1946 CONVENTION HELD IN CHICAGO

A SUCCESSFUL annual Convention of Psi Upsilon was held in Chicago September 16th and 17th at the Edgewater Beach Hotel. Everything ran according to schedule, the sessions were well attended, and much interest was shown in the affairs of the Fraternity.

The accommodations and service were excellent, and the Convention ended with an informal dinner on Tuesday night attended by over one hundred of the Brothers. There were no speeches, but there was a lot of singing, and good fellowship prevailed.

Seventy-three Brothers registered for the whole of the Convention and, in addition, thirteen more came to lunch on Tuesday, and thirty-eight extras to dinner. The official photograph was taken just before dinner on Tuesday night, and nearly one hundred Brothers appear in the picture.

It is hard to describe adequately the splendid spirit that prevails at these gatherings, and the meeting this year was no exception to the rule. The Convention had to be kept small since the hotel could not assign us much space, due to crowded conditions. Many other Brothers would have liked to have attended had there been room for them. As it was, our space was filled to the extreme of its capacity.

Chapter-representation was good, and only three out of the twenty-eight did not have delegates on the floor. For the fourth year in succession, the Epsilon was not represented; it proved impossible for any delegate of the Theta to be in Chicago at that time; the Zeta Zeta did not have a man there.

The Executive Council was well represented, and President Turner of that body presided throughout the two days. Two other national officers were present, and, in all, seven members of Council attended the session.

Because most of the Chapters are just beginning to function at full capacity, and

since so many of the Chapter houses are undergoing repairs and redecoration, none of the undergraduate groups felt they could act as host this year. Accordingly, for the fourth time in succession, the Executive Council sponsored the event. Probably this is the last time Council will have to do this. Several of the Chapters indicated that they might be able to take the Convention next year.

Since the annual Conventions for the past seven years have been held on the Atlantic Seaboard, it was decided to hold this one in the Mid-West, and it is hoped that, in the immediate years to come, several other conventions will be held in the Mid-West, or in the Far West, in order to give the Brothers at a distance from New York a better opportunity to attend.

While no Chapter-representative was authorized to make a firm bid for the Convention of 1947, still, the undergraduates from no less than eight Chapters told the delegates that they might be in a position to take on the job next year.

Many favorable comments have been heard regarding the conduct of the 1946 Convention, the 104th, held in the 113th year of our Fraternity. This is a fine record of continuity, and makes our annual gathering one of the oldest representative legislative congresses in this country. Let the good work continue.

An Evening of Psi Upsilon Songs to greet Brother Jeff Weed is announced by Brother Earl D. Babst for Monday, November 25. All who enjoy singing are welcome. It will be informal, starting at 9 P.M. in the Council Room of the University Club, Fifth Avenue and Fifty-fourth Street, New York City.

WELCOME TO VISITING BROTHERS

By the President of the Executive Council

IN calling this Convention to order, in my official capacity as President of the Executive Council, I start by giving you a preliminary greeting; after the moves for permanent organization are completed, you will hear the regular annual communication of Council, in which our welcome will be expressed more formally.

Contrary to our inclination, Council has had to serve again as Convention sponsor, as it has done three consecutive times previously. The Xi, Zeta, Tau, Eta, Epsilon Phi, were asked whether they would act as hosts this year, but all thought it inadvisable. The Mu and the Rho were requested to sponsor this 1946 Convention, but neither felt it was in a position to do so. Accordingly, Council had to do the job. From now on, the Chapters should take on this function in regular rotation, following pre-war practice.

This Convention includes delegates appointed by the Chapters from among their undergraduates, and from their alumni; it also includes alumni-delegates appointed, as a continuing war-time measure, by the Executive Council, in accordance with authority given it by the Chapters, in order to insure a quorum (which means delegates from 18 Chapters). It is our policy to preserve the continuity of our annual conventions, which have met and legislated, in accordance with the principles of American democracy, for more than a century.

Three years ago, all of our Chapters were represented except the Mu, Epsilon and Zeta Zeta. In 1944, these same three Chapters were the only ones missing. Last year, for the third time in a row, the Epsilon had no delegate; the Rho, Zeta Zeta, and Epsilon Nu were missing also. This year, after many efforts to secure repre-

sentation by each of our Chapters, it seems probable that only two or three will be without delegates on the floor of this Convention, of which I fear the Epsilon will be one.

For the past ten years, our annual meetings have been held on the Atlantic seaboard. It seemed wise to meet this time in the Mid-West. Efforts were made to secure accommodations for June. They were not available, and the earliest dates open at a convenient place like this were these mid-September days. Adequate space was lacking, and we were limited here to room for about 35, with 50 as the outside limit. So we had to keep this meeting small, as there was hardly room for the required number of our delegates.

Notices were sent to all Chapter-heads, and the Presidents of all Chapter alumni associations, members of the Board of Governors of the alumni associations, and members of Council. In order to have a safe back-log of alternates to insure a quorum, announcements were mailed to a limited number of alumni of each Chapter who lived within a convenient distance of Chicago. At least three alumni of each Chapter received letters from me. As a result of all this effort, our Brothers have gathered together as you see them here.

We are grateful for your attendance. This is the only legislative body in our Fraternity. The results of your deliberations are important to our Society. Let us work in harmony and strive to live up to our traditionally high standards.

SCOTT TURNER

*President of the Executive Council
of the Psi Upsilon Fraternity*

Chicago, Illinois,
September 16, 1946

Brother Scott Turner Asks to be Relieved of His Active Duties

We are sorry to have to report that Brother Scott Turner, Phi '02, announced that he wished to retire from the Presidency of the Executive Council in October. He gave his reasons for his request, which were that he had served continuously for ten years as National President of the Fraternity, and felt that rotation in office was desirable. His letter of July 8, 1946, explaining his position, is here given in full:

July 8, 1946

Mr. Henry N. Woolman, Chairman
Executive Council's Committee to Confer with
Undergraduates as to Membership on the
Executive Council
132 St. George's Road
Ardmore, Pennsylvania

Dear Brother Woolman:

You are serving this year as Chairman of the Executive Council's "Committee to Confer with Undergraduates as to Membership on the Executive Council" (Brother Harold L. Berry and Brother R. K. Northey are the other two members), and at Chicago, on September 16 or 17, you will be presenting your views to the Convention Committee at that time appointed from among the delegates for the purpose of having recommended to the Convention the names of three brothers to serve for the next five years in these important posts.

Since my elective term as a member of the Council expires at that time, I wish to remind you that I have served on this body since the end of 1935, which makes nearly eleven years, and have held the office of President of the Executive Council since June 15, 1937, which constitutes more than nine years continuously occupying that post.

As you know, I have frequently suggested to Council the desirability of rotation in office, but the members felt that I should at least continue to serve during the war years. That I was glad to do, but the emergency is now passed, and I believe the time has come for me to step down and let someone else carry on in my place.

Therefore, I ask that your committee does not recommend me for farther elective mem-

bership on Council, and that you state to the Nominating Committee of the September Convention that I have requested that my name be not included in the list of three it will pass on for action by the September Convention. Thus, after the Convention, I will retire to the position of Life Member of Council ex officio, in accordance with amendment of Article II, Section 6, of the Constitution, passed as General Resolution No. 4 of the Convention of 1940. I shall then preside for the last time over the October, 1946, meeting of the Council, at which time new officers will be elected; in time to come, I will endeavor to work for the Fraternity in other ways.

It has been a great privilege and pleasure to give my services to Psi Upsilon and to the Executive Council through all these years, and I want to thank you and your two Committee members, Brothers Berry and Northey, personally for your friendly and cooperative attitude during the time I have been in office.

Yours in the Bonds,
SCOTT TURNER

At Chicago, in September, the nominating committee acceded to his request, read his letter to the Convention, and made it part of the Committee's official report. The Convention then passed resolutions of appreciation for Brother Turner's long and faithful service to the Fraternity, and expressed regret at his retirement. Subsequently, the Executive Council passed resolutions of similar purport, and Brother Turner retired from the Presidency on October eighth. He is now a Life Member of the Executive Council.

At the annual meeting of the Alumni Association at Chicago in September, Brother Turner was reelected to the Board of Governors for another term of five years, but later he presented his resignation, giving substantially the same reasons as for his retirement from the Presidency of the Executive Council. His resignation, after eleven years of active service, was accepted with regret by the Board at its meeting on October seventh.

LEROY J. WEED, THETA '01, NEW PRESIDENT OF EXECUTIVE COUNCIL

AT A meeting of the Executive Council held on October 8th, LeRoy J. Weed, Theta '01, was elected President. Brother Weed has been on the Council for eighteen years, having served under the chairmanships of Brothers Stevens, Douglas, and Turner.

Following his graduation from Union College, Brother Weed taught in the Mercersburg Academy for two years, but for the past forty-two years he has been associated with Ginn and Company, educational publishers, as representative, partner, and director. He was a member of the New York State Legislature and ran for the State Senate in 1914. He was a member of the Democratic State Committee for eight years.

Brother Weed is Secretary of the Board of Trustees of Union College and is a member of the Executive Committee of the Board of Trustees of Hofstra College, Hempstead. His home is at Garden City, Long Island, where he is a director of the Garden City Bank and Trust Company, and he is a member of the Vestry Committee of the Cathedral of the Incarnation.

He is a member of the University and Salmagundi Clubs of New York and the Cherry Valley Club in Garden City.

NEW MEMBERS OF THE EXECUTIVE COUNCIL

AT ITS meeting on September 9, 1946, the Executive Council accepted with regret the resignation of Brother Harold Lee Berry, Kappa '01, and elected to fill his term (until 1949) Brother Robert S. Taylor, Eta '25. At the Annual Convention three Brothers were elected to the

Robert I. Laggren, Xi '13

Council, each for the usual term of five years: Brothers Robert I. Laggren, Xi '13, Earle Machold, Pi '25, and Walter Scott Robinson, Lambda '19. Brief biographical sketches of the new Council members follow.

Robert I. Laggren, Xi '13

Brother Laggren was born in Elizabeth, N.J., on January 21, 1891, son of Ida Leake Laggren and John R. Laggren. After attending Pennington Seminary in Pennington, N.J., he attended Battin High School in Elizabeth, and was graduated with the class of 1909. He received a Bachelor of Arts Degree at Wesleyan University in 1913, and an LL.B. from New York Law School in 1916.

From 1913 to 1916, Brother Laggren taught and coached at Battin High School. After practicing law in New York for a short while, with the firm of Breed, Abbot & Morgan, he enrolled in the First Plattsburg Training Camp in 1917, and was later commissioned in the Field Artillery, Regular Army.

After the war, Brother Laggren was secretary of the Construction Claims Board, United States Shipping Board Emergency Fleet Corporation, and was executive assistant to the general counsel of the Board. Later, he was director of the Eastern District Supply and Sales Division of the United States Shipping Board.

In 1921, he joined with Brother W. B. Holton, Jr., Xi '10, and Brother Atherton Richards, Xi '15, in the formation of Holton, Richards & Company,* and engaged in financial management and industrial reorganization work until the dissolution of the firm in 1942. In 1943, Brother Laggren became associated with Wilcox-Crittenden & Company, Middletown, Connecticut, manufacturers of marine hardware and boating equipment as assistant to the President. This Company, established in 1847, is the largest in the industry. Brother Laggren is no longer connected with the active management of this Company, but continues as a director.

Brother Laggren has been a trustee of Wesleyan University since 1941, and was formerly a trustee of the Englewood School for Boys, Englewood, N.J. He also is a director of the Walworth Company, with plants in Boston, Massachusetts; Greensburg, Pennsylvania; Kewanee, Illinois; and East St. Louis, Missouri; Wilcox-Crittenden & Company, and the Rockfall Corporation of Middletown, Connecticut.

He was until recently a trustee of the Xi Corporation, and acted as General Chairman of the Xi Centennial, which was held from October 25 through 27.

His club affiliations are: Englewood

* All members of this firm were Psi U's. Besides Brothers Richards, Holton and Laggren they included Clarence L. Von Egloffstein, Delta '12, and Allen Martin, Eta '12.

Club, Englewood, N.J.; Uptown Club, New York City; and the Edgewood Country Club, Middletown, Connecticut. Other outside activities include directorships in the following: Middlesex Hospital, Middletown, Conn.; Middletown YMCA; and the Edgewood Country Club. He is also serving currently as President of the Middletown Exchange Club.

Brother Laggren was married in 1918 to Dorothy Wilcox of Brooklyn, N.Y., who died in 1940. His two sons were members of the Xi, Robert I. Laggren, Jr., who was an officer in the United States Marine Corps during the last war, and who is now a graduate student at the Tuck School of Business Administration, Dartmouth College, Hanover, N.H., and James Wilcox Laggren, a fighter pilot in the Marine Corps, who was killed in September, 1944, in a mission out of Bougainville.

In 1941, Brother Laggren married Eleanor Sanborn Wilcox of Middletown, Connecticut, and by this marriage, is the stepfather of four boys, the eldest of whom, William Walter Wilcox, 3rd, is a senior at Wesleyan University, and a member of the Xi. William Wilcox was in the V-12 Training Unit during the last war.

