Special Resolutions Nos. 1 and 2, introduced by Bro. Parker-Smith (*H*), were carried.

The President appointed Bros. Parker-Smith and the Recorder a committee to present to Dr. William H. Chandler the invitation extended in Special Resolution No. 1, and stated that he would personally deliver Special Resolution No. 2 to Bro. Timothy L. Woodruff.\*

A resolution offered by Bro. Pratt (*Z*) in relation to the initiation of Dr. John H. Martindale, a son of the Founder, was referred to the Committee on New Business.

On motion a recess was taken to 4:30 P. M.

The Convention re-assembled at 4:40 P. M., Bro. Bridgman in the chair.

The Committee on Credentials had no further report.

The Committee on the Annual Communication was still in session.

The Committee on Unfinished Business presented General Resolutions Nos. 1, 2 and 3, concerning respectively the Catalogues on hand, the proposed New Song Book and the Seventieth Anniversary Souvenirs. The resolutions were duly adopted, No. 3 having been first amended by inserting the words "*pro rata*" in the clause providing for distribution of the Souvenirs.

The Committee on New Business presented an amendment to the Constitution permitting the initiation of Dr. John H. Martindale. At the request of Bro. Evans (*H*), the propriety of the amendment was explained by Bros. Bradley (*A*), Chairman of the Committee, and Blanchard (*E*). A letter on the subject from Bro. Hugh W. Special Resolution No. 3, concerning the PHU Chapter, was duly carried.

The Committee appointed to invite Acting President Dr. William H. Chandler to address the Convention reported that he was confined to his home and would be unable to be present. A communication expressing the desire of the Convention was left with the President's secretary.

Adjourned to Friday, May 12, 1905, 10 A. M.

\*The resolution was telephoned from Bethlehem to Bro. Woodruff at his home in Brooklyn, during a reception shortly after his own and his son's wedding.

FRIDAY, MAY 12, 1905

The Convention was called to order at 10:10 A. M., Bro. Bridgman in the chair.

The minutes of yesterday's proceedings were read and approved.

A telegram from the IOTA Chapter was read by the Recorder, stating that delegates were unavoidably detained, and that explanation by letter would follow.

The PHI Chapter, through its delegates, submitted a communication and information concerning a proposed application for a charter from the AZTEC CLUB, of the University of Illinois. Referred to Committee on New Business.\*

The Committee on the Annual Communication reported General Resolutions Nos. 5, 6 and 7 and Special Resolutions Nos. 4 and 5, which were duly adopted.

The Committee on New Business reported General Resolutions Nos. 8, 9 and 10 and Special Resolution No. 6.

As reported by the Committee, General Resolution No. 8 was as follows:

*“Resolved, That inasmuch as there is no provision in the Constitution for the discipline of Retired Members, it be the sense of this Convention that the delegates in Annual Convention assembled act on the expulsion of a retired member. All data must be sent by the Chapter preferring charges to the Executive Council four weeks before the Annual Convention.”*

Bro. Parker-Smith (*H*) suggested that a constitutional amendment might be necessary, and moved to amend the resolution so that it would read as follows:

*“Resolved, that inasmuch as there is no provision in the Constitution for the discipline of Retired Members, the question be referred to the Executive Council and be reported for further action at the next Convention.”*

The subject was discussed by Bros. Pratt (*Z*), Dickinson (*Ψ*), Chapman (*⊖*), Coleman (*Ξ*) and Parker-Smith (*H*).

On roll-call the amendment was carried by a vote of twenty-one to two, the ZETA and TAU Chapters voting in the negative. The amended resolution was then duly adopted (*General Resolution No. 8*).

General Resolutions Nos. 9 and 10 and Special Resolution No. 6 were duly adopted.

\* Appendixes D, D<sup>1</sup> and D<sup>2</sup>.

