves that it is important to reward after a year well done. As we said goodbye to the seniors of the Xi chapter of Psi U, we honored their music and art accomplishments, coming together as a brotherhood at their shows and performances to celebrate all that they have done for us as well as the space we call our community.

Dean's List: Emma Adelstein, Nick Dillon, Hasanti Kelly, Nolan Young, Lila King, Elijah Leshnick, Luna Raposo-Dean, Lucie Reiss, Eliot Kimball, Jack Vigue.

Swimming – Nick Dillon, Phoebe Snyder

Lacrosse – Dennesha Rolle, Francesca Li (captain)

Volleyball – Joby Levit

Crew – Nick Dillon

UPSILON, University of Rochester (1858)

We had a cumulative chapter GPA in the fall of 3.17. We brought in a new class of 17 members in Fall 2021 and 8 members in Spring 2022, giving us our highest member total in recent history. In the fall, we participated and cosponsored a "Mr U of R" talent show which raised money for Prevent Child Abuse America. Our Brother James Bentayou won the event and we helped raise \$6000 during the event. This January, we had multiple brothers participate in the polar plunge for Special Olympics and raised \$400 for their cause. We cosponsored a pancake breakfast, "Chi Hop", and raised \$900 for the Make-a-Wish Foundation. We also co-sponsored a flag football tournament, sent several teams to participate in the tournament and won the tournament that helped raise \$800 for Service for Sight, an organization helping blind individuals.

We have many members helping out at various different sites, such as food pantries, game set-ups and tutoring kids both physically and academically. Most of these are done individually and throughout the semester/year.

Three (3) of our members were elected to the Phi Beta Kappa Honor Society (Jack Dippolitto, Nicholas Petruzzello, and Damon Yargeau). Six (6) of our members were elected to the Hampshire Honor Society (Dippolitto, Petruzzello, Yargeau, James Carl, Noah Shinaman, Liam McManus).

Varsity athlete(s):

Football – Carter Ackman, Nick Annechino (captain; 1st Team Academic All-District), Abdul Bah, Caden Cole (captain; 1st Team Academic All-District; 2nd Team All-Liberty League), Jack Dippolitto (1st Team Academic All-District), Ryan Eamer, Carter Forbes, Davis Freidman, Thomas Heslin, Adam Huewe, Ryan Lombardi, Nicholas Marzo, Joey Moore, Cole McHugh, Liam McManus, Eddie Niles, Nicholas Petruzzello (captain; 2nd Team Academic All-American; 1st Team Academic All-District; 2nd Team All-Liberty League, 3rd Team All-Region), Dylan Rykert, Noah Shinaman, Josh Stams, Ricky Todd, Thomas Tomasso, Damon Yargeau (captain), Thomas Wunder.

Swimming & Diving – Nicolas Brando, Chris Bushnell, Arpeet Dabhade (captain), Edward Domanico, Trevor Hoch, Brandon Kim, Frank Li, Sidney Miller, Justin Tsai.

Track and Field – James Bentayou, Cole Goodman (set school record as a freshman in long jump), Dylan Rykert.

*Sixteen (16) of our members earned Academic All-League team from the football team. Six (6) of our members earned Academic All-League honors from the swim team.

PHI, University of Michigan (1865)

Within the past year we've gained 21 new members, putting us at 64 members, the highest membership rate since before our recolonization in 2016. Following the pandemic and with everything going back to normal a bit on campus, our social relations have improved greatly resulting in us going into the 2022-2023 school year with an established sister sorority for the first time since recolonization. Another notable first – this past April the chapter successfully held our first out-of-state chapter-wide event by going to Chicago for our Spring Formal. In the Winter, we set up an ice rink in our backyard, allowing brothers to have some fun together during the cold months and get some much-needed practice in for Winterfest. In addition, the chapter saw multiple upgrades, including new common space furniture and plans put in place to renovate multiple rooms this Summer.

Connor DiMarco – accepted an offer to attend the University of Michigan to pursue his PhD. in Climate and Space Sciences and Engineering; he also has been selected to become the fraternity resident advisor. Brad Libs – accepted a job offer at Michigan Medicine OBGYN and Michigan Mechanical Engineering Concussion Research. Ryan McNamara – began work at Benzinger Media, heading the Cryptocurrency department. John Gontaryk – received a job offer from IBM. Zac Kaufman – accepted a job from Boston Consulting Group. Tim Caballero - receiving EMT certification this Summer and was a central figure as Social Chair in establishing our relationship with our now sister sorority. Ben Levitt - organized all Spring philanthropy and service events with more to come in the Fall. Cole Wohlfiel – re-elected to a second term Executive Council position this past semester. Dan Brzozowski – re-elected president for a second term; first time since recolonization.

PI, Syracuse University (1875)

In the Fall 2021 we held Psi U Quesadillas, a philanthropy event where we sell quesadillas from our chapter house from 10 pm - 1 am to benefit the Movember Foundation. With the help of many alumni brothers and other Psi U houses we were able to raise over \$60,000, with \$1,225 coming just from Psi U Quesadillas. Another amazing achievement is that brothers Andrew Sullivan ('22) and Mats Olsen ('22) completed the 125th Boston Marathon while representing Spaulding Rehabilitation Hospital, in support of a brother who had to go through rehabilitation with Spaulding following an accident the summer before.

In the Spring 2022 semester, the Pi chapter helped a philanthropy called Psi U Smash in which we got a junk car donated from a local junkyard and had students pay to swing at the car. We did this to raise money for Upstate Hospital in Syracuse. We also had a large group of alumni attend our initiation banquet which was a great chance to reconnect and have a large event with many past brothers. Both of these events were huge for our house in terms of remembering our roots and our purpose on campus.