Brother Laggren formerly resided in Tenafly and Englewood, N.J., until he moved to Ridgewood Road, Middletown, Connecticut.

Earle Machold, Pi '25

Brother Machold was born in 1903 in Ellisburg, Jefferson County, New York. He attended the Public District School of Ellisburg and Union Academy of Belleville. He received his LL.B. from Syracuse University Law School in 1927.

From 1928 to 1929 he was associated with Charles A. Phelps, an attorney of Watertown, and from 1929 to 1930 with the law firm of Sullivan & Cromwell, New York City. In 1930 he joined the firm of LeBoeuf & Winston, New York City, and in 1934 was made a partner in that firm, the name at that time being changed to LeBoeuf, Winston, Machold & Lamb; in 1937 the name of this firm was changed to LeBoeuf, Machold & Lamb. Brother Machold severed his connection with this

Earle Machold, Pi '25

law firm in September, 1942, to assume his present post as President of Niagara Hudson Power Corporation, whose principal office is located at 300 Erie Boulevard West, Syracuse, New York.

He is a member of the Board of Trustees of Syracuse University; and a member of the American Bar Association and the New York State Bar Association. He is also a member of the Century Club of Syracuse, the Black River Valley Club of Watertown and the Broad Street Club of New York.

Brother Machold was married in 1928 to Alice Coonly of Syracuse, New York. They have two children, Anne Coonly Machold, born on March 11, 1938, and John Ward Machold, born on May 20, 1943.

Brother Machold lives at 106 Wendell Terrace, Syracuse, New York; his summer residence is at Ellisburg, New York.

Walter Scott Robinson, Lambda '19

Brother Robinson was born in Colorado Springs, Colorado, March 13, 1898, the son of the late Dr. John R. Robinson and Jessie D. Robinson.

He attended grammar school in Colo-

Walter S. Robinson, Lambda '19

rado Springs and graduated in 1915 from Phillips Academy, Andover, Massachusetts, after three years there.

He entered Columbia in the fall of 1915, receiving his A.B. degree in 1919. He then attended Columbia Law School and received an LL.B. in 1921. While attending Columbia College he enlisted in the United States Naval Reserve.

Brother Robinson has been associated with the law firm of White & Case, 14 Wall Street, New York, since graduation from Law School.

He married Miss Margaret Pray in 1926 and she died in 1941.

Brother Robinson has been Secretary of the Columbia University Club for a number of years and a member of the Board of Governors; a director of the Brooklyn Association for the Improvement of the Condition of the Poor; a member of the Board of Governors of the Alumni Association of Psi Upsilon for twelve years; Vice-President two years and President two years.

Robert Sayre Taylor, Jr., Eta '25

Brother Taylor was born April 15, 1903,

Robert S. Taylor, Jr., Eta '25

at Bethlehem, Pennsylvania, the son of Robert S. Taylor, Eta '95, and Caroline Wolle Taylor.

He attended Moravian Preparatory School and graduated from The Choate School in 1921. He took his A.B. degree at Lehigh University in 1925, and graduated from the University of Pennsylvania Law School in 1928, with the degree of LL.B.

Brother Taylor married Miriam I. Reed of Easton, Pennsylvania, on March 22, 1929. They have four daughters, Jane, Ann Reed, Mary Carol and Elizabeth Sayre. He is a member of the law firm of Taylor, Taylor, and Riskin, 535 Main Street, Bethlehem, Pennsylvania.

Brother Taylor was President of the Eta Chapter in 1925 and in 1943-45, during the war. He is the President of the Lehigh University Alumni Inter-Fraternity Council, Chairman of the Bethlehem, Pennsylvania Chapter of the American Red Cross, Chancellor of the Moravian Church in America, Northern Province, and is active in community affairs and welfare organizations. He and Mrs. Taylor reside at 442 High Street, Bethlehem, Pennsylvania.

XI CHAPTER CELEBRATES CENTENNIAL

By Arthur H. (Tex) Cotins, John B. (Duke) Halstead, and Joseph R. (Pink) Purcell, Xi '48

MORE than 250 alumni returned to Wesleyan on the week end of the 25th, 26th, and 27th of October to celebrate the Centennial of the Xi Chapter of Psi Upsilon. This Centennial was delayed three years from 1943 because of the war.

Festivities began on Friday with the welcoming of the alumni by the undergraduates, registration and similar formalities. Two Chapter meetings were held in the evening after a buffet supper, with an all-campus "Beat Amherst" rally occurring between the two meetings. The latter part of the evening was given over to reunion-like get-togethers at the House and at the homes of local alumni. Saturday morning the Xi Corporation and the Alumni Association held meetings, followed by a buffet luncheon at the house.

After Wesleyan's 46-13 defeat of Amherst, the Chapter was host at a reception to some three hundred and fifty guests. Among the invited were Lieutenant-Governor of Connecticut, Wesleyan Professor Wilbert Snow and Mrs. Snow, Governor-elect (former President of Wesleyan) Dr. James L. McConaughy and Mrs. McConaughy, Governor Raymond E. Baldwin (Wesleyan '16) and Mrs. Baldwin, President and Mrs. Victor L. Butterfield, delegates from the Psi U Executive Council, and nearby New England and New York Psi U Chapter representatives.

Ex-Governor of Connecticut Wilbur L. Cross, Beta '85, was the principal speaker at the banquet held Saturday evening in Fayerweather Gymnasium. His topic was "Living Sixty Years in Psi U." His speech followed those of Allan M. Eldredge, '47, undergraduate president of the Chapter, who delivered a brief address for the undergraduates, and Robert Irving Laggren, '13, General Centennial Chairman and recently elected member of the Executive Council, who welcomed the group present. Other speakers were: Brother LeRoy J. Weed, Theta '01, President of the Executive Council, representing the Council and the Theta Chapter, and representatives of

the Gamma, Delta Delta, Beta Beta, Delta and Chi; Burdette Ross Buckingham, Xi '99, who spoke on "Alter Ego"; Clarence R. Smith, Xi '99, whose subject was of "Wesleyan, Winchester (Xi '69), and Psi U"; Alexander P. Robertson, Xi '22, who interspersed his more serious remarks with some very real humor; Professor-Emeritus Karl P. Harrington, Xi '82, grand old man of Wesleyan, editor of the Psi U song book and a major contributor to the college song collection, who gave a fine address on "The Xi's First Century"; and Harold G. Travis, Xi '20, President of the Xi Corporation, who offered concluding remarks on the theme "Shall never sparkle less." The banquet was under the direction of Winfred B. Holton, Xi '10, as toastmaster.

On Sunday morning a memorial service was held in the college chapel, honoring the nine Xi men killed in all wars between 1843 and 1943, but specifically those who lost their lives in World War II: Benjamin Romaine, Western Knowles, '30, John David Jones, '38, William Robinson Evans III, '40, James Wilcox Laggren, '44, George William Papen, Jr., '44, and George Hall Wilding, '44. The service opened with a hymn, followed by the Scripture Reading by Reverend Roy Bullard Chamberlin, Xi '09. After a prayer, Bishop Herbert Welch, Xi '87, former head of Methodist missionary work in China, Japan, Korea, and India, and now head of all Methodist Overseas relief, delivered a moving address on Brotherhood. The Anthem was sung by the College Glee Club. Charles Coulston Gillespie, Xi '40, delivered "In Memoriam" after which the Shrine Song was led by Professor Karl P. Harrington, Xi '82. The service ended with the Psi U Doxology and the Benediction. Professor Joseph S. Daltry, at the organ, arranged an organ prelude of Psi U songs.

At 3:00 P.M. Sunday, the Xi presented a musicale featuring Nana Krieger, renowned Viennese pianist, whose renditions ranged from Chopin to Shostakovitch, providing beautiful and varied entertain-

ment, and Grace Fobes Smith, whose husband, Clarence R. Smith, Xi '99, accompanied her on the piano, interspersed Miss Krieger's work with some equally fine singing. The musicale and the Centennial celebration ended with a Xi Chapter sing led by John R. Ott, Xi '21, with Clarence R. Smith at the piano.

The background of the 100 years of the Xi is integrally connected with Wesleyan's history. Wesleyan Psi U's were instrumental in starting all three Wesleyan undergraduate publications, the newspaper *The Argus*, the literary magazine *The Cardinal*, and the year book *The Olla Podrida*, and in the organization of the first football, crew, and tennis squads. Highlighting the Xi's first century, among the 1200 men who have become Psi U's since that first group of 17 was initiated on November 20, 1843 are fifteen college presidents, Cornelius Cole, '47, first senator from California, and leaders in the ministry such as Bishop Herbert Welch, '87, and in teaching, law, medicine, journalism, and business.

There were three homes of the Xi before the present house was built in 1893. During the previous fifty years the Fraternity rented rooms on College, Main and Court Streets and built the first fraternity house as such at Wesleyan in 1878. This building, on Broad Street, just north of Court, still bears signs of Psi U occupation in the form of the Greek letters in iron embedded in the red brick walls.

The first eating club at Wesleyan, the North Club, was formed in 1838, and was taken over by the Xi Corporation as Chique Chaque in 1862. About the turn of the century the practice of assigning Chique Chaque nicknames to members upon initiation came about and this tradition is still carried on today.

Psi U's have expressed their love for Wesleyan in song just as they have for Psi U. Carl Price, '02, Frederick L. Knowles, '94, Clarence R. Smith, '99, have had part in writing many of the Wesleyan songs. One third of the words in the Psi U song book were written by Wesleyan men, as was one third of all original music.

Xi men have been prominent in all fields of athletics. They played a major role in

the founding of the first football team as such in 1882 and between 1885 and 1893 when Wesleyan was in the "Big League" as many as seven Psi U's were on the starting line-ups. These were the years when Wesleyan defeated such teams as Harvard, Pennsylvania, and Michigan. C. Everett Bacon, '13, was an all-American selection of many sports writers, and other Xi football players have been nationally notable.

Edwin O. Smith, '93, was captain of the baseball team which in 1893 accepted an offer to play in the tournament at the Chicago World's Fair. Edwin T. Harman, '10, was captain of the first and perhaps the only organized hockey team in the history of the college. Tennis received its initial impetus at Wesleyan from Xi men in 1883.

Throughout its history the Chapter has maintained a consistent and average scholastic standing; had the Jackson Cup, awarded now annually to that fraternity attaining the highest scholastic average, been given in 1944 it would have come to the Xi.

At present the Xi stands high on campus, with 59 members and a fine reputation. On the football team which has captured the "Little Three" title this year are Brothers Morton, Dundas, Jordan, and Malcolm. The Xi is represented in all other fields of athletics, with Pledge Powell outstanding as captain of the freshman soccer team. More than eighty per cent of the Chapter is involved actively in extracurricular activities, with strong representation on all the college publications, College Body committees, Christian Association, and the many clubs which form such an important part of Wesleyan life. The house has a strong freshman delegation and seems destined to continue in its high position on campus.

With this background the Centennial took place under the very able direction of Brother Laggren, '13. He and all the men who acted with him on the various committees necessary for the successful completion of such an important function deserve the greatest of credit for their very able and efficient handling of it.

(Continued on page 14)

The Third and Last of Three Installments of the Report of Our Special Committee on Improving Relations of Chapters with Educational Institutions

(2) *Discussion Meetings*

Again, education should prepare the individual for useful living under the social and economic conditions likely to confront him. His future success, aside from purely material rewards, may well be measured by how nearly he approaches to attainment of the greatest usefulness to society which his personality and abilities may permit, and by how genuinely fine an individual human being he may become. As stated in one of the publications of the National Interfraternity Conference, he should leave college with something approaching a philosophy of life, and this connotes firm convictions and a sense of social obligation.

During the lifetime of our undergraduates the United States is certain to have to face a number of weighty problems. The march of world and national events is very swift. Numerous important decisions will have to be made simply because they cannot be delayed. The nature of these decisions may have unusually far reaching consequences upon the peace we seek to build; upon the processes of democracy within the United States; and upon our prosperity, happiness and well being as a nation.

It is peculiarly a period in our national history when processes for forming public opinion must be encouraged and developed. Our people must be aroused to think upon these problems. Otherwise, our national leaders will lack the guidance of the wisdom coming from the thinking of the masses, and they cannot be certain that they are leading us upon courses of action which will command the united support of our people.

It is highly desirable that while in college our undergraduates form the habit of being alert, public-spirited citizens, well-informed as to the nation's problems and possessed of carefully considered opinions

as to how they should be solved. They should also form firm convictions as to the proper standards of ethics and conduct in public office as a step in substituting as a basis of all public decisions the welfare of the national as a whole, rather than the immediate, selfish gain of some pressure group.

In order that the personal thinking of our undergraduates should be of greater public value, they should seek to gain—

A knowledge of general history, particularly that of the last fifty years;

An understanding of the functioning of our own government and of the social and economic forces shaping contemporaneous thought;

A comprehension of the trend of such forces towards altering the processes of democracy within the United States;

A knowledge of the factual foundation of the peace settlement made following this war and of the problems confronting this nation and other nations in efforts to build a firm and lasting peace; and

An appreciation of the obstacles to be overcome in maintaining a prosperous system of free enterprise in the United States in competition with socialistic nations, and despite burdens imposed by a huge national debt and the mounting expenses of military and naval establishments.