A letter was read from Dr. William H. Chandler, Acting President of Lehigh University, regretting that illness prevented his acceptance of the courteous invitation to address the Convention. Dr. Chandler stated that he had many intimate friends in the Psi Upsilon Fraternity, and was especially gratified that Bethlehem, "the seat of one of the younger chapters," was selected for our gathering this year, and considered that "Lehigh University is honored thereby."

On motion of Bro. Bradley (A), a fifteen minutes' recess was taken to enable the Committee on New Business to draw up a supplementary report.

Recess, 11:20 to 11:35 A. M.

On re-assembly of the Convention the Committee on New Business reported General Resolution No. 11 and Special Resolutions Nos. 7 and 8, which were duly adopted.

Bro. Ewing (BB) extended an invitation to the Convention to meet with the BETA BETA Chapter in 1906.

Bro. Irwin, of the Executive Council, called attention to the office of "MASTERS OF THE ROLLS," provided for by the Convention of 1902, stating that the offices had apparently not been filled by some of the Chapters, and urging the importance of keeping the Chapter lists corrected to date.

There being no further business, the Convention adjourned *sine die*.

COURTLAND F. CARRIER, JR., ETA '03,

Recorder.

thirty dollars and seventy-eight cents (\$230.78), from the general fund, for souvenirs of the Seventieth Anniversary Banquet for which he has received no return, said souvenirs remaining to be distributed *pro rata* among the Chapters.

*General Resolution No. 4.—Resolved*, That Article VI of the Constitution, relating to Membership, be amended by the addition of Section 11, which shall read:

Section 11. The Epsilon Chapter is granted permission to initiate John H. Martindale, M.D., son of the late Edward Martindale, the last surviving Founder of Psi Upsilon.

*General Resolution No. 5.—Resolved*, That the report of the Treasurer of the Executive Council be and is hereby approved.

*General Resolution No. 6.—Resolved*, That the designation of the time and place of meeting of the Convention in the seventy-third year of the Fraternity be referred by the Convention to the Executive Council, with the request that the Chapters be definitely informed of the Chapter and date on or before January 1, 1906.

*General Resolution No. 7.—Whereas*, By resolution of a former Convention it was resolved that all Fraternity pins should be ordered through the Executive Council from the Fraternity jeweler, and that no Fraternity jewelry except the regulation pin be worn by members; and

*Whereas*, It is provided by the Constitution that the pin shall be worn by members only; and

*Special Resolution No. 2.—Resolved*, That the Convention extends its cordial congratulations to Brothers Timothy L. Woodruff (B, '79) and John E. Woodruff (B, '04). May they live long and prosper, and when their little ones come on "brand them all Psi Upsilon."

*Special Resolution No. 3.—Resolved*, That the Convention regrets the failure of the PHI to comply with *General Resolution No. 9*, of 1902, relating to Fraternity badges, and its failure to send promptly the Chapter report to the Executive Council, and suggests to the Council the propriety of an inquiry into the facts, with a view to a statement to the next Convention; to the end that precedents contravening the Constitution be not established.

*Special Resolution No. 4.—Resolved*, That the explanations of the BETA and KAPPA for the absence of their delegates at the last Convention be accepted; and the Convention would suggest that, whenever for any reason it is impossible for a Chapter to send an undergraduate delegate to the Annual Convention of the Fraternity, a graduate of the Chapter living within reasonable distance of the Convention should be delegated to represent the Chapter.

*Special Resolution No. 5.—IN MEMORIAM—Resolved*, That the death of Brother Edward Martindale, THETA '36, our last surviving Founder, deprives the Fraternity of one whose long years of loyalty and devotion to Psi Upsilon will ever be an illustrious example for those who are to follow; that his work will ever be honored in our annals, and his name in our hearts; and that an expression of our deepest sympathy and regret be drawn up by the Executive Council, and an engrossed copy of the same sent to his family.

*Resolved*, That the deaths of Brothers Joseph Roswell Hawley (PSI '47) and Willard Fiske (PSI '51) deprive the Fraternity of members who for more than a generation have been most highly esteemed throughout Psi Upsilon, and that the memory of their zealous and useful service will be a lasting inspiration to our brotherhood.