Alec Ostrowidski was our philanthropy chair in the Fall (and Spring) and he did an outstanding job setting up our event Psi U Quesadillas. Also, Rocco Fanelli, served as the Executive Vice President of IFC which was very time consuming but allowed him to play a large role in greek life's role on campus in a positive way.

Alec Ostrowidski planned all of our philanthropy events and brotherhood events along with Antonio Fanelli who helped in all of them. Alec Ostrowidski also played a large role in Delta Sigma Pi, the business fraternity, in helping our campus community while also achieving a 3.8 GPA.

BETA BETA, Trinity College (1880)

Psi Upsilon's Beta Beta chapter experienced an exciting Fall 2021 semester. As restrictions at Trinity College gradually loosened starting in January, the Beta Beta chapter and our members were able to become significantly more active participants on campus. We are proud to have partnered with and participated in multiple community service programs over the course of the semester, including Movember, Halloween on Vernon, and the Psi Upsilon Holiday Food Drive. The Brothers of Psi Upsilon collectively raised over \$2,500 during the Movember campaign to advocate for men's mental health. Halloween on Vernon was also quite a success with more than half our chapter participating and putting forth over 45 cumulative hours of service! Every Halloween, Psi Upsilon joins the rest of the Hartford community by opening our doors for "Halloween on Vernon". Children and parents from the local community are welcomed into the house in Halloween costumes to enjoy decorations, music, candy games, and face painting. In addition, the Beta Beta philanthropy committee hosted a toy drive in December for underprivileged children in the Hartford area, collecting over 200 toys donated by students across campus. In relation with the toy drive, we held our annual Christmas semi-formal where every Brother and their date donated at least one toy. The brotherhood also welcomed a new pledge class full of well-rounded and exceptionally bright young men. Throughout the fall

semester, the Psi Upsilon brothers kept themselves busy. Connor Tienken '22 and Chris Camelio '22 captained two Beta Beta flag football teams, Brener de Souza '22 represented the Inter-Greek Council, Maahin Gulati '22 was on the All-NESCAC list, Michael Namon '22 was awarded the John L. Nicholas '87 Award in Entrepreneurial Studies, and Henry Corderman '23 co-founded the Entrepreneurship Club.

Spring 2022 was a positive semester for Psi Upsilon's Beta Beta Chapter. The beginning of this spring semester saw a transition of power to a newly elected Archon, Andrew Clausen, and a collection of motivated new officers. In addition to new management, the Beta Beta chapter also welcomed 10 new members. In March, Andrew Troy '23, Eric Sinson '23, Riley Prattson '23, and Connor Sundquist '22 all celebrated taking home a sixth NESCAC Men's Ice Hockey Title for Trinity, as marked by a healthy win over Colby College. This spring the Beta Beta chapter hosted our annual "Tropical" Spring Weekend concert featuring DJ "Vanic" hosting 800+ guests for the first time since Fall 2019.

We are proud to announce some of the academic achievements and successes our members have had this past semester. More than 12 brothers had above a 3.5 GPA and Michael Namon '22, Brener De Souza '22, Ian Maldonado '22, Maahin Gulati '22, Joseph Nyahay '23, Tyler Constable '23, Henry Corderman '23, Eric Sinson '23, Andrew Troy '23, Saar Rosa '24, and Gabe Zeccolella '24 all concluded the semester with faculty honors. Moreover, we personally want to recognize former 2nd Angelos, Brener B. De Souza '22 for his academic prowess. Brener recently graduated with a double BA in Urban Studies and Economics and was awarded the David Winer Award, The Connecticut Commandery Military Order of Foreign Wars Book Award, and the Greek Leader of the Year Award.

Varsity Athletes:

Baseball - Benji Reyes, Andrew Tuzzolo; Basketball – William Dorion; Football – Spencer Fetter (captain), Lucas Folan, Will Kirby; Golf - Mahin Gulati, Timothy Hall, Cam Jefferson; Hockey – Kevin O'Leary (captain), Cole Poliziani (captain), Riley Prattson, Eric Sinson, Connor Sundquist (captain), Andrew Troy

ETA, Lehigh University (1884)

Academics: Our chapter's GPA (3.38) is ranked above the "all-Greek" GPA (3.33) as of the Fall 2021 Grade Report from Lehigh University. To clarify, "All-Greek" refers to the cumulative GPA of the Interfraternity Council (IFC), Panhellenic Council, and the Cultural Greek Council (CGC). Additionally, Psi Upsilon (ETA) has the second highest GPA in all of IFC. The highest GPA is listed at 3.41 from Delta Chi, therefore we were only a small margin – .03 – away from being tied to the highest GPA in all of IFC. It is also important to note that Psi Upsilon is .20 above the "all fraternity" average (3.18), which essentially means that we had a GPA that was .2 higher than the cumulative GPA of all the fraternities at Lehigh. On average each fraternity saw a .16 GPA drop last semester (which was a transition from virtual learning) whereas we only saw .02. Also, the cumulative GPA of "all men" that are a student at Lehigh is ranked as 3.14, and evidently our chapter reigns superior to the cumulative GPA of all male students by an outstanding .24. As far as the cumulative GPA for Lehigh females (3.35), Psi Upsilon comes out victorious since our GPA is .03 higher as we sit at 3.38. When compared to the cumulative average of all CGC (2.60), Psi Upsilon blows them out of the water. Even the top CGC sorority