As a step towards accomplishing these objectives, and as a contribution to the education of our undergraduates and to their general usefulness to the nation in after life, our committee recommends that each Chapter hold in each year a limited number of discussion meetings on important national or international problems. These could be interspersed with similar meetings on campus problems and our traditional literary meetings.

We believe such meetings should not be held more frequently than once a month. We reach this conclusion partly because

we do not desire to transform Psi Upsilon from a fraternity into a debating society, and partly because we believe that the program suggested will not survive unless made stimulating and interesting to the undergraduates. A few well prepared meetings of this character are preferable to a greater number without preparation.

Each of such discussion meetings—whether on a national, international or campus problem—should be conducted as a forum. A member of the faculty, or the head of the house, might act as moderator. There should be a prepared speaker, or speakers, to expound briefly each side of the issue. Their talks should be followed by general discussion. The objective should be to stimulate each undergraduate present to think independently, to participate in the general discussion, and to reach his own opinion upon the problem. Acquiring ease and fluency in expressing oneself lucidly before a group is a most valuable part of education.

For the practical reason that a forum is more interesting when conducted by a larger rather than a smaller group, the launching of any such program probably should wait until Chapters regain normal enrollment.

The topics selected for discussion should not be of a partisan political nature; but rather those in which the division of opinions transcends political party lines. Needless acrimony within the Chapter should not be aroused. If such meetings were to be held immediately, examples of topics which might be chosen are the following:

The desirability of peace-time universal military training within the United States.

Should a minority of the Senate be allowed to block an important treaty, or is the public sufficiently protected if the treaty must be ratified by a majority vote of both House and Senate?

The control of the use of the atomic bomb.

As an aid in guiding the preparation of assigned speakers, the moderator should be furnished with a skeleton outline of the arguments advanced for and against both sides of any issue, together with references to outside reading matter. The outside reading matter should be selected with a

view towards the time contribution which an undergraduate is in position to make.

We understand that the National Interfraternity Conference has entertained a similar idea and that a committee of the Conference, assisted by a number of prominent educators, has been at work for some time in preparing the basis for a series of discussion meetings on public problems.

If the foregoing suggestion is adopted, our own committee believes that Psi Upsilon should not place sole reliance upon the National Interfraternity Conference as a source of material for discussion meetings. Instead, we would recommend that the Executive Council appoint from alumni a committee on discussion meetings. This committee should sift material available from National Interfraternity Conference and to the extent deemed desirable, alter that material or prepare its own outlines for discussion meetings on topics which it selects. As submitted to the moderator, such material should present arguments on both sides of any issue in fair and impartial fashion. The objective is not a medium for propaganda, but a program for education.

Serving on such a committee may involve considerable work. In order that needless repetition of effort may be avoided, one central committee for the entire fraternity is suggested rather than a separate committee from among the alumni of each Chapter. Possibly its membership should include professional educators. We believe that the work of this committee would have to be well done for the project to succeed and survive.

Of course, such a program cannot be launched by compulsion, but would have to be adopted by undergraduates of their own free will. They should have the privilege of selecting topics for discussion. Those topics submitted to the Chapters by the Committee appointed by the Executive Council should be offered merely by way of suggestion. If any Chapter desires to discuss a subject not included on the list, the committee should assist in assembling material on such subject.

As so conducted, we believe that through such discussion meetings the fraternity would materially assist the college in training undergraduates to become

thoughtful, public-spirited, intelligent and useful citizens.

(c) *Regarding Putting Education to Effective Use*

Every educational institution wishes its alumni to achieve success following graduation. Any activity of the fraternity which contributes to that result should prove welcome to the administration of a college or university.

A man's success in life may largely depend on promptly finding congenial work to which he can devote his best energies. For those electing to follow certain of the professions, career guidance should be given before the student enters college. The choice of the profession frequently involves a determination of the type of education to obtain and the particular college or university to attend. Our first contact with our members, however, starts when they join our Chapters. In spite of this, even when a man has already determined to become an engineer or a doctor, there is much helpful information which alumni can impart about his proposed career. In addition, those of our members who have not yet chosen their life work are in even greater need of guidance.

Most youngsters make the decision as to the work they enter somewhat blindly, without real knowledge from the inside of the true nature of the choice which they have made. Through alumni who have been successful in manufacturing, merchandising, mining, advertising, accounting, banking, engineering, government service, law, medicine, teaching and other activities, we are in a position to give the undergraduate members of our Chapters an excellent picture, showing:

The nature of the mental problems and the problems in human relations confronting a man in his contemplated future work;

What financial rewards may be achieved therein, and what personal satisfaction may be derived from a sense of having been useful or helpful to other individuals or to society in general;

The personal qualities and mental aptitudes needed to achieve success in the contemplated field; and the best program to follow in taking up such a career.

In some colleges and universities adequate programs for the guidance of undergraduates in selecting their life work may already exist. In others, they emphatically do not. To the extent necessary at the given college or university, any one of our Chapters through its alumni is in a position to organize a career guidance program of this character and in so doing to render a real service to undergraduate members.

Many of our members will no doubt feel that we should also have committees in various localities to assist undergraduates to locate suitable business and professional openings. During the first several years following the war there may be an even greater need for such an activity. Returning war veterans and brothers desiring to shift from war to peace-time business openings may well need assistance. We do not, however, recommend any such effort to the alumni of a single Chapter. It would be far more apt to attain objectives if undertaken by the alumni of all Chapters located at any given city. The determination of the feasibility of attempting such an activity would seem to be the province of the Psi Upsilon Alumni Association and of local general alumni associations in major cities.

(d) *Regarding Alumni Reunions*

Alumni gatherings and reunions should be frequent and every effort should be made to obtain a good turn-out at each of them. The fraternity has been of great assistance to the college in stimulating alumni organizations and in kindling and maintaining alumni loyalties. The administration of the educational institution should be made to realize the value of the fraternity in such efforts.

CONCLUDING REMARKS

In short, our committee believes that each Chapter can best gain the good will of the administration of an educational institution by the alert, wise and efficient conduct of Psi Upsilon's traditional activities, including alumni reunions which build loyalty to the educational institution.

The Chapter must be persistent in well-planned efforts to stimulate conscientious attention by its members to the demands of the curriculum. It must be alert to oppor-

tunities to aid in the educational program, seeking to arouse in its members an intellectual curiosity which will continue after graduation. It should encourage them to seek to become public-spirited and well-informed citizens, qualified to assume the responsibilities of leadership. Moreover, it is desirable that alumni of the Chapter cooperate in efforts to enable its members to put their education to effective use in their graduate years. An educational institution always looks with pride to the accomplishments of its alumni.

Furthermore, it must never be forgotten that the Chapter is a part of the social life of the college. It must make its own participation in that life satisfactory to the college administration. In so doing, through a spirit of cooperation and a general attitude of friendliness, it must endeavor to be helpful in making the social life of all other students upon the campus satisfying and worthwhile.

We must realistically recognize that the administration of an educational institution is apt to judge fraternities as a group. The achievements of one may seem overbal-

anced by the derelictions of others. Each Chapter, therefore, should be particularly careful that its own accomplishment aids rather than harms the other fraternities upon the campus. It must be ready fully to cooperate with other fraternities in any effort to improve the records of all.

Finally, one of the functions of a fraternity is to build human values. Psi Upsilon must maintain high standards for these values. Its influence should be directed towards building character, developing abilities and aiding members to become genuinely fine human beings.

Respectfully submitted,
STEPHEN G. KENT, Delta Delta '11

Xi Chapter Celebrates Centennial

(Continued from page 10)

Adding much to the spirit of the occasion and the very real depth of feeling so much in evidence was the donation of plaques by Isaac C. Sutton, '00, in memory of his brother Howard A. Sutton, '95. These plaques of New England colleges now decorate the dining room of the Xi.

A new clock to take a place on the mantelpiece in the entrance hall of the Xi was donated by the delegation of '44 in memory of the three members of that delegation who lost their lives in World War II.

Notable among those present for this historical occasion, in addition to Brothers Welch, Harrington, Smith and others previously mentioned, were Brother Edward A. Bawden, '90, who despite ill-health travelled from Philadelphia to attend, and a great many of the younger alumni who have not been able to return to the Xi for several years because of the War.

The Xi, it seems, has most successfully through its first century furthered and upheld all that which is best in fraternity tradition and has held a place as one of the best representatives of the Psi U spirit and ideals. That it seems destined to continue to do so for many years to come is equally evident. It is the hope of all members of the Xi, undergraduates and alumni, that the next hundred years may be as full and marked with distinction at the last. This celebration, which in its tone, content, and spirit was so typical of all that Psi U and the Xi means connotes for the Xi a suitable completion, and an end which is a beginning and a continuance, of one hundred years of esteem and high standing in Wesleyan and the whole Psi U Fraternity. It connotes a mark of merit for the past and a very real challenge to the future to uphold that mark and live up to its implications.

NAMES IN THE NEWS

Allen Walz, Delta '35

ALLEN WALZ, Delta '35, most successful coach in the history of rowing at Wisconsin, will become head crew coach at Yale shortly, according to the Wisconsin State Journal.

Brother Walz came to Wisconsin in 1940 after having coached at Manhattan. He handled Wisconsin crews during the 1941, 1942 and 1946 seasons, winning 25 races, while losing nine. He was in the Navy during 1943, 1944, and 1945, being discharged with the rank of Lieutenant (s.g.).

It was in 1946 that Wisconsin had the finest crew in its history, the Badger eight which won the Eastern Association of Rowing Colleges' Regatta on the Severn River.

Brother Walz had come to terms with Wisconsin some time ago, but the Yale financial offer was too flattering to resist. Another determining factor was the superior rowing facilities at Yale.

Albert C. Jacobs, Phi '21

PROFESSOR ALBERT C. JACOBS, Phi '21, Professor of Law and director of Columbia University's veteran program, has been named assistant to the president of the University, it was announced by Dr. Frank D. Fackenthal, acting president.

Although he has an indefinite leave of absence from the School of Law to devote full time to his new position, Brother Jacobs will continue his direction of the veterans' program.

Richard M. Ross, Lambda '20

RICHARD M. ROSS, Lambda '20, was nominated president of the Association of Customers' Brokers. He is now a partner of Dean Witter and Company and is President of the Lambda Alumni Association.

Edward Hungerford, Pi '99

In Charles Messer Stowe's column, "The Quester," in the *New York Sun* of September 6, 1946, he mentioned that Edward Hungerford, Pi '99, was the author of a little booklet printed by the Gallery Press, entitled *The Genesee Country*. This is

really a collector's piece, according to Mr. Stowe, printed in baskerville type and illustrated by Norman Kent.

Brother Hungerford is a well known historian of railroads (see *THE DIAMOND*, June, 1939, for a detailed account of his many and widely varied interests and activities).

E. Roland Harriman, Beta '17, and W. Averell Harriman, Beta '13

E. ROLAND HARRIMAN, Beta '17, was elected chairman of the Board of the Union Pacific Railroad Company, to succeed another Psi U, W. AVERELL HARRIMAN, Beta '13, new United States Secretary of Commerce. At the same meeting, Artemus L. Gates, Beta '18, was elected a director of the road.

E. Roland Harriman has been a director of this road since April, 1920.

Harold W. Tideman, Beta '16

HAROLD W. TIDEMAN, Beta '16, has been named by President Truman as Ambassador to Haiti. For five years he was assistant to Myron C. Taylor, Personal representative of the President to Pope Pius XII.

Justice Owen J. Roberts, Tau '95

JUSTICE OWEN J. ROBERTS, Tau '95, was the first layman to be president of the Protestant Episcopal House of Deputies at the Triennial Convention held recently in Philadelphia. This establishes a new precedent, and it is interesting to note that Justice Roberts defeated the Very Rev. Claude R. Sproue by a vote of 338 to 236.

ANSON T. MCCOOK, Beta Beta '02 of Hartford, a lay delegate to the Convention came into prominence in straightening out the legal aspects of the seating of Mrs. Randolph H. Dyer, first woman delegate seated by the House of Deputies.

O. D. Keep, Delta Delta '25

O. D. KEEP, Delta Delta '25, is now editor and publisher of *Fortnight*, the new Pacific coast general amusement magazine,

and he is also president of O. D. Keep Associates, Inc. This is the first general magazine to be published on the Pacific coast, and will be a critical digest of the entertainment, artistic and outdoors opportunities offered by California life.

Alfred E. Driscoll, Delta Delta '25

ALFRED E. DRISCOLL, Delta Delta '25, easily won the Republican nomination for Governor of New Jersey in the primary election by defeating Harold G. Hoffman by 76,000 votes over the former Governor. This was an overwhelming endorsement of Brother Driscoll's fine public record, and it was later confirmed by Brother Driscoll's election to the Governorship.

Upon being notified of his election, Brother Driscoll made a brief radio address, in which he declared that his election was "a mandate for continued good government" in New Jersey, and said that he planned to call on "the maximum number of people in every walk of life" to help him make his administration successful.

Brother Driscoll has been the New Jersey State Alcoholic Beverage Control Commissioner.

