Stretch your giving by Joining Our Frequent Flyers Club

Monthly recurring gifts are a great way to spread out payments on an Annual Fund pledge. Donors can place monthly or quarterly gifts on a credit card for automatic processing. It is a great way to distribute your generosity throughout the whole year and allows you to reach one of the upper society levels with a budgeted amount of your spending

Pledges to Psi Upsilon can be made to the annual fund or special restricted funds as adopted by the Board of Directors. Donors may specify the methods and timing of their payments within a 3 year period unless otherwise agreed upon.

Matching Challenge Pledges must have clear parameters including timing, types of gifts to be counted and intention of the proceeds. The Foundation reserves the right to decline pledges that do not align with the mission or vision and operational constraints of the organization.