(Lambda Theta Alpha), whose GPA is 3.31, is outdone by Psi Upsilon's 3.38. As for the top CGC fraternity (Phi Sigma Chi), whose GPA is 2.39 on the report, chapter's GPA greatly outweighs theirs. On top of having a GPA that is superior to most of Greek Life, Psi Upsilon also had a third, or 33%, of its members make the Dean's List. As part of our chapter's academic plan to help those in need of financial support, we have utilized Psi Upsilon's Merit Scholarship Program, in which a myriad of members have been applying to over the years. Academic Families: are another way in which our chapter looks to promote individual member academic achievement, as well as support any members who are in-need of additional accommodations toward their studies. Academic Families are structured to assign a brother from each grade to a specific family that corresponds with their major. For instance, a Freshman, a Sophomore, a Junior, and a Senior, who are all majoring in Civil Engineering, would be grouped into the Civil Engineering family. The way that all of this is done is through an excel sheet, created by the Academic Chair, that lists the brother's name, grade, and major, and then accumulates the sum of each major to which brothers are assigned to their respective Academic Families. Ultimately, Academic Families aim to assist/accommodate brothers who may be struggling to understand a certain concept or a specific problem set within their major. In implementing this Academic Family program, we have seen individual members grow academically and achieve academic excellence as a result of the assistance from their families. Career Night: Through Career Night, our chapter successfully fostered intellectual development beyond classroom learning via career planning and networking opportunities. On February 26th, 2022, our chapter invited a number of successful and notable Psi Upsilon alumni to present to the brotherhood. These presentations covered a variety of topics: Career choice, internship opportunities at their companies, resume and interview tips, financial budgeting advice, and overall, how they ended up where they are today after graduating from Lehigh. After the conclusion of these presentations, brothers networked with the alumni and made valuable connections. Brothers are encouraged to hand out resumes to alumni with potential available internships at their companies, or simply work with a number of alumni in recruiting divisions to improve their resumes and hold mock interviews.

First and foremost, I must give credit and proper recognition to the Philanthropy and Community Service Chairs-- Max Cardi and Nate George. These two are in the process of putting together a myriad of events that provide service to foundations, local communities, and the University. To name a few other chapter members who reflect leadership within the positions they hold, both inside and outside of chapter, I will provide a brief list: Tyler Smith: Secretary of AICHe, Brotherhood Recruitment Officer for IFC, and on Standards Board for Psi Upsilon. Theo Faucher: Thompson Portfolio, TRAC program Nathan George: Outing club, engineers without borders, community service chair of psi upsilon. Isidoro Anderson Bento: ROTC, Armed Forces Support Club, Secretary, Rush Chair, Bro Dev. Alex Mandia: Scientific Journal Club, Steward and Mental health chair of Psi Upsilon. Jack Lightfine: ROTC, House Manager of Psi Upsilon. David Cole: Colleges Against Cancer, Skydiving Club, Secretary of Psi Upsilon. Jason Kim: Investment Management Group. Jack Morris: Formula SAE. Brandon Janowski: Accounting club and member of Greek Emerging Leaders (GEM). Harry Ayson: Vice President of Economics Society Julian Savage: Douglas Dialogues club Chris Gerazounis: President of Psi Upsilon and attended Launch and Summit for Greek Excellence.

One major achievement within our chapter is our continuous collaboration with Diversity Peer Educators (DPE) and perpetuating our knowledge Diversity, Equity, and Inclusion (DEI). Our chapter has coordinated with Sana Sheikh of the Diversity Peer Educators (DPE) office and Kai

Davison of the SPEAK office to create workshops for our chapter, in which we have successfully had over 75% of our members attend and complete four workshops that cover DEI topics and meet OFSA requirements. Our first workshop, How to be an Ally: Held on March 25th, 2021, helped our members understand terms and concepts surrounding various forms of allyship. The presentation went in depth about what racism and discrimination can look like on a college campus. The workshop also helped members of our fraternity identify ways in which we can individually recognize our own privileges and ways in which we can be allies on campus. The next workshop, SPEAK: Held on November 8th, 2021, helped our members understand terms and concepts surrounding gender, sexuality, and various forms of allyship in regard to the LGBTQIA+ Community. The third DEI workshop, Microaggressions: Held on February 21st, 2022, helped our members understand why microaggressions may be hurtful and provided each of our members with useful tools to combat microaggressions. Our last DPE workshop, Unconscious Bias: Held on February 28th, 2022, helped our members learn about unconscious bias and the ways in which we can combat unconscious bias in different environments. Through the “circle of trust” exercise, members of our chapter were able to discover their own unconscious biases by naming five people they trusted the most (excluding family members) and then identify if the five chosen people had the same identity as the person who chose them. When thinking about identity, we matched the people that were most trusted in terms of race, gender identity, sexual orientation, ability, religion, age, ethnicity and socio-economic status. After the exercise, a lot of members reported that the respective people they trust the most, have similar identities respective to themselves. The point of the exercise was to reveal that unconscious biases tend to lead us toward people that are similar to us. The workshop concluded with the Diversity Peer Educators teaching our members strategies to avoid unconscious bias. To mention some of the strategies they taught: Hold yourself accountable, create a brave space, mindful and considerate in responding, try on the thoughts and feelings of others, interpret others behaviors through their cultural lens, rather than your own, expand to get out of your comfort zone and challenge yourself, challenge your personal assumptions, ask your peer for their opinion and challenge them, biases can change and go back, remain committed to sustained action. In addition to our DEI/DPE workshops, Psi Upsilon has also implemented a required course that outlines Gender Violence Prevention. Collaborating with OFSA, as well as BTS member Ariel Majorczyk and Resistance Lab member Katelyn Diaz as our facilitators, Psi Upsilon has successfully implemented DEI training within our New Member Education module. On March 7th, 2022, trained Break The Silence (BTS) Peer Educators and members of the Resistance Lab worked with our organization to deliver the Me Too at Lehigh workshop, featuring Lehigh specific and national statistics and discussion, an 8-minute video of a Lehigh survivor of gender violence sharing her experience and its impact on her, advice from Lehigh survivors on how to support them, information and activities on bystander intervention, and information about Lehigh's reporting options and resources (about 60 minutes total). Another facet of our New Member Education module, which implemented DEI as a core feature, is the EVERFI Diversity, Equity, and Inclusion online training course (sponsored by the Office of Multicultural Affairs & the Health Advancement and Prevention Strategies office). This training course covers identity & selfhood, imposter syndrome, identity transitions, power & privilege, oppression bias & unconscious bias, respect and allyship, and self care. In this online diversity and inclusion training, participants will: Learn about key concepts related to identity, bias, power, privilege and oppression, understand the benefits of being part of a diverse community, develop skills related to ally behavior, self-care, and creating inclusive spaces. Ultimately, our