Frederic R. Coudert, Jr., Lambda '18

FREDERIC R. COUDERT, JR., Lambda '18, who was elected to Congress from the mid-Manhattan 17th Congressional District, traditionally known as the "silk-stocking" district, is the son of Frederic R. Coudert, Lambda '90, and the grandson of the late Frederic R. Coudert, Lambda '50. Both his father and his grandfather headed the international law firm of Coudert Brothers, of which the younger Brother Coudert is still a member.

Brother Coudert's activity in politics dates back to 1924 when he was an assistant federal attorney for the Southern District of New York. In 1929, when he was only 31 years of age, he ran for District Attorney of New York County, but was defeated. In 1938 he was elected to the State Senate, and made what, according to the *New York Times*, was generally regarded as an intelligent though conservative record. He became the principal target of radical groups when, as chairman

of a sub-committee investigating education in the State, he hammered at Communist influences in the schools.

Born in New York City in 1898, he was graduated from Columbia University in 1918, received his law degree in 1922, and was admitted to the bar in 1923. He served with the 105th Infantry, 27th Division, in World War I. He is married.

William P. Remington, Tau '00

There may be a number of Brothers who will not recognize WILLIAM P. REMINGTON, now Suffragan Bishop of the Episcopal Diocese of Pennsylvania, as the former Billy Remington of the University of Pennsylvania track squad of 1900, who had as teammate Alvin C. Kranslein, the famous hurdle ace.

Roy E. Tomlinson, Rho '01

ROY E. TOMLINSON, Rho '01, who has served almost continuously for 28 years as president of the National Biscuit Company, has been elected chairman of the Board.

Robert F. Wagner, Jr., Beta '33

LIEUT. COL. ROBERT F. WAGNER, JR., Beta '33, son of the senior United States Senator from New York, acted as campaign director for Senator James M. Mead, Democratic, American Labor and Liberal party nominee in the late New York State gubernatorial campaign. Brother Wagner was granted a leave of absence from his duties as New York City Tax Commissioner with Mayor O'Dwyer's approval.

Brother Wagner attended Harvard Business Administration School and the School of International Relations at Geneva, Switzerland. Elected to the State Assembly in 1937, he resigned in 1941 to join the Army. He served overseas in England with the Eighth Bomber Command and later was attached to the Nineteenth Tactical Air Command, which was known as "Patton's Cavalry of the Air" and with which he fought in France, Luxembourg and Germany. He has the Bronze Star, the Croix de Guerre, six battle decorations, and a Presidential citation.

Brother Wagner has also recently been elected a vice-chairman of the Democratic Veterans' Association.

THE ARCHIVES

Psi Upsilon's 113 Years

By HENRY C. TRUNDLE, Xi '21

YOUR Archivist feels that he has entered upon his duties under the most auspicious auguries: Letters from such a great Psi U and angel of the Archives and the Annals as Earl D. Babst, Iota '93, former President of the Council; from Karl P. Harrington, Xi '82, author of many Psi U songs and Editor of our Song Book; from LeRoy J. Weed, Theta '01, newly-elected Council President.

But we felt really launched into our new job when we received a kindly letter from Charles R. McCollom, Mu '06, all the way from La Jolla, California, in regard to the picture of the Theta Group of 1888 which appears on page 70 of the *Annals of Psi Upsilon*. His brother-in-law, Brother George H. Chute, Theta '90, had taken the trouble to identify each man in that splendid picture. You older Brothers of the Theta, shine up your glasses, look at page 70, and see if you remember these "last year's freshmen" of your time!

Top row, left to right: F. E. Hawkes, '90; A. B. Van Voast, '90; C. W. Culver, '89; J. M. Furman, '89; J. T. Gilmour, '88; Norman Bates, '88; G. C. Baker, '88; D. W. Voorhees, '89; H. C. Depuy, '90; F. B. Richards, '88.

Second row: J. R. Truax, '76; A. W. Wright, '82; T. W. Wright, '87; W. Lamoroux, '44; H. G. Mandeville, '88; Wallace Foote, '84; B. H. Ripton, '83.

Bottom row: G. H. Clute, '90; T. H. Robertson, '91; L. E. Roe, '91; M. G. Barney, '91; T. H. Foote, '85; H. T. Mosher, '90.

There are a lot more pictures in the *Annals* and **THE DIAMOND** to identify. Would some of you other Brothers undertake to do a similar labor of love for Psi U? You'll be surprised how much pleasure it will give you, and the rest of us, in the reading of it. Send them in and we'll publicize them.

Greek Song Translated

Brother Karl P. Harrington, Xi '82, Editor of Songs of the Psi Upsilon Fraternity, sends the following English version of the Greek song on page 33 of that book. A conspicuous merit of Brother Harrington's English words is that they may be sung to the same tune (of which he is the composer) as the Greek words by Professor Lewis R. Packard, Beta '56.

(1)

Come brothers one and all
Who share the Mystic Bond,
Let's sing of our Psi Upsilon!
There never was before,
Nor in the future will be
The equal of Psi Upsilon.

REFRAIN

There never was before,
There never was before,
Nor in the future will there be
The equal of Psi Upsilon.

(2)

All else let us forsake—
Like studies deadly dry—
Let's go to our Psi Upsilon!
And there let us rejoice,
With instruments and dancing
Do honor to Psi Upsilon!

REFRAIN

And there let us rejoice,
And there let us rejoice!
With instruments and dancing
Do honor to Psi Upsilon!

Initiations are in full bloom. Centennials are also being held here and there—notably the Xi. Send to the Archivist such memorabilia of these as you can gather together. It all will make wonderful reading for your Psi U sons a too few years hence, but will be much more appreciated reading by you and them later on.

THE PSI UPSILON SCENE

Theta

DR. JEFFERSON WEED, '29, and Mrs. Weed, of Belleville, N.J., announced the birth of their child, a son, on March 22, 1946. The baby is a grandson of LeRoy Jefferson Weed, Theta '01, newly elected President of the Executive Council of Psi Upsilon.

Sigma

GEORGE HODSON SIMPSON, '37, former Lieutenant Commander U.S.N.R., was married on October 26 to Miss Helen Gyger Rippey, of New York, daughter of Mr. and Mrs. James L. Rippey of New Haven, Conn. Brother Simpson is the son of Mrs. Ernest C. Simpson of New Haven and the late Judge Simpson, who was a Connecticut Superior Court Justice. He served in the invasion of North Africa and was flag lieutenant and aide to the commander, Southeast Pacific Force.

TOM CONROY, '19, is Secretary-Treasurer of the Cincinnati Reds, in addition to his many civic and banking duties.

Lambda

Four Lambda men gave their lives in Service during the war, JOHN L. MASTERTSON, '27; JOHN P. MOLLER, '38; JULIAN H. BURGESS, JR., '40; and ALDEN NELSON WOOD, '42. Lieutenants Miller, Burgess, and Wood all served in the U.S.A.A.F.

The more fortunate brothers who survived have almost all returned to their former peacetime pursuits. An exception is NED KENT, '36, who became fond of Hawaii during his wartime service as a Naval Lieutenant. Ned has taken over the job of Sales Manager for the Hawaiian Electric Company, and has settled there with his wife and two children.

CHARLES KEPPEL, '30, was recently retired from the Navy as a Commander after 4½ years' service and is now an officer for Messrs. Rockefeller.

JOHN TORREY, '34, has been with the Du Pont Company since completing his graduate studies in chemistry at the University. When war came he was assigned to research on the Atomic Bomb and spent secretive years in Oak Ridge, Tenn., and Richland, Wash. He is now back at the head office in Wilmington, Del.

JACK EVANS, '36, has been hospitalized for a long time as a result of combat injuries, but we are glad to report that he is now up and around. When last seen he was on terminal leave and planning to turn in his Captain's bars for a civilian suit.

FRED MICHEL and JACK MORAN, also '36, have returned to Wall Street after long service with the Army. Fred has gone back to Dean Witter & Co. LANG SULLY, of the same delegation, was another Army man, and is now co-owner of the F. J. Low Advertising Agency in New York.

JACK NOBLE, '33, after five years with the U. S. Army, much of it in the Pacific, is now handling Press Relations for the Museum of Natural History in New York. Across the street, AL WALL, '34, has returned to his job with the New York Historical Society after service as an Army Captain.

KEN JOHNSON, '34, spent the war with the U. S. Army and is now back at his desk writing for the *Brooklyn Daily Eagle*.

BOB JARRETT, '34, retired from the Navy last year as a Lieutenant and is now with Artek-Pascoe in the furniture business in New York.

Two of the class of '36 flew with the R.C.A.F. in England. JOHN MAGOR is now Public Relations Officer for the Canadian Pacific Railway in Winnipeg and LEW OGLE is with the Curtis Publishing Company in New York.

BILL HANNA, '37, after service as a Lieutenant in the U. S. Navy has re-entered the steamship business and is now with the North Atlantic & Gulf S. S. Co. TOM BANDLER, '37, navigated Fortresses for the 8th Air Force in England, and is now in business in Detroit.

JOSEPH D. COFFEE, JR., '41, entered the Navy in August, 1941, and retired in January, 1946, with the rank of Lieutenant Commander. He is now assistant to the General Secretary of Columbia University. MATHEW NORTON, '45, has also returned to Morningside Heights and is working in the Admissions Office with Bernie Ireland, '31. Norton spent the war years with the Army Signal Corps. BERNIE IRELAND was declared essential to the University at the request of the President, and devoted a great deal of his time to working with the Navy on their training program at Columbia.

Among the Lambda men who have resumed their studies is DAVID C. KEUTGEN, '42. After Army Service Dave has entered Law School.

CHARLES D. SCHNEIDER, originally of the class of '43, re-entered Columbia and received his A.B. degree in June, 1946. He finished his Army Service as aide to Maj. Gen. G. C. McDonald.

JULIAN A. DICKENSON, II, started school with the class of '46, but left for three years'

service with the Army, half of which he spent overseas. Now he is back taking a pre-engineering course, and expects to get his degree in 1949.

ROGER D. LOPEZ is another pre-engineer who switched his graduating class from '46 to '49. Roger spent the three years in submarine service.

RICHARD H. WEHMEYER left Columbia in 1943 to spend three years with the Army Air Corps. He was discharged in February, 1946, and expects to finish Business School in 1947.

JOHN S. CHESNUT, '43, is back working for his B.S. degree in engineering after service with the Air Corps Weather Service in Newfoundland.

Kappa

HON. ROBERT HALE, '10, of Portland, was reelected from the first congressional district in Maine to his second term in the National House of Representatives in the September elections.

THEODORE E. EMERY, '13, spends his winters at 1135 Lakeview Drive, Winter Park, Fla.

WINTHROP BANCROFT, '16, is now living at Ponte Vedra Beach, a short distance south of Jacksonville, Fla.

LT. COL. FREDRIC G. KILESKI, '20, U.S.A., is Administration Officer of the Chemical School, Edgewood Arsenal; residence: 144 North Bond Street, Bel Air, Md.

DR. OLIN S. PETTINGILL, JR., '30, of Carleton College, Minn., has recently produced a Laboratory and Field Manual of Ornithology from the press of Burgess Publishing Co., Minneapolis, \$3.50.

ART CRIMMINS, '31, is Manager of the Baltimore and Potomac Tel. Co., Charleston, W.Va., at 816 Lee Street.

PHIL AHERN, '32, is engaged in Government research. Address, 52 Broad Street, Pittsfield, Mass.

PHIL JACKSON, '32, has a new address, 1627 North Edgeworth Street, Philadelphia.

FRED PURDY, '32, is a welding engineer with the Westinghouse Electric Co., Boston.

PAUL AMBLER, '34, is in the machine tool business in Natick, Mass. He is married and holds four queens, including the Mrs.

CHANDLER REDMAN, '34, FPFA, is in Seattle: Regional Property and Procurement officer. Building emergency shelters at colleges for veterans.

REV. R. LLOYD HACKWELL, '34, former Navy chaplain, is now rector of St. Andrew's Church, Albany, N.Y. His address is 472 Western Avenue.

DR. JOSEPH G. HAM, '34, having been discharged from the Navy, has resumed his practice. His office is at 52 Deering Street, Portland, Me.

DON MCK. SMITH, '35, now lives at 178-79 Lake Avenue, Lakewood, Ohio.

LT. COL. DOUGLAS WALKER, '35, was awarded a Legion of Merit in December. He was retired in June, 1946, and is now at the Laconia Clinic, Laconia, N.H.

WESTON LEWIS, '36, and BURROUGHS MITCHELL, '36, are both out of the Service. Weston is back with his old firm and living at the Yacht Club, Stamford, Conn. Burroughs and Mrs. Mitchell are living at 62 Perry Street, New York City.

RAY WEST, '36, lives at 72 West Broadway, Bangor, Me.

LT. WARREN BUTTERS, '37, is at Ft. Ethan Allen, Winooski, Vt.

CHARLIE NOYES, '37, is out and coming back to Bowdoin to finish up.

NATHAN DANE, II, '37, Ph.D., formerly instructor at University of Illinois and Oberlin, ex-U.S.A., has joined the Classics Department at Bowdoin.

DR. LEON BUCK, '38, has two sons, and is now practicing dentistry in Bath, Me.

WELLS WETHERILL, '38, is an industrial engineer in TWA. Address, 5225 Wyandotte Street, Kansas City, Mo.