*Special Resolution No. 6.—Resolved*, That it be the sense of this Convention that Chapter letters should be made more dignified, and that their importance to the Fraternity should be emphasized.

*Special Resolution No. 7.—Resolved*, That in view of the Resolution referring to the improvement of Chapter letters, it is the sense of this Convention that it is unnecessary and inadvisable to publish a Fraternity magazine.

*Special Resolution No. 8.—Resolved*, That the Convention extend its sincere thanks to the ETA Chapter for its hearty hospitality to the delegates.

## (APPENDIX A)

THE COMMUNICATION OF THE EXECUTIVE COUNCIL TO THE  
CONVENTION OF 1905

I. MEMBERSHIP. The active membership of the Fraternity on February 1, 1905, was 567, a decrease of 11 since 1904. A table of membership is hereto appended.

II. IN MEMORIAM. On Friday, July 15, 1904, Brother Edward Martindale, Theta '36, our last surviving Founder, died at San Diego, California, in the eighty-eighth year of his age. He was buried from St. Paul's Church, Los Angeles, on Sunday, July 17th. Twenty members of Psi Upsilon attended the funeral, representing the Pacific Psi Upsilon Union, the Psi Upsilon Association of Southern California, the Gamma and Epsilon Chapters, and, through Brother Hugh W. Adams, Lambda '98, of Los Angeles, the Executive Council of the Fraternity. We submit herewith a letter from Brother Adams in response to a telegraphic request for particulars, and an article from the Los Angeles *Times* of July 18, 1904, containing a brief sketch of Brother Martindale's varied and honorable career.\*

Special mention should be made of the death since the last Convention of two other brothers conspicuous for lifelong devotion to the Fraternity, no less than for high character and attainments—Brother Joseph Roswell Hawley, Psi '47, and Brother Willard Fiske, Psi '51, whose names have been for a generation household words wherever Psi Upsilons gathered.

In the following list of deaths reported to the Council during the year the Chapters particularly affected will recognize the loss of valued members: Brothers William Henry Wilcox, '43, Delta; Adrian Van Sinderen, '54, William Henry Hurlburt, '60, Frederic Wesson, '68, Henry Bruce McCarroll, '78, Beta; Frank Henry Croker, '01, Sigma; Henry Hill Goodell, '62, Gamma; Horace Harmon Burbank, '60, Kappa; Aaron Hale Burlingham, '48, Psi; Justin Spaulding Barrows, '54, Nathan Gilbert Cheney and Samuel Robinson Kelley, '69, Joseph Augustus Adlington and William Barnard Coleman, '73, Eugene West Manning, '77, George Herrick Dains, '84, Xi; Frederick Josiah Nott, '74, Upsilon; Archer Brown, '72, Phi.

III. ELEVENTH GENERAL CATALOGUE. Pursuant to *General Resolution No. 5*, of the Convention of 1904, twenty-five copies of the catalogue of 1902 have been reserved by the Council and two hundred and thirty-four (234)

\*Appendixes E and E'.

copies have been distributed to the Chapters. There yet remain in the hands of the Council two hundred and seventy (270) copies of the catalogue which were paid for by Chapter assessments, but which have not been called for by the members entitled thereto. In order to save the expense of storage and insurance and to furnish to those who may wish them the catalogues already paid for, it would seem advisable that notice be sent to the individual members, giving them an opportunity to secure the books upon payment of forwarding charges, or that the books be sent to the Chapters with a list of the names of their members whose assessments have been credited therefor.

IV. LEAFLET. On March 1, 1905, printed blanks were sent to the Chapters for the purpose of ascertaining the names, classes, residences and symbols of all members initiated since February 1, 1902, not included in the last catalogue. Reports have been received from all but two of the Chapters. As soon as the remaining reports are received it is proposed to have all the lists printed and proofs sent to the Chapters for revision and correction before publication.