chapter has done a superb job of upholding responsibilities that adhere to the overall development and training of its members around the aspects of Diversity, Equity & Inclusion. Another achievement that our chapter is proud to acknowledge is our initiatives toward sustainability. Small, but impactful was our initiative to use less plastic water bottles by installing a faucet-mounted water purifier system. This eliminates the need for brothers to use plastic bottles for drinking water. Additionally, there is a one:one, recycling bin:trash ratio on each floor of the house. During chapter meetings, proper recycling practices were reviewed to ensure brothers are aware of what should and should not be recycled. Furthermore, signage illustrating what can be recycled versus what must be thrown away has been placed over every trash can and recycling bin in the house. This has made brothers conscious of what they put in the garbage versus what should be recycled and it has minimized waste. Our chapter also took place at Lehigh's trashion show, on March 25th, 2022 at STEPS in room 102, in which a team of brothers constructed an outfit made with recyclable materials including MUG root beer cans, MUG cardboard boxes, and tape, in which Ben Ciancio modeled the outfit. This event taught brothers about the importance of recycling and even how the manufacturing of their clothes impacts the environment. Our chapter won first place and then donated the prize money to the second place winner. Lastly, Working with Eco-Representative, Rachel Condon, as well as the Eco-Rep Leadership Program at Lehigh University, our chapter will be educated on food sustainability in order to promote sustainable living. In the Fall report, I included our chapter's academic excellence with a listing of our Cumulative GPA and the percentage of members who made Dean's List. It should be taken into consideration that we did a very impressive job when compared to other Greek Life organizations at our school, and this was all done without the help of a faculty/academic advisor. After many years of searching for a staff advisor, we are proud to report that we have acquired Kallie Ziltz to fill the position. Psi Upsilon is strongly confident that Professor Ziltz will become a valuable asset to our chapter in terms of academic and intellectual advancement. Thus far, we have well-acquainted ourselves with our staff advisor by inviting her for dinner at the chapter house and discussing academic aspirations for the future. With the new implementation of a staff advisor, we plan to capitalize on this opportunity by utilizing our staff advisor as a connection to campus resources and facilitate workshops based upon current needs of the chapter. Additionally, our academic chair has been in close touch with our staff advisor, and together, they have been collaborating to work on a refined academic plan for the subsequent semesters. After reaching out to multiple professors over the course of the past few semesters, and constantly being rejected, finally attaining a faculty advisor has been a major milestone. Lastly, our chapter's most memorable activity of this semester was Career Night, in which we had the opportunity to learn, network, and spend time with alumni in our chapter. More specifically, our chapter had successfully fostered intellectual development beyond classroom learning via career planning and networking opportunities. On February 26th, 2022, our chapter invited a number of successful and notable Psi Upsilon alumni to present to the brotherhood. These presentations covered a variety of topics: Career choice, internship opportunities at their companies, resume and interview tips, financial budgeting advice, and overall, how they ended up where they are today after graduating from Lehigh. After the conclusion of these presentations, brothers networked with the alumni and made valuable connections. Brothers are encouraged to hand out resumes to alumni with potential available internships at their companies, or simply work with a number of alumni in recruiting divisions to improve their resumes and hold mock interviews.

The 6th Annual Mr. Burgundy & Grey Black and White Night (Feb. 11th, 2022, Lamberton Hall, 7pm). All proceeds (\$5 entrance fee) go to St. Jude Children's Research Hospital. Total: \$100. Relay For Life strives to raise funds to improve cancer survival, decrease the incidence of cancer, and improve the quality of life for cancer patients. Through the concentrated efforts of our Philanthropy Chair, Maxwell Cardi, and the rest of our chapter members, Psi Upsilon has pooled together a vast sum of money to this community-based fundraising event of the American Cancer Society and many other Cancer related institutions, societies, and associations. Additionally, on March 25th, 2022, we had different groups of four brothers taking 1-hour shifts (3pm-12am) at the Relay For Life event at Grace Hall, wherein each group was responsible for staying at a table and participated in their activity. Each Greek House was given a particular activity, Psi Upsilon signed up to create doughnuts on a string wherein participants could try to eat them. In total, we have raised and donated \$1,087 toward Miracle League. Alpha Phi Dodgeball Tournament A group of brothers participated in a dodgeball tournament against other Greek organizations on February 27th, 2022, in which all proceeds were being donated to Alpha Phi Women's Heart Foundation. In total, we donated \$80 from our house philanthropy budget, since we had two teams participate and it was \$40 per team. Although we lost, we still had a good time and had the opportunity to listen to the speeches about heart diseases during the tournament. March 4th, 2022, Psi Upsilon took part in Theta Chi's Basketball Tournament, in which all proceeds were being donated to the Boys and Girls Club of Bethlehem. Teams met up at East side youth center's basketball gym (1140 E Clair St). Psi Upsilon only had one team enter the tournament, and therefore we donated \$50, since each team's entry fee amounted to \$50.