ALBERT A. (SHORTY) CLARKE, '39, is with McKensy and Co., Lincoln Building, 60 East 42nd Street, New York 17, N.Y.

CLYDE HOLMES, '40, ex-U.S.N., is home again and with the Eastern Towing Co., Belfast, Me.

FRAN ROQUE, '40, U.S.N., received a Presidential Unit Citation, was discharged a Lieutenant Commander, and is now coaching at Tilton Academy, N.H. He also has two sons.

DR. LIN ROWE, '40, U.S.A., is stationed in Manila, P.I.

BROOKS WEBSTER, '40, U.S.N., is now with the credit department, Electric Storage Battery Co., 6150 3rd Street, San Francisco 24, Calif.

HANK BONZAGNI, '41, Navy Air Corps, was married in May to Miss Drapeau of Brunswick, and is now with the Northeast Telephone and Telegraph, Waterville, Me.

ED FREESE, '41, U.S.N., since discharge is working in the plastic field for the Cataline Co., Fords, N.J.

Psi

WILLIAM GILBERT McWILLIAMS, '46, was married in September to Miss Doris Walbridge Daley, daughter of Mr. and Mrs. Roland Bige-

low Daley of Indianapolis. The wedding took place in Christ Episcopal Church, Indianapolis. Brother McWilliams served with the armed forces overseas.

Xi

ISAAC C. SUTTON, '00, is on the Committee to compile the 17th Century Laws of the State of Pennsylvania.

J. WARREN KINSMAN, '16, general manager of the fabric and finishing department of E. I. duPont de Nemours, Wilmington, Del., has been elected a director.

DR. EDWARD L. MARKTHALER, '16, has been out of the Navy Medical Corps since February. He was a Captain and chief of Medical service at Mare Island, Calif., at the time of his discharge.

Upsilon

On October 5, the PSI Upsilon ALUMNI ASSOCIATION OF WESTERN NEW YORK held a business meeting and social gathering at the chapter house, which was attended by 74 brothers. The trustees for the new year were elected. There is a great deal of interest and activity in the alumni group in regard to the refinishing and partial renovation of the chapter house.

Omega

HOWARD HAZEN (BIFF) WILSON, '30, has resigned from his position at the Department of State, where he has been in charge of our relations with Cuba, to assume a full professorship in International Law at the American Institute for Foreign Trade, Thunderbird Field, Phoenix, Ariz. Brother Wilson received his Ph.D. in International Relations at the University of Chicago in 1941, having written his dissertation under Professor Quincy Wright. Mrs. Wilson was the former Mary-Louise Bennett of Georgia, graduate of the Cincinnati Conservatory of Music, and they have one son, Howard Hazen Wilson, aged 5.

Eta

JOHN B. SAWYER, '02, and Mrs. Sawyer, formerly of Shanghai, where Brother Sawyer

was with the American Consulate General, are living at 517 Lottie Street, Modesto, Calif.

Omicron

DAMON P. TUNNICLIFF, '43, is the new advertising manager of Gardner-Denver Co. Brother Tunnicliff was formerly employed by the Quincy (Illinois) *Herald-Whig* in an editorial capacity, after serving three years of active duty with the Navy. His father is Morris D. Tunnicliff, Omega '19, formerly with Crowell-Collier Publishing Company, Capper Publications and Scripps-Howard Newspapers in Chicago.

Epsilon Phi

The EPSILON PHI REALTY COMPANY is conducting a special financial campaign to raise a minimum objective of \$15,000, to be used for retiring the mortgage on the chapter house and for carrying out much needed repairs and renovations. Brother Eugene Vinet, '11, visited Montreal from New York in August, and about 35 brothers attended a get-together in his honor. It was at this gathering that plans were made, under the enthusiastic leadership of Brother Vinet, to conduct an immediate and intensive campaign, rather than spread the money-raising project over a period of years, as had been contemplated. The General Committee includes: James Anglin, '33; Ken Baker, '32; Gil Boright, '30; Monroe Bourne, '31; Harry Boyce, '30; Bob Burland, '27; Russ Call, '31; Colin Copeman, '30; Dillwyn Cornell, '38; George Cudlip, '29; Chas. Davis, '07; Art Dobson, '10; Jack Frith, '27; Graham Garvock, '33; Miles Gordon, '27; Phil Gross, '26; Gerry Halpenny, '30; Murdock Harvie, '43; Sewell Hubbard, '37; Carlos Hull, '34; Thurston Hunt, '47; Doug Hyndman, '20; Bill James, '27; Brock Jamieson, '27; Morgan Johnston, '15; John Lothead, '23; Don MacCallum, '38; Hugh Montgomery, '29; Tom Montgomery, '36; Stuart Ramsey, '08; John Reckitt, '43; Palmer Savage, '31; Monty Stafford, '07; Sid Stephens, '31; Lyman VanVliet, '23; Eugene Vinet, '11; Bill Whittaker, '44; Lyman Williams, '26; Roly Winsor, '27.

THE CHAPTERS SPEAK

(We have not received communications from the following chapters: Sigma, Zeta, and Iota. We should like very much to hear from them because we believe their alumni particularly would enjoy knowing how their chapters are progressing in the post-war period.—THE EDITORS.)

THETA

Union College

The Halls of the Theta were opened for the first peacetime term starting last September, the chapter house having been leased by the Navy for the past two and a half years. Thirty active members returned from service to continue their college education, along with five new pledges.

The Theta wishes to announce the election of the following officers: president, Walter Wiggins, '46; first vice-president, Robert Heidell, '46; second vice-president, Sheldon Jenkins, '40; secretary, Jay Bottomley, '46; corresponding secretary, Charles Rourke, '47.

The Theta chapter is proud to say that it has the star of the Union College football team, Brother Harold Enstice, '46. Brother Fucigna, '48, has also seen plenty of action in the backfield. Brother Fritts, '48, played center for the first three games but due to a broken coldar bone he will be unable to participate for the remainder of the season. Brother Newton, '48, is the manager of the team.

The chapter is once again a leader in extracurricular activities on the campus. The Delphic Society, which has recently replaced the Garnet Key and Terrace Council, has three representatives, Brother Wiggins, '46, as president, Brother Enstice, '46, and Brother Heidell, '46. Brothers Wiggins and Heidell are also representatives on the Student Council. The former is on the Interfraternity Council and the latter is the president of the Flying Club.

The college magazine, the *Idol*, finds the following brothers with controlling interests: Brothers Bottomley, '46; Houghton, '47; Curtiss, '46; Maure, '45; and C. Mitchell, '46.

In dramatics the Theta has Brothers Tarbold, '44; C. Mitchell, '46; Newton, '48; and Pledges Peltz, '49, and Prunyn, '49, associated with the *Mountebanks*. Brother Bottomley, '46, has recently been elected secretary of this organization.

The appearance of the fraternity has been greatly improved through the generosity of

our alumni. The house has been completely painted and the furniture has been carefully stored for several years. The chapter house looks better today than ever before and the active brothers wish at this time to express their thanks to their faithful trustees and alumni.

The Theta will again try to keep up the fine traditions of Psi Upsilon by being a leader in every respect on the campus.

Associate Editor

DELTA

New York University

The hall of the Delta reopened last month after the summer vacation, with several returning veterans helping to restore the chapter to its pre-war strength. A large pledge class this term makes the prospects for the coming year excellent.

During the summer, through the generous assistance of the alumni, the house was extensively repaired and redecorated throughout, and a new kitchen installed. The dining room has recently resumed normal operation under the able direction of Brother Jim Sharpe, '49, after a period of war-time inactivity. The first meal served was the traditional Monday night dinner which saw 40 active brothers, alumni and pledges present. Among the alumni were Brothers Ted Reynolds, '31, and Norman Kanwisher, '43.

At the last election, Brother Charles Mach, '48, was selected as our new president. Brother Robert Coonrod, '47, is continuing in the office of vice-president and rushing Chairman. Brother Karl Dieckmann, '49, was elected to the treasurer's position and Brother Henry Kelly, '49, was elected recording secretary.

A very successful Rushing Dance, held in September, opened the semester's social season. An open house and dance will be held after the next home football and a full schedule of affairs has been arranged by the Dance Committee for the fall term.

A few of the brothers who have already become active in extracurricular activities include Mach and Dieckmann, who are managers of the track team. Brother Mach is also a mainstay on the Engineering College basketball team.

Brother Robert Owen, '49, is again singing with the university glee club.

Brothers Coonrod and Robert Cole, '50,

both Army Air Force veterans, have been influential in inaugurating a squadron of the Air Force Association at the Heights.

Several of the alumni, including Brothers Clarence Von Egloffstein, '12; John Thompson, '19; George Walton, '26; and Fisher Gaffin, '33, of the Delta Corporation, which aided so greatly in maintaining and restoring the chapter in the past several years, have visited the house recently. We were also visited by Brother Bill Hulse, '42, noted track star, and are looking forward to seeing many more of our older brothers in the near future.

GEORGE OGLE
Associate Editor

KAPPA Bowdoin College

This fall finds 33 active brothers and 18 pledges answering the roll call of the Kappa. Servicemen who returned to college for the new semester include Al Cole, Larry Dean, Jack Foran, Jack Goddard, and Newt Pendleton, all of the class of '46, as well as Don Blanchard and Bob Bliss, '47, and Dick Edgecomb, '48. Rushing brought nine new pledges into the house who will be initiated on November 8, along with the nine men who pledged this summer.

House officers for the fall semester are: president, Dick O'Shea, '45; vice-president, Bob Ellis, '41; secretary, Jim Nicholas, '47; and treasurer, Ed Killen, '49.

With the football season in full swing, the Kappa is well represented upon the Bowdoin gridiron. Captained by Brother Sonny Pitcher, '49, at center, the starting eleven features at left end, Lou Piper, '46; Jake Stankis, '48, and Al Robertson, '49, at the guards; quarterback, Ed Gillen, '49; and fleet-footed Jim Pierce, '46, at left halfback. Other consistently playing brothers are Ted Butler, '49; Dick Edgecomb, '48; Charlie Huen, '49; Finn Newton, '48; Bruce Alden, '48; Al Stevens, '46; Larry Dean, '46; and Bob Small, '46.

Brother Dan Hasson, '47, is the sports editor of the college newspaper. Jack Foran and Al Cole of the class of '46 are out for fall track, while Milton MacDonald, '49, is on the cross-country team. Ed. McFarland, '48, last year's basketball captain, and Merrill Hastings, '44, newly-appointed ski coach, are also out for fall track in preparation for the winter season. Dan Kunhardt, '49, is singing for the College Octet.

The large number of active married brothers includes Dick Bonney, '44; Gray Boylston, '44; Jack Goddard, '46; Morgan Meussler, '46; Ed McFarland, '48; Newt Pendleton, '46;

William Rogers, '48; Dick Sprague, '47; and Gil Wilkinson, '44.

The Dining Club has reopened in the house for the first time in three years under the stewardship of George W. Vinall, '45. The outside of the house has just been repainted, and the living room and dining room are being renovated. We are looking forward to November 9 in hopes that many of the Kappa alumni will return for initiation ceremonies and the Maine football game that weekend.

MERRILL HASTINGS
Associate Editor

GAMMA Amherst College

The chapter was opened again officially this September after three and one-half years of inactivity. The house was used as a freshman dormitory during the war, and although it was still considered a dormitory this summer, several brothers lived there during the summer term.

Rushing at Amherst is now under the sophomore preferential card system as reported in THE DIAMOND last spring. In spite of many difficulties encountered and the fact that much remains to be worked out in the system, the house did well and has sixteen pledges from the three upper classes.

Elections were held at the first regular meeting: Brant Weathers, '45, president; Doug Milne, '45, first vice-president; Walt Kingsley, '46, second vice-president; George Bushnell, '46, third vice-president; Charlie Gadsden, '45, secretary; and Stuart Arnold, '46, treasurer. Bob Jordan, '45, and Ed Ney, '46, are co-rushing chairmen for the winter season.

There are 31 brothers back from the service in the classes '44, '45, and '46. Pete Morse is playing outstanding ball as a regular on the varsity football team and Howie Stirn, '46, is starring on the soccer team. Two of the brethren are in controlling positions on the *Amherst Student*, the college newspaper. They are Bill Webster, '45, who is serving as chairman of the board, and Doug Milne, '45, who is business manager. Bob Jordan, '45, is the head of the Amherst Press Bureau, and several of the brothers are holding down positions on various teams and the glee club. In intramural athletics the house looks forward to a promising year in both football and basketball.

The house physical, although suffering somewhat from its wartime occupancy until this summer, has been and is being rapidly put back in shape through the efforts of the members and the generous help of the alumni.

At the time of writing all efforts are being directed toward the initiation banquet, ceremony, and homecoming, scheduled for November 16, over Williams weekend.

With a full pre-war complement and a strong group of new men the Gamma looks forward to a good year on the campus.

DOUG MILNE, JR.

Associate Editor

PSI

Hamilton College

After a three-year lapse, the brothers of the Psi are again firmly installed in their freshly painted, renovated house on College Hill. Thirty actives returned to the Hill this fall, and led by Brother Bob Small, '43 (back at Hamilton for graduate work), the Psi garnered a fine, twenty-man pledge delegation.