V. NEW SONG BOOK. In response to requests for matter for the proposed new edition of the Song Book, contributions have been received from six of the Chapters. As nearly as we can now estimate, the cost of an edition of five hundred copies would be eight hundred dollars. This includes a royalty of forty cents a copy for each book sold, to be paid to Brother Karl P. Harrington, Editor of the Song Book of 1891. Brother Harrington gave his services gratuitously for three years in the preparation of that book, and the Convention of 1892 adopted a resolution (*General Resolution No. 11*) that out of the proceeds of the sale of the second thousand copies of the Song Book the Executive Council was authorized to pay him a royalty of forty cents per copy sold. Eleven hundred and five copies were issued of the 1891 Edition, and no royalties have been paid. As the new matter will constitute but a very small portion of the new book, and as the plates of the last edition will be available for the new, it seems proper to provide for the royalty approved by the Convention of 1892. Brother Harrington is willing to undertake the necessary work of supervising the preparation of the new book, if the Convention shall so elect.

VI. PRINTED SOUVENIRS. About five hundred sets of the printed souvenirs of the Seventieth Anniversary Banquet, held at the Waldorf-Astoria on November 24, 1903, are still undistributed. They include the menu card, songs, and leaflet containing half-tones of all the Chapter Houses of the Fraternity. It was hoped that by the sale of the extra copies of the souvenirs

among members of the Fraternity not present at the banquet it might be possible to pay the extra expenses of the occasion and add something to the general fund of the Fraternity. The money for the leaflets was advanced personally by Brother Irwin, of the Council, and there still remains a deficit of \$230.78, for which the Council is not officially or personally responsible to Brother Irwin. It would be gratifying, however, if the Convention would authorize the payment to Brother Irwin, from the general fund, of the amount advanced by him for which he has received no return. The souvenirs would, in such event, be distributed pro rata among the Chapters, and if not desired by the undergraduates would, we believe, be acceptable to many of the alumni. The price of the souvenirs sold has been one dollar per set.

VII. DR. JOHN H. MARTINDALE. Since the death of Brother Martindale it has been represented to the Council by members of the Fraternity in California that Dr. John H. Martindale, his son, is thoroughly qualified by character and by long familiarity with the history and traditions of Psi Upsilon to become a member of the Fraternity, and it has been asked whether it is possible to accomplish this result. The only practicable method appears to be that adopted in the case of Brother Leon Ferdinand Harvey, son of a Founder, who was initiated by the Theta Chapter pursuant to a constitutional amendment. While the Fraternity is rightly conservative with respect to amending its Constitution, it may be that the peculiar circumstances of the case would justify this exception, which can never arise again. The Council, therefore, submit the matter for your consideration.

VIII. THE PHI CHAPTER. The Council sincerely regret to report to the Convention the following facts concerning the PHI Chapter, which seem to indicate a want of proper attention to the business of the Fraternity. Alone among the Chapters the PHI has failed to comply with the provisions of *General Resolution No. 9*, of the Convention of 1902, relating to Fraternity badges. The explanation satisfactorily made in the fall of 1902 was that the Chapter had given its order for badges to a local jeweler before it was aware that an official jeweler had been selected, but no explanation has been offered since. The Annual Report of the Chapter for 1905 was received on February 6th and immediately returned for certain corrections. The corrected report was not forwarded until April 17th. The printed blanks for the names of members added to the rolls since February 1, 1902, were mailed to the Chapter on March 1, 1905, but have not yet been returned.

IX. THE BETA AND KAPPA. Pursuant to *Special Resolution No. 6* of the Convention of 1904, the Council wrote to the BETA and KAPPA Chapters in-

quiring why the Chapters were not represented by delegates at that Convention. Replies have been received from both Chapters. The BETA reports that under the strict regulations of the authorities of Yale University leave of absence would not be granted for the time required to attend a Convention so far distant as Madison, Wisconsin. The KAPPA reports that the expense incident to the erection and furnishing of the new Chapter house rendered it financially impossible to defray the expenses of a delegate to the Convention. Both the BETA and the KAPPA express deep regrets at their inability to send delegates to the RHO.