America Reads America Counts This federally funded program is geared towards increasing the reading and math proficiency of America's youth in elementary and middle schools. As a chapter, we have focused our efforts to work in tandem with the Lehigh's Community Service Office, and the Bethlehem community, by providing dinner and snack bags to students attending America Reads/America Counts homework clubs in the local community. Using our community service budget, we bought and delivered 21 well-balanced dinners for two separate homework clubs on 3/8/2022. We delivered the dinners directly, having the chance to interact with some local students (Members: 20, Hours:3 = 60 Hours total). On 3/9/2022, our members devised and delivered 60 nutritional snack bags for all three homework. Having served students from Fountain Hill Elementary School, Donegan Elementary School, Broughal Middle School, we have fully immersed ourselves within the local community and appreciated seeing the impact we can make (Members: 20, Hours:3 = 60 Hours total). In fact we enjoyed such community service action that we have planned another dinner delivery for 3/29/22 (Members: 20, Hours:3 = 60 Hours total).

President Chris Gerazounis and Vice President Dylan Loiacono both have been inducted into Order of Omega Leadership Honor Fraternity. Order of Omega recognizes upperclassmen who have exemplified high standards in the areas of scholarship, leadership, involvement within their respective organization and within the Fraternity/Sorority, campus, and local community. Members share the common goal of recognizing the many outstanding student leaders at their institution. Dylan Loiacono and Chris Gerazounis currently hold the title of reinstating founders, after Order of Omega was dormant on our campus for so many years, being one of the 5% chosen from the total Fraternity body.

OMICRON, University of Illinois (1910)

Our chapter hosted a hot chocolate stand outside of our chapter house where people had the opportunity to purchase either a cup of hot chocolate for \$3 or a ceramic mug of hot chocolate for \$6 and they would be able to keep the ceramic mug. We did this for around 10 hours where different brothers would be in charge of the stand throughout their allotted time. We did this during the holiday season so we brought a speaker outside and played Christmas music as well as a blowup snowman outside. All of the proceeds were donated to a local charity named the Champaign Shelter for Families with Children. Nick Mussman was responsible for setting up the event as well as creating the schedule for brothers to work the stand and sell the hot chocolate.

As for individual achievements, Brothers Kenny Kane, Alex Weidner, and Patrick Breen made the Dean's list last semester.

THETA THETA, University of Washington (1916)

Here at the Theta Theta chapter of Psi Upsilon, we had the most successful recruitment process in the last four years due to the efforts of the brothers. We initiated 12 new members this year, which is the highest amount since 2018. Our brothers achieved successfully hosting multiple club orientated fund raisers. In the Fall of 2021, our chapter raised \$1500 from our "Mac n Cheese & Puppies Feed" where 9 chapters were bought on to support our philanthropy. In the Spring of 2022, we raised \$2500 for UW Husky Snow Club (Ski and Snowboard club) for new equipment in a joint fundraiser and we also raised \$2500 for the UW Soccer Club teams (men and women) for new equipment in a joint fundraiser as well. The chapter also partook in multiple philanthropic events including the Delta Zeta flag football tournament (4th place) and in the Alpha Phi soccer and FIFA tournament. Our brothers also accumulated 350 hours of total service for the Roots Young Adult Shelter volunteering positions. We traveled to Lake Chelan, Washington for our Spring formal.

In terms of academics, the chapter held one of the highest percentage of brothers on the Dean's List in the last several years, including Jacob St. John, Jacob Kim, Mihir Sondagar, Kaiden Weller, James Kim, Goktug Esen, Michael Clark, Hrishabh Parekh, Scott Leichner, Owen Mccord, Ethan Hitt, Freddy Salinas, Joseph Iaonni, Max Meyers, Nick McClure, Adam Hasdorff. Other notable achievements include: Jacob Kim – Outstanding Junior Award, Academic Deans list for the entire school year, research assistant for the Neuroscience Department in Parkinson's Research, admission into the Information School. Joshua Lee – internship with Zelle. Hrishabh Parekh – 2-year research assistant with Neuroscience research department. Anirit Bansal – admission into Geographical Information Systems Major. Devin Duong – admission into Foster School of Business. Scott Leischner – Certificate as a Nursing Assistant. Prithvi Randhawa – accepted a position with the Nanofabrication Lab. Nicholas McClure – secured an internship at PricewaterhouseCoopers. Jacob St. John – obtained his real estate license and sold 2 houses while being admitted into the University of Washington as a transfer student. Eddie Baghdasaryan – admission into the Information School.

Our graduating seniors: Joshua Lee, Owen Mccord, Goktug Esen, Michael Clark, Paul Codd, Codie Christel, Matthew Hopkins, Hrishabh Parekh.