Recent house elections produced the following officers: president, Bill Baxter, '42; senior officer, John Williams, '44; junior officer, Jim Kent, '46; secretary, Bill Higgins, '45; and treasurer, Rog Wilson, '44.

The Psi did very well in the recent Student Council elections, placing five brothers on a nine-man council. Brother John Williams, '44, is council chairman; other councillors from the Psi are John Richardson, '45; Jim Kint, '46; Bob Pigott, '49; and Don Hilfinger, '50. Brother Richardson was Hamilton's Honor Court chairman during the summer session, and Brother Pigott was also a member of that group.

The Psi is well represented in college athletics this fall. Five brothers and five pledges are on the first football squad. Brother John Williams was acting captain for the first game. Brothers Warren Moore, '49, and Harold R. Wagner, '49, are assistant football managers. Brother Toni Kuolt, unable to play soccer himself this fall, is assisting the coaching staff in that sport. It is expected that he will also help coach basketball this winter.

Brother Ralph M. Shulansky, '49, is editing the college weekly this year, and Brother Bob Pigott, '49, is an associate editor. Brother Pigott is also a leading light on WHC, Hamilton's radio station.

This summer, Brother W. W. Thorpe, Psi '20, Professor of English Literature at Princeton, spent some time on the Hill, and royally entertained the brothers of the Psi at the old chapter house.

Brother George Tillman, '42, is back on the Hill as an assistant in the Public Relations Department, and another new member of the Hamilton College staff is Brother David Wilder, Theta '41, new assistant librarian.

On Saturday, October 20, the Syracuse University B team played Hamilton's football varsity, and on that occasion the Psi played host to some 35 brothers and pledges of the Pi.

With a large, fine pledge delegation, thirty actives, and excellent representation in college activities, the Psi looks forward to a very successful year.

RALPH M. SHULANSKY

Associate Editor

XI

Wesleyan University

The Xi now has more members than it had in pre-war days. The return of thirteen brothers and a plerge who were not here last term, and the pledging of nine new men this term have swelled its number to include 44 brothers and 13 pledges. Thirty-four men out of this chapter roll are now living in the chapter house.

Pat Eldredge, '44, is president; Tex Cotins, '48, is vice-president; Binn Dunn, '45, secretary; and Hap Barnes, '48, treasurer. These men assumed the leadership of a strong house this fall. Brothers Morton, '44, Jordan, '46, and Dundas, '46, are playing regularly on a successful Wesleyan football team. Pledge Powell, '50, is captain of the freshman soccer team, while Brothers Waters, '42, and Rockwell, '45, are on the varsity. Pledges Smith and Binswanger, both class of '50, are playing freshman football, while Brothers McCallum, '50, Cawley, '50, Stout, '46, and Patterson, '46, are with the J.V. team. The Xi is well represented in the Glee Club, and Brother Barnes, '48, is likely to have a place on the Cardinals, Wesleyan's double quartet. Brothers Purcell, '48, and Cotins, '48, are on the editorial staff of the *Argus* (the college paper); Brothers Halsted, '47, and Lord, '49, represent us on the college magazine; and Brothers Cotins, '48, Purcell, '48, Stone, '49, and Dunn, '45, work on the yearbook.

It is well worthy of mention, also, that in the spring Brother Hap Barnes, '48, was elected secretary of the college body and Brother Bell, '46, was graduated Phi Beta Kappa.

It is the week-end of October 26 to which Xi men are looking forward at this writing. The celebration of the Xi's Centennial, 1843-1943, delayed three years because of the war, will then take place. (See page 9. *Editor.*)

The Xi, then, begins this post-war year with the long-awaited Centennial celebration, and with a real opportunity to make this year as successful as the best of the first hundred.

JOHN B. HALSTED
Associate Editor

UPSILON University of Rochester

The Upsilon is fast returning to its pre-war status, especially since the chapter house was returned by the university to the Fraternity in September.

A goodly number of the brothers have returned from the services and are undertaking an ever increasing part in campus affairs. The returning brothers include: Ames Curchin, '43; Glenn Bassett, Dick Bowllan, John Laird, Charleton Prince, and Don Rambert of the class of '45; Bill Dailey, Frank Dowd, Jack Fassett, Dan Isaacson, Bob Kanka, Chuck Langtry, Hank Martin, "Skip" Page, Mort Reed, Ray Rapp, Howie Rupert, Harry Smart, and Harwood Spaulding of the class of '46; Jim Gosnell, Bob Pollard, Bob Smith, Irv Ungerer, and Pete Woods of the class of '47. This group brings the active membership to forty.

Pledge Svanoec worked with the Norwegian underground during the Nazi occupation, while Pierre Jourdain-Gassin, who has been granted house privileges, was a ski trooper with a French Alpine division.

The Upsilon is once again active in athletics. Brother Bill Caldwell is a standout at the guard position with the football team. He is backed by Brother Bowllan, while Brother Fassett handles the other guard position. Brothers Hank Draggett and Ray Rapp are brotherly rivals at left end. Brother Don Diehl is again exhibiting some fine broken-field running from the halfback slot. Pledge Eden appears as a likely candidate at halfback by scoring two touchdowns in two running plays against DePauw. Lastly comes Pledge Armstrong, who holds the position of manager. Brother Bill Coffey has turned to the semi-professional ranks and has been passing his Rochester team to victory from the quarterback spot.

Actives Bob Kanka, Pete Woods and Pledge Svanoec are showing their abilities with the soccer team.

Brother Kanka is also sports editor of the college newspaper and is assisted by Brothers Spaulding and Martin. Brother Ted Smith is music editor and Pledge Peterson is the photographer.

Frank Dowd is one of the more active brothers, and is serving as president of the Hellenic Council and is a member of the Board of Control, and is active in many other organizations.

The officers of the Upsilon this year are as follows: Glenn Bassett, president; Harry Smart, vice-president; Ray Rapp, treasurer;

and Dan Murphy, secretary.

In summing up, the Upsilon is well on its way to one of its most successful years.

GERALD G. DUMBY
Associate Editor

PHI University of Michigan

In the freshly redecorated house on Hill Street the members of the Phi chapter are at last able to relax and enjoy a normal peace-time fraternity life. The majority of the brothers who entered the service in the middle of the college career have now returned to begin their work where they left off, and this, along with the fact that a vast influx of new freshmen has contributed to the chapter an excellent pledge class, has completely revived the atmosphere of activity which the fraternity life at Michigan lost during the war.

A great deal of the credit for pioneering the Phi chapter back into the peace-time life goes to Brothers John Waller, Henry McDonnell, and Kieth Blake, who served as president, vice-president, and house manager, respectively, during the spring term of 1946. And now for the fall term, with the graduation of Brother Waller last June, the functions of the house are unner the capable leadership of Brother Henry McDonnell as president, with Brother Don Eckrich as vice-president, Brother Kieth Blake as treasurer, Brothers Bob Jones and Bill Smith as secretaries, and Brother Harry Holiday as house manager.

Since our last communication with THE DIAMOND, the Phi chapter has welcomed into the bonds nine new brothers: Lawrence Waterman Ward, '47, of Manhasset, N.Y.; Arthur Edwin Franzen, '48, Frederick A. Prince, '48, and John H. Williams (now in the United States Army), of Grosse Pointe, Mich.; Robert H. Jones, '48, of Middletown, Ohio; Reed Carleton Lowren, '47, of Jackson, Mich.; Nelson Landon Harvey, '49, and Arthur August Schupp, '49, of Saginaw, Mich.; and Thomas S. Lough, '49, of Highland Park, Mich. These men, along with the following returned from the service this fall, Brothers John Jenswold, Bill Davis, Ed McPherson, Bob Pierce, Bud Eaton, Ed Larson, Vince Corcoran, Lou Haughey, Bob Mulligan, Jack Coe, Bob Chute, Harry Holiday and Bill Ducker, have filled the house to a bulging capacity. We now have 30 active members, and the Phi chapter, once again enjoying normal standards, is looking forward to one of the best seasons in its history.

ROGER WILLIAM SMITH
Associate Editor

OMEGA University of Chicago

The opening of the fall quarter saw not only a peak in registration at the University but a large number of the brothers returning to the Omega chapter from service in the Armed Forces. The chapter has 36 active brothers, 22 of whom are living in the house.

With the influx of a large number of veterans to the campus the problem of rushing took on a new importance and, on October 26, 16 men were pledged. The chapter is also happy to have in its midst Brother Tony Eaton, Kappa '42, a graduate student in English.

The Omega has continued to uphold its tradition of athletic supremacy on campus by winning the Interfraternity Softball Championship during the summer quarter and, thus far, both touch football teams have won all their games. In Brothers Sharp, Riley, Freeark, and DeGraw the chapter has four of the stalwarts of the varsity basketball team.

Despite the rising costs of living the house maintains an excellent cuisine and comfortable living accommodations under the capable management of Brothers Hotchkiss and Schoenfeld. The fall quarter schedules many campus social activities, one of the more prominent being the "Hard Times Party" being given by the Omega on November 2.

The following new officers were elected on October 1 at the meeting in the chapter house: president, Robert F. Anderson; first vice-president, Paul Jernberg; second vice-president, Thomas Alexander; recording secretary, Price Jackson; corresponding secretary, Andrew MacLeish.

All in all the chapter is in fine shape and looking to even better days in the future.

ANDREW MACLEISH
Associate Editor

PI Syracuse University

The halls of the Pi were further brightened this semester by the return of ten brothers from military service. They are: Donald S. Jacobson, '44; Paul B. Keefer, '45; Robert Stephens, '46; Frederick R. W. Ross, Jr., '45; Warren Bonney, '45; Arthur C. Foote, '46; Paul Faut, '47; Levi C. Cady, '45; Albert G. Hartigan, '45; and James Abbott, '47. We are once again back in our fraternity house and with the return of all the brothers, old and new, a stellar year is indicated.

The number of actives now present total 40 brothers and 31 pledges. The officers, beginning this semester, are: J. Lewis Kelly, '47,

president; Charles MacCulloch, '47, first vice-president; Bruce Follett, '47, second vice-president; and Donald Flagg, '47, secretary.

A very successful and important rushing season resulted in the Pi taking 22 new pledges. The rushing schedule was changed somewhat this year but with the excellent job done by Charles Metzger, '47, and Albert G. Hartigan, '47, as rushing co-chairmen, every brother was well satisfied.

The social activities during the present year will once more follow the pre-war calendar with Brother Paul Fulmer, '48, as social chairman. Social functions of this semester began with the Pi being invited by the Psi chapter to a beer party and dance following a football game between the teams of the two schools. An excellent time was had by all of the members of the Pi and many thanks are extended to the brothers and pledges of the Psi.

This semester finds the Pi being represented on the athletic field with Pledge Roy Peters, '48, captaining the basketball team and Brother Charles Metzger, '47, as captain of the lacrosse team, plus other returning lettermen.

Intramurals are now under way and if early successes are at all indicative, several new trophies should soon rest next to those of past years.

DONALD L. FLAGG
Associate Editor

CHI Cornell University

The brothers of the Chi are again living in the chapter house at 2 Forest Park Lane. The chapter was re-activated last spring, but due to the continued Naval occupation of the house the brothers had to live with the Sigma Phi Fraternity next door. The Navy vacated the first of July, and the summer was spent restoring the pre-war condition of the house. Many of the present actives remained in Ithaca all summer in order to help with the rehabilitation, so that, when college opened October 14, all was in readiness for an active rushing season.

Officers elected last spring carry on the official duties until the press of rushing is past and we can hold an election. William S. Wheeler, '44, is president; Daniel C. McCarthy, '46, vice-president; David S. Summer-ville, '46, corresponding secretary. Other positions remain vacant pending an election after the completion of rushing on October 27.

Twent-nine actives returned to the house this fall. Many of them are athletes of distinction. To mention a few: Bill Wheeler, '44, co-captain of the varsity football team in

1943, and present varsity backfield man; Howie Blose, '44, honorable mention All-American right halfback, 1944; Bob Gallagher, '44, captain of the basketball team in 1943, and ace player for Wisconsin during his term with the Navy; Curt Morehouse, '45, varsity crewman in the Intercollegiate last spring when Cornell carried off the honors; Rodger Booze, '45, captain of the 1944 basketball team; John Tully, '45, varsity football end 1944; and Norm Dawson, '46, Cornell's present star back, who earned six varsity letters in his first two years of eligible sport.

In the field of varied achievements the Chi has Pete Harlow, '45, sports editor of the *Cornellian*; Johnnie Ralph, '46, president of the Ski Club and recognized as one of America's outstanding skiers; Bill Kellogg, '44, business manager of the *Cornell Era* and editor of the *Cornell Almanac*; and Bill Wheeler, '44, vice-president of the Interfraternity Council.

It is worthy of mention that the men of the Chi carried off the four top positions on the *Cornell Almanac* this summer: Bill Kellogg, '44, editor; Paul Bailey, '44, business manager; Wally Schmidt, '45, advertising manager; and Dan McCarthy, '46, circulation manager.