The Council would suggest that whenever it is impossible for any reason for a Chapter to send an undergraduate delegate to the Annual Convention of the Fraternity, a graduate of the Chapter living within reasonable distance of the place for holding the Convention should be delegated to represent the Chapter.

X. TREASURER'S REPORT. The report of the Treasurer is presented herewith.

Respectfully submitted,

HERBERT L. BRIDGMAN  
GEORGE S. COLEMAN  
GEORGE HENRY FOX  
GEORGE WELLING GIDDINGS  
JOHN V. IRWIN

*Phi Chapter of Psi Upsilon,**Ann Arbor, Mich.*

DEAR BROTHERS:—About ten days ago two young men from the University of Illinois at Champaign (30 miles from here) called upon me asking for information and influence toward establishing a chapter of Psi Upsilon at that place—telling me that the D. K. E. had already become established, and that the Alpha Delta Phi were also coming. I requested an outline of their club, the “Aztec,” and will enclose their letter to me.

I send you this communication in hopes you will put the matter in proper hands for investigation, and that you will communicate directly with them. I, of course, would be glad to have a chapter of Psi U. established at a point near me, if the br. thers after investigation thought them worthy.

With best wishes to all the members of the Phi, I am,

Yours Fraternaly,

STEPHEN C. GLIDDEN.

THE UNIVERSITY OF ILLINOIS,

CHAMPAIGN, ILLINOIS, Feb. 7th, 1905.

Dr. S. C. Glidden,  
Danville, Illinois.

DEAR SIR:—A short time ago you were called upon by two of our fellows concerning the Psi Upsilon question, and you asked for a history of our club and its aims. I submit herewith a detailed account of the organization and growth of the club.

Next Saturday evening there is to be a dual meet here between Chicago and Illinois. We would like, if you can find the time, to have you come over and meet the fellows. We expect to have some of the representatives who will be here at that time over for dinner, and also some other people. We would be very much pleased if you could come over, and will see that you have a good time. The trip will, of course, be at our expense.

Very truly,

H. S. HAZEN,  
*Corresponding Secretary.*

606 E. Green St.,  
Champaign, Ills.

At this date the club is completely organized and our finances on a sound footing. We are deeply in earnest, and will bend heart and soul toward the accomplishment of our object. With a twenty-room house leased for five years, and our furniture paid for, we are in a good position to give our united attention toward the advancement of a petition.

From the start our club has been a social and financial success. Our finances have always been very well in hand, and we have been prominent in the social functions not limited to fraternities. We appreciate the fact that the Psi Upsilon is the greatest and most conservative fraternity in the country, and therefore the most desirable, but we are determined to do everything within our power to obtain a chapter of this fraternity. It would be easier, we know, to obtain a chapter in some other fraternity, but since the Psi Upsilon is the greatest and most to be desired, we are determined not to let such an opportunity pass, if such an accomplishment may be possible. We therefore ask your careful and attentive consideration covering this matter.

[Accompanying the foregoing communications was an elaborate typewritten statement concerning the University of Illinois, its history, endowments, growth, instructors, students, organizations and prospects.]

LOS ANGELES, CALIFORNIA, July 23rd, 1904.

*Geo. S. Coleman, Esq.,  
Secretary of the Executive Council of  
Psi Upsilon Fraternity.*

DEAR BROTHER:—Apologizing for the hasty scrawl which I sent you a day or two ago, I address to you this, a fuller account of the death and funeral of Brother Martindale.