ZETA ZETA, University of British Columbia (1935)

Throughout Fall 2021 and Spring 2022 semesters our chapter grew on many fronts. We initiated over 30 new brothers, boosting our total member numbers post covid. Lots of our active brothers are currently on the Dean's list and have received academic scholarships and awards. Many alumni returned to the house for our annual founders day celebration, an event we were only able to hold virtually last year due to covid. We hosted our two annual philanthropy events Moflips, a flip cup tournament, and Pie-a-Psi, an event where people pay to throw a pie at a brother. In November, we held our Semi-Formal event at a venue in downtown Vancouver, and in April we returned to Harrison Hot Springs for our overnight formal. All of our events were great successes, and we are looking forward to what the coming years hold.

Fall 2021: Mosea- 5k run for breast cancer research in partnership with the Kappa Alpha Theta chapter at UBC raised \$1,300
Fall 2021: Pie a Psi- An event where people pay to throw a pie in a brothers face, and donations are sent to the Movember foundation. \$1,057 raised.
Spring 2022: Moflips- a Flip cup tournament where teams from different greek organizations pay a set entry fee to compete. \$610 raised for the Movember Foundation.
Spring 2022 and Fall 2021: Brothers attended various different greek philanthropy events raising a total of \$575 for different organizations.

Each semester we had a beach clean-up with all of the brothers, of the different beaches surrounding the campuses. We roughly had 30 members at each clean-up and were there for four hours each time. Resulting in 120 hours for both semesters. We also had a clothing and food drive for the local centers around campus. Every 8 non-perishable food items brought was an hour, and ever 3 articles of clothing was an hour. In total these donations resulted in 80 hours each term.

EPSILON NU, Michigan State University (1943)

This spring was a very successful and exciting period for the Epsilon Nu Chapter of Psi Upsilon at Michigan State. We started the semester off by winning the IFC Community Involvement Award for our main philanthropy event of the year: Oktoberfest. The Oktoberfest event raised \$4000 for Rainbow Connections. Winning this award validated the hard work that goes into that event each fall, and it will certainly serve as motivation for us to win the award again next January. We also held two other successful philanthropy events this spring for the Keifer Foundation and Prevent Child Abuse America. Both of these fundraisers were very successful, and we were extremely happy to be able to contribute to such great causes. Additionally, paired up with Zeta Tau Alpha sorority and FarmHouse fraternity, we were able to win "Spotlight", the main competition and culmination of Greek Week at MSU. This was the first time that most of our members were able to participate in Greek Week, so being able to win the main competition was a great experience for everyone. We held a Fall and Spring formal in Chicago and attended a Cubs game as part of the Spring trip. All of these accomplishments and the initiation of our newest pledge class made for an unforgettable semester, something we hope to repeat in the fall.

Vincent Marnell - organized all Cristo Rey service events, allowing us to give back to the local community and was elected as a member of the Interfraternity Council. LJ Sack - elected as a member of the Interfraternity Council.

CHI DELTA, Duke University (1973)

In Fall 2021, the Chi Delta chapter returned to a section on Duke's campus for the first time since March 2020. We re-learned how to perform rituals in person and relished the chance to finally reconnect in real life after over a year of exclusively being virtual. We held study sessions and game nights in our new common room and have been working closely with Duke's Greek Life office to chart the future of our organization at Duke, in the wake of over ten fraternities disaffiliating from Duke. In November, we held our first in-person Alumni Weekend in two years, having a blast playing foosball, singing karaoke, and reconnecting over a Hibachi style dinner. Later on in November, we successfully initiated our newest pledge class — our first in-person initiation in two years!

Sarah Teixeira (2021), Archon, led us through the transition from being entirely online to being in person for the first time since March 2020, and supported our officers as we all learned how to operate in person. Hannah Kubik (2022), First Angelos, led the first in-person rituals in nearly two years, and helped the chapter stay organized and re-learn its traditions. Kaitlyn Choi (2023), Second Angelos, stayed flexible during a time of Covid restrictions, and made sure the chapter stayed safe while still remaining connected, planning many successful game nights and dinners. Dean's List recipients include George Hong, Abbey List, Leah Shaw, and Hannah Kubik. Alicia Medina (2024) became a Career and Academic Innovation and Research Network of Scholars (CAIRNS) scholar. David Johnston (2023) served as Vice President of Duke's wind symphony.

This spring, the Chi Delta chapter initiated three new pledges. As one of the two remaining affiliated fraternities on Duke's campus, we have played an instrumental role in guiding campus Greek life policies this semester. Additionally, in April, we held our biannual Alumni Weekend, and brothers new and old connected over foosball, food, and karaoke.

Hannah Kubik, Archon, continued to guide the chapter into post-pandemic life at Duke. She was also initiated into the Phi Beta Kappa honor society. Leah Shaw, First Angelos, successfully planned and led our spring Initiation. Kaitlyn Choi, Second Angelos, organized social events and mixers with other organizations to promote the chapter's inter-connection on campus.

Varsity athlete(s): Lily Cooper '22 (volleyball) played in her final season as a senior on Duke's team.

EPSILON IOTA, Rensselaer Polytechnic Institute (1982)

The chapter ran a MarioKart tournament with a cotton candy sale. The proceeds got donated to an organization of the tournament winner's choice. The organization that the winner chose was Mercy for Animals. All \$109 raised were donated there.

As part of trying to stay safe with Covid, the Epsilon Iota continued with digital methods of service, as well as doing a little more in person. As part of the digital methods of service the brotherhood did a combination of transcribing historical documents for the Smithsonian, as well as assisting in research via Zooniverse for a total of 24.25 hours. In addition, there were organized litter cleanups around Troy. Brothers walked up and down 15th Street and Hoosick Street in an attempt to improve the image and living conditions of Troy. Brothers were able to participate and clean up Troy for a total of 21 hours. On days of bad weather, Brothers wrote letters to incarcerated LGBT people through Black & Pink, as well as holiday cards for isolated senior citizens for a collective 27 hours. Additionally, a Brother got involved with RPI's Food Recovery Network and helped deliver extra food from the dining halls for a total of 1 hour.