Men on the campus who are brothers from other chapters, and who are welcome additions to the Chi, are: James G. Sloman, '46, Upsilon; David Mandeville, '45, Theta; Robert Bush, '45, Theta; and John Ralph, '46, Pi.

PAUL T. BAILEY
Associate Editor

BETA BETA Trinity College

After a successful rushing period, the Beta Beta chapter pledged 23 men, which, with the brothers, gives us a total of 47 men in the house.

Fraternity officers are: president, Robert S. Cross, '45; secretary, Frank H. Borden, Jr., '45; treasurer, Alex M. Hunter, '45.

Brother Dick Weisenfluh, '47, is one of the outstanding men on the campus. He was elected to the Senate, was made president of the Varsity Club, won the summer tennis championship (from Pledge Montgomery in the finals), and was game captain for the varsity football team against Hobart. Also on the football team are Pledges Montgomery and Steele, and on the J.V. team are Pledges Biddle and Earling. On the soccer team Brother Ferguson, '47, and Pledges Goodyear and Nelson are adding their skill to the team. Brother Charles F. Johnson, '42 (son of William Mc. Johnson, '98, and grandson of

Charles F. Johnson, Beta '55), is writing on the *Tripod* staff.

The house entertained the alumni with a cocktail party and buffet supper on Founders' Day. Many an old alumnus showed up to make the "welkin" ring with Psi U. songs.

We are about to revive the *Betsy Baker*, our chapter newspaper which has been inoperative since the war.

RICHARD BORDEN
Associate Editor

ETA Lehigh University

The highlight of the fall semester here at the Eta is the return of nine brothers: Whit Snyder, '44; Pinckney Corsa, '44; Tom Wetrich, '44; Rod Link, '44; Ted Hellmuth, '45; Ted Fries, '45; Ed Barnes, '46; Gordon Baer, '46; and Dick Williams, '46. By the close of the present rushing season the chapter strength is expected to exceed that of pre-war years.

On September 21, four men were initiated. They were: William R. Breck, Jr. '49; James A. Watson III, '49; C. Donn Ainslie, '49; and Clifford H. Dawson, '49. A banquet at the Chapter House followed the ceremony. On September 24, the following officers were elected: President, Gilman B. Smith III, '44; Vice-President, Dwight G. Tenney, '45; Treasurer, Frank Sturges III, '45; Recording Secretary, Robert C. Watson, Jr., '47; Corresponding Secretary, Norman B. Christie, '48. Brothers Gil Smith and Frank Sturges represented the Eta at the recent National Convention.

At graduation exercises held on October 20, Brothers George H. Kohl and John J. O'Connell received the degree of B.S. in Business Administration, and Brother Malcolm P. Crowther received the degree of B.S. in Mechanical Engineering. Brother Kohl's graduation climaxed an outstanding college career. He served as President of the Chapter for two semesters, Vice-President of the Interfraternity Council, Vice-President of Arcadia, Chairman of the Student Activities Committee, Chairman of the Elections Committee, Chairman of the Rally Committee, and as a member of the five-man student government body. Brother Kohl also received the Psi Epsilon key presented by the National Alumni Association to the outstanding Junior of the Chapter. Brother O'Connell was elected to Alpha Kappa Psi, and Brother Bob Maloney, '45, has been elected President of that honorary society. Gene Gott, '45, is Chairman of the Fall Intergraternity Dance Committee, and

Ted Hodges, Delta Delta, '44, received a varsity letter for his top-notch pitching during the recent baseball season.

With a well balanced combination of "Brothers Old and Young," the Eta looks forward to an outstanding year.

NORMAN B. CHRISTIE
Associate Editor

TAU University of Pennsylvania

During the war, the 'Castle' was a gloomy and forbidding apparition, casting only drab shadows from its aged walls. Held together by a few ever loyal alumni, its existence was precarious, and a matter of great debate. V.J. day heralded the return of the first of the faithful, and gradually the Castle's prospects took on a merrier countenance. With the coming of the fall term the Tau looks forward to a bright year, for we are now fifty-five strong.

Sitting in the driver's seat, as President (that is), we have fair and curly-haired Brother John Herbert, '48, hailing from the precincts of greater Dayton, Ohio. Our Treasurer, Brother Joseph Pyle, '43, of Wilmington, Delaware, an accountant major, has maintained active supervision over the numerous expenditures for redecorating, collection of bills (new and *old*), rushing, parties, and his many other important duties. The Secretary, a person of vital interest in our meetings, is Brother James M. Shroyer, '45.

The activities of the Brothers as individuals are not as numerous as might be expected, for it is easily understandable that should a Brother be ejected from college life, on a brief notice, spend three or more years in an entirely new atmosphere, be ejected from these surroundings to return to the former, it is not possible that he will have the same ambitions or ideas, and, too, circumstances may prevent his participation in extracurricular activities. The present representation is only fair, but it appears to be a good indication of things to come. Striving for a seat in the first boat of the crew, are Brothers McDonnell, '46, Vonieff, '46, and Heaney, '49. On the 150 pound football team, are Brothers Long, '46, Lowry, '46, Kitchen, '46, and Beardsly, a transfer from the Chi. Giving their all, along with 125 other candidates out for basketball, are brothers Nason, '46, Abronski, '46, Suedhoff, '46, and Jones, '46. For the Navy weekend the house entered the poster competition, and produced with earnest effort on the part of Brothers Schwab, '45, Demoll, '46, Hirt, '46, and Hough, '49,

a work of beauty and taste. Perhaps it was too conservative to appeal to the eyes of the non-Psi U judges. Last spring the house had within its walls a freak of nature, a Phi Beta Kappa, Brother Joe Rumberger, '46. Joe was also a front line cutie in the mask and wig's last production, "Paul Jones."

In the social line our activities have been far more numerous (perhaps the ever-increasing age limit is accountable for this post war trend). Extending invitations to other fraternities and sororities, we have attempted to increase the reputation of Psi U as a cordial host. On the second of November we entertained, as the highlight of the season, eighty alumni and their wives after the Princeton football game. This occasion is the first attempt at strengthening the ties between active Brothers and the alumni organization.

WILLIAM BELLES JONES
Associate Editor

MU University of Minnesota

Fall quarter at the Mu has opened with a bang, and the Chapter looks more like its pre-war self every day. Forty-four active members are in school now, and a total of 38 pledges (23 of them from this quarter) makes us a mighty strong Chapter numerically.

New officers are: President, Herb Rose; Vice-President, Bob Mickelson and Don Brandt; Recording Secretary, Bert Mokros; Corresponding Secretary, Truman Brooke; and Treasurer, Joe Mindrum. Brother Roy Spilman is doing a very fine job as House Manager, and we couldn't have picked a better man for our Counsellor than Brother Clark MacGregor. (Formerly of the Zeta, Brother MacGregor is a Phi Beta Kappa graduate of Dartmouth and now attending law school at Minnesota.)

The Mu boasts of ten "M" men this year: Brothers Fred Baston, Warren Beson, Don Holker and Dale Pulver in football; Brothers Herb Rose and Don Nelson, who can push par on anybody's golf course; Ken Boyum, who will be number one man on the tennis team next spring; Brother Bob Mickelson is our track representative; Brother Sam Schneider won his letter in hockey; and of course our triple-threat man, Brother Hudson Mealey, who starred in football, hockey, and baseball. With these men as our athletic backbone, and some mighty fine support in any sport from all the brothers, the Mu is considered a real threat in the intra-mural field this year.

Notes: Painters and decorators spent most of September in the House, and the brothers

gave them plenty of help (non-union help, that is) by painting the individuals rooms, etc. . . . We've been raising money for a new radio-phonograph by holding jack-pots on the football games this fall. . . . The party held at the house on October 26th, with decorations on a Halloween theme, plenty of beer, a homecoming queen candidate being picked, and over 80 couples present, was really up to pre-war standards. . . . Some seventy-five alumni are expected at the banquet we're giving for them at the Minneapolis Athletic Club on November 8. . . . Two of the brothers made several thousand dollars at the start of hunting season by buying up army surplus hip-boots, getting some free advertising from a local columnist, and selling their entire stock in one Sunday afternoon. . . . And the Mu hereby extends a very cordial invitation to all Brothers and Chapters to hold the 1947 convention here in Minneapolis (if the Executive Council so chooses, that is). . . . We assure you that you could not find a better location.

TRUMAN G. BROOKE, JR.
Associate Editor

RHO University of Wisconsin

Fraternities on the Wisconsin campus are at last regaining, if not surpassing, their pre-war strength. The Rho Chapter is in excellent condition. Many brothers have returned from the service, and we have efficient leadership and a strong, close band of brothers. The active chapter numbers 25. The officers are: President, Fred C. Hathaway, Jr.; Vice-President, John W. Sweeney; 2nd Vice-President, John M. Willy; Recording Secretary, Charles C. Strause; Corresponding Secretary, Stephen K. Atwater; Treasurer, William G. Callow.

Formal Pledging Ceremonies were held at the house on October 2, when the Rho pledged 19 men, making a pledge class of 27.

This marks the 50th year of the Rho at the University of Wisconsin, and in celebration an Alumni Reunion was held at the house on October 12. The turnout was marvelous, and the interest very great, with Brothers attending from points as far distant as Seattle and Dayton. During this past summer the house was completely redecorated, and for this we give our wholehearted thanks to all of the alumni who contributed in any way.

This year the University is exerting a greater control over all fraternities. Regulations now in effect require that each fraternity submit monthly financial statements to the Auditor of Fraternities, and an audit

of Chapter accounts will be made at the close of each school year. By January, 1947, each fraternity must have a housemother.

The Rho is optimistic about its intramural athletic standing this season, and a great deal of interest is being shown. We hope to make up for our relatively poor showing in football by capturing the volleyball title. Psi U is now leading its division.

The Rho Chapter is looking forward to an outstanding year in 1946-47. Fraternity-University relations are good; there is a strong, active Inter-Fraternity Council; the Rho has the backing of a strong, interested alumni; and the Chapter itself is in excellent condition.

STEPHEN K. ATWATER
Associate Editor

EPSILON University of California

The close of the last term found us with our new officers for the fall semester. Those elected were: President, Bro. Bill Banning, '47; Vice-President, Unc Hopper, '47; House Manager, Jim Schuyler, '48; Secretary, Larry Smith, '49; and Corresponding Secretary, Bill Gravem, '49.

During the summer session, the house underwent some needed repairs. The entire interior of the house was painted and a great deal of new furniture was bought.

With the opening of the new term, we pledged 19 excellent young men. This rushing was very ably handled by Brothers Dave Vodermark, '49, and Pete Leaf, '49. The pledges, plus the actives, bring the house back to its prewar compliment, 45 men.

In the field of sports, we are well represented, especially in football. On the Varsity we have Brother Wally Ambling, '48, and Brothers Blake Beauchamp, '49, Pete Leaf, '49, Dave Vodermark, '49, with Pledges Kenny Brittingham, '50, and John Elliot, '50, on the Ramblers. Capably coaching our football teams, we have Brothers Larry Lutz, '37, and Art Anderson, '47. Along with the players, we have Senior Football Manager Fred Garner, '47, also Brother Bill Gravem, '49, and Pledge Bob Banning, '48.

Our immediate plans include the initiation of three pledges, Blake Beauchamp, '49, Willis Vansell, '49, and Walt Brelje, on October 28.

Yours in the Bonds,
BILL GRAVEM
Associate Editor

OMICRON University of Illinois

The Omicron started its second post-war semester of active status this fall in a com-

pletely renovated Chapter House. The summer was spent in painting and redecorating, inside and out, badly needed after hard war-time use. New furniture has been purchased as well, but as yet is undelivered. Harvey Six, Omicron '24, helped immensely through his generous furnishing of one room, including carpeting, desks and chairs, bureaus, and an easy chair.

Twenty-five active members, headed by Jack Stout, President; Bob Llewelyn, Vice-President; Larry Fischer, Secretary; and Bob Lee, Treasurer, have returned to the campus to continue their college work. Those who were here last spring set an enviable pace when they boosted the house scholastic average up into sixth place among the 56 social fraternities at the University of Illinois.

We have 22 pledges this semester, of whom two are potential football greats, one is a baseball star, and one even now making a name on the Cross Country team. We have started out strongly in intramural sports this year, having already won a division softball cup. Our tennis and golf entries are also well on the way toward intramural honors.

The past weekend brought over one hundred and fifty welcome alumni back to the chapter house to help us celebrate our homecoming victory over Wisconsin. During the weekend festivities the Omicron Alumni Association elected Hal Cunningham, '40, Al Kirk, '35, and Jim Cooke, '43 as their President, Vice-President, and Secretary, respectively.

IRA R. ABBOTT, JR.
Associate Editor

DELTA DELTA Williams College

After having been closed since the spring of 1943, the Delta Delta opened its House with the initiation of the following men on September 28: Rodney Armstrong, Philip K. Boote, John M. Cleveland, Ralph L. Gietzenberger, Jr., George M. Kent, Robert C. MacPherson, S. Noel Melvin, DeLancey Rochester III, Robert L. Stevenson, and Sharswood Swope. Brothers Stephen G. Kent, '11 and Ralph L. Goetzenberger, Mu '13, were present for their sons' initiation. The initiates brings the house total of actives to 24, including five married men.