Brother Martindale died on Friday, July 15th, at San Diego, California, where his wife is still living. On Sunday, July 17th, he was buried from St. Paul's Church, Los Angeles, California. Members of the Order of the Loyal Legion acted as pallbearers at the church, but at the crematory chapel Dr. Martindale made a special request that a member of our fraternity share in the honor. The Rev. Guy Wadsworth of Occidental College was our pallbearer.

The loyalty of the fraternity was manifested by an attendance of twenty at the church, fifteen of whom accompanied the body to the crematory chapel, standing in line on each side of the entrance as the remains of our founder were carried in.

Another evidence of our loyalty was to be found in the flowers. For the Executive Council I had a big diamond pin of white carnations, with a bar for the clasped hands in gold, and the letters Ψ and Υ worked in in garnet. Brother C. Marble of the Gamma sent a smaller pin with the title of his chapter. The Pacific Psi Upsilon Union sent a beautiful scroll of white carnations with the letters ΨΥ, suggesting the history and the constitution of our fraternity. The Epsilon Chapter expressed their devotion by sending a wreath of purple and white flowers, while our little organization of Southern California sent a vacant chair in flowers with the ΨΥ pin worked in the back. The flowers were really very lovely, especially when you consider the difficulty in executing such unusual designs. Every floral piece was in some way suggestive of the fraternity, the great pin of the fraternity especially appealing to all the brothers present. This was the most successful design, and for that reason we surrendered it to you.

These manifestations of our loyalty were highly appreciated by Dr. Martindale and his wife, both of whom are Psi Us at heart. Within a short time

you will receive a letter from him expressing his thanks for your kind attention.

I enclose such clippings as I have been able to gather from the newspapers. Again thanking you for your prompt response to our telegram, I am,

Fraternally yours,

HUGH W. ADAMS,  
*Secretary.*

## COLONEL MARTINDALE

DEATH OF AGED AND GALLANT  
SOLDIER. FUNERAL AT ST.  
PAUL'S PRO-CATHEDRAL

The funeral of the late Col. Edward Martindale, who died in San Diego last Thursday, in his eighty-seventh year, was held at St. Paul's Pro-Cathedral in this city yesterday afternoon, the services being conducted by Rev. Dr. J. J. Wilkins. Dean Wilkins had for many years been a personal friend of Col. Martindale, who was warden of a church over which the dean formerly presided in Des Moines, Iowa.

The funeral was attended by many members of the Psi Upsilon Fraternity, all the founders of which have now died, Col. Martindale being the last. There were also in attendance members of the Loyal Legion of which the deceased was a member. He was a man of fine educational attainments, had been successful in all his undertakings, and was much sought after by all who enjoyed his acquaintance. Of his life and war record, the *San Diego Union* gives the following sketch:

Col. Martindale was born at Sandy Hill, N. Y., in 1817. He was a son of Judge Henry Clinton Martindale, a representative in the Congress of the United States 1823-31 and 1833-35, and a brother of Maj.-Gen. John H. Martindale of the United States Army. Col. Martindale was

graduated from Union College, Schenectady, N. Y., in 1836. He was one of the founders of the Psi Upsilon Society in 1835, of whom, perhaps, he was the last survivor. He was a prominent lawyer in New York, New Jersey and Iowa, and was for many years chancellor of the Episcopal diocese of Iowa. In 1861 he volunteered as a private and soon rose to the rank of colonel of the Twenty-sixth Regiment of New Jersey Volunteers. He was in many a hard-fought battle of the Civil War, in all of which he conducted himself gallantly, but he specially distinguished himself at the bloody battle of Malvern Hill, holding the command of a brigade. For this service he was offered a commission as a brigadier-general, which he refused. On two other occasions he was offered this rank, but refused it. He served with honor on the military staffs of several generals, including Benjamin F. Butler, Baldy Smith and others. In April, 1865, he was made the first military governor of Petersburg, Va., and held that command for one year.

Col. Martindale leaves an aged widow, who will remain in San Diego for the present, at least, and his son, Dr. John H. Martindale, and two grandsons, Edward and Howard Martindale.