We hosted a Drag Race with the help of the Alpha Omega Epsilon sorority. Besides the cost of entry to the Drag Race, we also raised money applying people's makeup and selling cotton candy. Half of the proceeds went to a charity designated by the winner of the race, and half went to the charity chosen by the winner of the drag competition. We ended up raising money for the Pride Center for the Capital Region and the Autistic Women and Nonbinary Network.

PHI DELTA, University of Mary Washington (1996)

Phi Delta had quite two semesters. In September we partnered with Mental Health Awareness of Fredericksburg and held (our now annual) Pie a Psi U, in which people would donate money to throw whip cream pies in our face. During the fall we held 2 formals. In December, we had our annual Alumni vs Undergrad football game in which the Alumni were once again victorious (and still undefeated) 33-7. We then elected a new exec board and got right back to work. We had a valentine's formal. Phi Delta made an intramural basketball team in which we went 4-1 but lost in the first round of the playoffs. That season was followed by a basketball formal. We held our annual St. Fratty's Day event, in which we had multiple tournaments in cornhole, can jam, spikeball, and other games. Finally, at the end of the semester, Phi Delta had our 25th anniversary Party which 90 Phi Delta brothers (young and old) celebrated together. We held a kickball Alumni v Undergrads, in which the Alumni won 5-4. There was a reception held in downtown Fredericksburg where there were speeches, awards, and items handed down to undergrads.

Brother Joesph Pack was awarded the Phi Delta Alumni Scholarship. Brother Jeff McLean was president of the UMW Cornhole Club. Brother Carson Carr was Vice President of the UMW Club Basketball team. Brother Jack Dyson was president of the UMW Young Republicans club.

Christof Schoeller, Kenny Ryu, Nick Beck, and Evan Kroeze also helped plan and run the philanthropy.

ALPHA OMICRON, New Jersey Institute of Technology (1999)

Psi Upsilon Alpha Omicron, as of Fall 2021, has the highest average GPA of all greek and multicultural social organizations at NJIT and still ranks #2 on that list when also taking into account NJIT's several professional fraternities. Our average GPA, Fall 2021, is a 3.45 out of 4.

Brothers Vincent Tews and Ryan Nollstadt participated in work-study programs in the field of Chemical Engineering. Brothers Gabriel Arcanjo, Andre Costa, Robert Diasio, Lucian Mahadeo, Richard Nadolski, Ryan Nollstadt, Domenico Valente, Arjun Venkatesh, Michael Ipri, and Henry Mai all were on the Dean's List for the Fall 2021 semester. Brother Stephen Kurilla is active in research within his field of Chemistry and is soon to co-author a scientific paper. Brother Kevin Nino is one of NJIT's McNair Post Baccalaureate Research Program Scholars. Brother Richard Nadolski is the President of the Fraternity and Sorority Life Council at NJIT and was named said council's Member of the Year for 2021.

The AO Chapter, coming off of being ranked 2nd in overall GPA out of Greek organizations (including professional orgs), focused heavily on academic and professional development during the Spring semester. Several brothers participated in tutoring on campus, and we held several internal events aimed at helping people develop their resumes, LinkedIn profiles, and interviewing skills. We just recently made a new LinkedIn group for our Chapter to help undergrads connect professionally to Alumni. Our Chapter won 3rd overall in our campus' Greek Week. It was a week of fun challenges and games. We held 4 total bake sales this semester all raising money for AFSP (American Foundation for Suicide Prevention). Finally, we held our first Adamantine Chain event in two and a half years (thanks to COVID). Graduated members from the past 5 semesters, including this spring, got together with Alumni and the active brotherhood.

Our brother, Richard Nadolski, was the president of the Fraternity and Sorority Life Council this past year and won an overall award in FSLC for his dedication and commitment. Stephen Kurilla got accepted into our university's PhD program for Chemistry and continues to research ways to reduce the amount of dangerous 'forever chemicals' that seep into our water and our blood. Brothers Kevin Nino, Hugh Mai, Vincent Tews, Andre Costa, and Matthew Stickles also participate in research on campus on topics ranging from computational modeling of chemical reactions to artificial intelligence.

We joined with Delta Phi Epsilon to volunteer at a local Adoptathon for an aggregate of 20 hours. Again with DPhiE we volunteered at the local Branch Brook park to clean up its walking paths and fields for an aggregate of 50 hours. Our several bake sales took a lot of effort from brothers in cooking everything from scratch, advertising, and manning our table. The money raised went to AFSP, and our brotherhood volunteered an aggregate of 180 hours for these fundraisers.

SIGMA PHI, St. Francis University (2007)

During the fall semester we welcomed one new member into the fraternity. As an E-Board we also attended multiple Greek Life Officer training sessions through SFU. In the Spring, we hosted our annual Car Smash as a fund raiser for the fraternity, and we raised \$224. We hosted our formal at our alumni's cabin and had a very successful weekend with current brothers and recent alumni as well. We also had a few older alumni return to campus throughout the semester and we took them golfing and we had time to catch up with them. As a chapter we also participated in the Greek Week Games hosted by SFU every year.

We had 3 brothers on the Dean's List. In the Spring, we also had 3 brothers on the Dean's List. Past President and brother Dan Wimer attended NGLA which is a North Eastern Greek Leadership conference through the school. Brother Evan Foss was inducted into the Alpha Psi Omega Honor Society for Theater. Brother Patrick Sprigler graduated with an undergraduate in Nursing. Alumni Anthony Lovat graduated earning his Masters in Occupational Therapy.

PHI NU, Christopher Newport University (2010)

Phi Nu's fundraising chairs raised over \$1600 dollars to help fund mixers, formals, and more. Our philanthropy chairs raised over \$2300 and helped accrue 200 volunteer hours for various philanthropic partners throughout our community. Phi Nu also celebrated its 10-year anniversary at the James City Country Club on November 13th. Due to COVID, it had to be pushed back a year but our brothers loved it nonetheless.

We hosted Psi Utube, where organizations submit videos they made and a panel of judges ranks them. The winner gets \$50 donated to their philanthropy. We raised \$539 through this event. We also held our Pie-A-Psi which is a fundraiser where people can pay to pie or egg a brother. We raised \$455 through this.

Zachary Kempf – inducted into Omicron Delta Kappa Honor Society; inducted into Phi Alpha Theta History Honor Society; William Cameron Schlifke Scholarship Award; Servant leader of the year; Fraternity community member of the year; 140 volunteer hours. Eric Michals – elected IFC Vice President of Academics. Brenden Edmonson – elected IFC Vice President of Internal Affairs. Miles Clark – VP of CEE Fund.

DELTA OMICRON Provisional Chapter, Purdue University

The brothers had a very successful walk with American Foundation for Suicide Prevention in the fall to raise money for suicide awareness! We are also very proud of our brothers putting

together a RAINN fundraiser together in less than a week in response to a lackluster response from Purdue about rising sexual assaults on campus.

The chapter has successfully reworked some of the core rituals to make them custom to our chapter. This allows the rituals to embrace our take on chapter and Psi Upsilon culture. The chapter has grown in the Spring semester with our incoming class of 4 new members. The chapter raised over \$800 for the American Foundation of Suicide Prevention by tabling and taking part in a AFSP walk.

Brothers Heather Craker, Nikolas Damalas and Riley Frady accepted job offers! Heather accepted a full-time position at the National Center for Atmospheric Research as a scientific software engineer. She will be creating tools to help atmospheric scientists process data from weather models and their experiments. She also started a knitting, embroidery, and fiber arts club. Nikolas accepted a full-time position at Northrop Grumman as a Cyber Software Engineer. He will be working on government contracts related to cybersecurity and reverse engineering. Riley Frady accepted a full-time position as franchise model manager at Premier Detailing and Wash. He will be the owners right hand man when improving the workflow of the company. We are also proud of Brother Madelyn Minns for her successful transfer to becoming a full-time Purdue student. JoJo Fleming stepped up as the Diversity Equity and Inclusion Representative for the chapter and is working to help make Purdue's Fraternity system more diverse and inclusive. Ethan Francoeur earned the John McLean Memorial Fund Scholarship and the Dayananda Scholarship.

Mission Statement of the Psi Upsilon Foundation

The purpose of The Psi Upsilon Foundation is to advance the educational mission and values of Psi Upsilon. The Foundation offers a variety of opportunities for gift support of the Fraternity's educational activities, communicates these opportunities to members regularly and provides the resources necessary to produce an effective and efficient advancement program for the mutual benefit of donors and Psi Upsilon.

The Psi Upsilon Foundation is responsible for executing an advancement program that engages members and friends of Psi U in the following areas of development:

Cultivation

Developing lifelong relationships grounded in Psi Upsilon's values.

Solicitation

Asking members and friends of Psi U to make financial gifts that support Psi Upsilon's educational mission and values.

Stewardship

Providing progress reports to donors on the impact of their contributions.

PSI UPSILON *Foundation*

Dear Brothers,

It has been wonderful to regather together throughout the country with brothers this past year and connect with so many after our time living in the world of virtual meetings. We have navigated a move of the office and archives along with launching a few new events such as the Venture Summit in San Francisco and Social Impact Fellowship Retreat in Bethesda MD. The reception of these and our other activities has been outstanding and our reach to so many new brothers has proved how powerful the network can be when activated.

Each of the programs we operate is a direct result of the incredible work of our staff and volunteer leaders who serve on committees and contribute their time to make our programs possible. Our donors, many of whom have been giving for a long time, have also made this year an incredibly generous year of milestone gifts, with significant investment in the Foundation and the work we do. Thank you to everyone listed on the many following pages for their great contribution towards our shared mission of supporting our fellow brothers pursuits and celebrating achievements.

We met the challenges of this year with an energy I personally have not seen in Psi Upsilon. The board, officers and our wonderful partners in the Fraternity have worked tirelessly to make meaningful plans and contingencies that have allowed for this banner year. We continue growing our engagement in these programs and our supporters as we convey the opportunities and impact to the wider brotherhood with you, our chapter leaders and staunch supporters in close partnership.

In closing, it is a VERY exciting time at the Foundation, and I want to reiterate my immense gratitude for every donor, awardee, volunteer, and all brothers who engage with our programs in any way. We cannot do this without you, and it is one of the greatest honors for me to work for the values of Psi Upsilon. Thank you!

Yours In the Bonds,

PSI UPSILON PUBLICATIONS 2022-2023

We have a **Revitalized Publications program** with limited circulation printed editions and universally accessible digital versions of all publications. The Review, Legacy, Beacon, and Reflections journal explore the achievements of our Brothers and wide ranging impact of the Foundation's programs. Support publishing the Beacon with rich, polished content celebrating the intellectual, professional, and service achievements of our brothers. Deepen our content with more in-depth articles and research into our history.