Election results for the present school year were: William B. Snyder, President; J. Leonard Graham, First Vice-President; David C. Naramore, Second Vice-President; William J. Coe, Recording Secretary; and Charles B. Rowley, Treasurer. Brother Kent was elected to head the new initiates.

The week following initiation was consumed by the rushing of the largest freshman class ever to enter Williams. Brother Mike Ackerman did a splendid job as Rushing Chairman and was aided in his almost of the alumni, Jerry Brush, '39, Ken Cook, '40, Charlie Clapp, '45, and Bill Wenzel, '46.

Williams held its Victory Reunion the weekend of October 12 and many brothers returned to celebrate: John B. Clapp, '18, Charles E. Clapp II, '45, Wentworth Williams, '19, John W. McKay, '41, Frederick L. Chase, Jr., '27, Leonard C. Thompson, '43, George G. Bass, '44, John T. Tuttle, '42, William J. Fuchs, '42, Nicholas Foley, '41, Frank N. Foley, '38, Robert H. Bergen, '28, Bill Tierney, Jr., '27, Robert G. Maxfield, '45, Lincoln W. Allen, '43, Dana C. Ackerly, '41, Gordon T. Getsinger, '43, Brenton P. Washburne, '46, E. I. duPont, '43, Wilson B. Prophet, Jr., '43, Norman F. Kennedy, '17, and Jerome W. Brush, '39.

Intramural touch football has begun on campus and a house team has been formed by the manager, Brother Boote. Lack of organized play in the first two games has brought unhappy results but the material is there and we should get rolling soon.

DOUGLAS S. GAMBLE
Associate Editor

THETA THETA University of Washington

In November of 1945 the Theta Theta once again took over the Chapter house at 1919 East 47th St., Seattle, Washington. However, the active Chapter was exceedingly small until this fall. With rushing just completed, the Chapter is now back to its pre-war strength of 70 men. The present Chapter includes men from the delegations of 1942 to the present, thus giving the wide age range to be found in most modern fraternity groups.

During the summer, with invaluable assistance from alumni brothers Frank White, Marv MacGinnis, By Lane, Clarence Carlander and the Mother's Club, the House was completely re-decorated, and the ravages of successive tenants during the war were obliterated. The Chapter wishes in particular to thank Brother MacInnis for his untiring efforts in this endeavor.

The rushing season just completed brought 36 new pledges into the House. This fine new group we hope will make for the resurgence of Psi Upsilon at Washington after

a three-year period of inactivity during the war.

The Chapter wishes to thank the alumni rushing committee headed by Brother Sam Hess and composed of Brothers Jack Flag, George Goerig, Buff LeCoq, Dick De Donato, Jim Scott, Hoge Sullivan, Jack Briggs, and all alumni who were so helpful in cooperating with the active Brothers in obtaining this fine class.

The officers of the chapter beginning the new school year are: President, John C. Bolinger; Vice-President, Bill Brink; Secretary, William Rutter; Corresponding Secretary, Thomas Reese; House Manager, James Piper.

New house committee chairmen as announced by Brother Bolinger are as follows: Social, Bill Gaston; Rushing, Gordon Callow; Activities, Dave Peterson and Jim Grant; Intramural, Larry Carlander; Scholarship, Bill Brink; Frosh Trainer, Norman Schoonover.

An active alumni advisory committee under the chairmanship of Brother Harold Hutchinson, '21, has been appointed by Frank White, '18, alumni president, to assist the active Chapter. This committee consists of Sam Hess, '36—Rushing; Jock Flag, '39—Activities; Bob Purdue, '39—Scholarship; and Jack Briggs, '40—Frosh Training.

This fall the house is represented on the football field by Brothers Jack Tracy and Pledge Rod MacPhail. Crew turnout will find Brothers Gordon Callow, Keith Callow, Clint Merrill, Jack Nebergall, Sandy Pratt. Pledges Bob Baur, Stan Kaufmann, and Stew Smith are turning out for track.

Tennis lettermen Don Peck, Herb Steiner and Bill Brink will be joined by Pledges Doug Foster in fall practice.

Brother Larry Carlander is competing for basketball manager. Brother Bill Flag and Pledge Pat Lightfoot get back in the swim as soon as practice begins. Brother Jim Grant continues to write sports on the *Washington Daily*, the paper of which he was sports editor during the summer.

The annual Pledge Dance will be held at the Olympic Hotel on November 2nd, and the Winter Formal on December 20th. The Theta Theta looks forward to the coming year with high hopes and a rejuvenated outlook after four years of war.

THOMAS A. REESE
Associate Editor

NU University of Toronto

At the Nu Chapter house on St. George Street, all is running peacefully and quietly. Were it not for the cooing of pigeons on the

roof and the blaring of Brother Alex Watson's loudspeaker system in the front room, no sound would be heard to interfere with the scraping of slide-rules and the thumbing of learned treatises. Under the watchful eye of President Jim Osbaldeston, the brothers are devoting hours at a time to their university studies. This healthy activity is not only good in itself, but avoids any risk of damage involved in such pastimes as riding motorcycles up the stairs or practicing forward passes in the second floor hall.

The officers of the Nu for this year, in addition to Brother Osbaldeston are Brothers Halpenny, Treasurer; Doug McCallum, Treasurer; Tom Hanley, Secretary; Jim Austin, Rushing Chairman; and George Osbaldeston, Assistant Treasurer and Corresponding Secretary. The post of assistant to the Treasurer is an unofficial one, created last year in order to provide training in the details of the treasurer's work. The present Treasurer, Brother McCallum, served a term as assistant to Brother McLean and in consequence took over the Treasurer's job this fall with a full knowledge of his duties.

On the week-end of the twelfth of October, the Nu enjoyed a visit from some twenty brothers of the Epsilon Phi, in connection with the McGill-Varsity rugby game. The week-end was a great success, and the Nu hopes to return the visit in November. Varsity beat McGill 5 to 3, unfortunately without the services of Brother Jim O'Brien, who has secured his release from the University Athletic Association in order to play for Toronto Argos, one of Canada's outstanding teams and frequently Dominion Champions.

JAMES TEMPLETON
Associate Editor

EPSILON PHI McGill University

Our Chapter has been increasing in strength each year for the last three years. We have at present 41 active Brothers, and now in the throes of the rushing period. We are fortunate in owning our own House, which we have occupied since 1928. Our alumni are now actively engaged in campaigning to raise funds to pay off our mortgage and to make repairs on our House. We were lucky enough to obtain a cook in time for the fall session at McGill, and meals are served daily at the House now.

Our officers this year are as follows: President, Bill Whittaker, '44; First Vice-President, David Townsend, '48; Second Vice-President, Bill Rutherford, '45; Treasurer, Thurston Hunt, '47; Recording Secretary, Doug MacEwan, '47; and Corresponding Secretary,

David Hubel, '47.

Athletics here are not yet fully organized. However, Brothers Dave Townsend, '48, and Bob Legge, '49, are on our intermediate football team. Stuart Wright, '47, has played in the tennis tournament. Plans are being made to rent a ski-house in the Laurentians during the Christmas holidays, and on various week-ends throughout the year.

Brothers John Wilson, Zeta Zeta '47, and Vic Parker, Zeta Zeta '45, are studying medicine at McGill and are residing at our Chapter House.

At the recent Toronto-McGill football game we were guests of the Nu Chapter, who entertained us in a fashion we will find hard to surpass when the return match is played in the near future. This year, after each game played at McGill we have held open house for the active brothers, alumni, and friends. We hope that this will become an established custom at this chapter, and that all alumni will feel more than welcome to attend.

Associate Editor

DAVID H. HUBEL

ZETA ZETA

University of British Columbia

With the opening of the fall term, Zeta Zeta, which has been without a house since the early years of the war, joined forces with the Alumni Association to launch final steps towards the rental or purchase of a chapter house.

The active Chapter went on record as favoring the rental of a house off the campus until market conditions favored purchase. Brother Jack Stark, chairman of the alumni housing committee, circularized all Psi U Chapters for details of house operations and compiled the statistics received.

New members were pledged October 22. Zeta Zeta's fall informal was held in November.

RON HAGGART

Associate Editor

EPSILON NU

Michigan State College

Our chapter was fortunate enough to be able to move back in our house at the close of last spring term. During the summer quarter, about 20 members lived in the house although we were unable to serve any meals. When the current quarter began, things were almost on a pre-war basis with 39 brothers and pledges living in the house and suffering from the meat shortage with true fraternal fortitude. The married brothers and the majority of pledges do not live in the house. They bring our full strength to 45 actives and 33 pledges.

The following men were initiated during the summer quarter: James Burlingame, William Sontag, Arnold Spawn, Jack Clark, Belmore Martin, Robert Goeke. A banquet was held after the ceremony.

Election of officers was held at the first meeting of the active chapter this term. Those elected were: Richard Weir, '43, President; Edsel Laing, '44, Vice-President; Richard Speir, '44, Secretary; Jack Curtiss, '48, Treasurer; and Robert O. Addy, '44, Corresponding Secretary. The Chapter was pleased to have its membership increased by transfer students Jim Devers, Iota, and Les Butzman, Eta.

Under the capable leadership of our rushing chairman, Edsel Laing, a vigorous rushing program was instituted and was climaxed recently with the pledging of 27 men.

On the intramural front, football reigns, and our chapter aggregation has a 500 average to date with a good chance to go places as the team gains more experience.

Social activities to date include two radio parties and a Halloween party. In addition, the plan of having an open house and buffet supper after each home football game has been inaugurated, and has met with great success.

BARTLETT ARKELL, Beta '86, president of the Beech-Nut Packing Company for fifty years and one of its founders, died early in October, 1946, at Bennington, Vermont, after a two weeks' illness. He was 84.

Brother Arkell had been chairman of the board of the company since 1941, when his son succeeded him as president. While the packing company was his major business interest, and under his direction had grown from a business with \$10,000 capital to a concern with sales running into millions, Brother Arkell had at various times taken a hand in magazine publishing, a rug business and the manufacture of paper bags. He was a collector of American paintings and a patron of music.

A pioneer in the packaging of food in glass containers, Brother Arkell was also a leader in the development of the vacuum-packing technique for food products. A progressive-minded employer, he provided many years ago employe insurance governing sickness, disability, pensions and death. Christmas bonuses became a part of the Beech-Nut policy in 1912.

Brother Arkell had maintained a residence in New York City since 1888, and had a summer home at Manchester, Vermont. At Canajoharie, where the Beech-Nut Company maintains two large plants, he built a public art gallery and founded the Arkell Memorial Library.

In New York, last January the Philhar-

monic-Symphony Society announced a gift of \$13,000 from Brother Arkell as a nucleus for a fund to provide reduced rate symphony tickets for public school students. In 1927, the year when Charles Lindbergh flew the Atlantic Ocean, Brother Arkell had offered a supplementary prize of \$5,000 to help finance the flight of Lt. Comdr. Noel Davis, one of the competitors for the Raymond Orteig \$25,000 prize.

Brother Arkell's third wife and three sisters survive him.

THE REV. ERNEST BAWDEN, D.D., Xi '94, died November 22, 1945. He had been a Methodist Episcopal minister in the Philadelphia Conference since 1895, except for three years, 1912-15, when he was in the insurance business. Dr. Bawden served eight Churches, his last charge being the Cookman Methodist Church in Philadelphia where he served for 22 years. He received his D.D. degree from Temple University in 1929. Surviving are two brothers, one of them being Edward A. Bowden, Xi '90, and a sister.

STAFF SERGEANT ANDREW WILLIS BLIVEN, Iota '44, was reported missing in action while on a mission over Europe, in September, 1944, and was officially declared lost by the War Department early in 1946. He was a son of Floyd Edward Bliven, Delta '09, and a brother of Floyd Edward Bliven, Upsilon '42. He was awarded the Soldiers' Medal, the Air

S/Sgt. Andrew Willis Bliven, Iota '44

Medal and the Purple Heart. The following is quoted from his citation for the Air Medal:

"He gallantly jeopardized his own life in a successful effort to save one of his comrades who had lost consciousness when the oxygen mask had been torn from his face. With complete disregard for his own life, he risked dismemberment or decapitation by leaning through the partially opened entrance to the ball turret in order to replace the oxygen mask on the face of the unconscious gunner. The crew member's life was saved by this brave and efficient action."

He was also awarded the Presidential citation for his unit which was the oldest heavy bombing group on the European theater "for heroic performance of duty against the enemy."

PROFESSOR PERCY HOLMES BOYNTON, Gamma '97, professor emeritus of English at the University of Chicago, died on July 8, 1946, at New London, Connecticut, of a cerebral hemorrhage. He was 70 years old.

Brother Boynton was connected with the University of Chicago from 1903 to 1941, when he retired. He was a good friend to the Omega Chapter. He spoke at many Psi U dinners and made the dedication address when the Richard Hovey Memorial was unveiled at the Psi Upsilon Convention of 1931, held with the Omicron Chapter. When he left Chicago permanently, the Psi Upsilon Alumni Association gave him a farewell dinner.

He is survived by his second wife and two sons by his first marriage, Holmes Boynton, Omega '28, and Damon Boynton, Chi '31, the latter an instructor at Cornell University.

WALTER CHITTENDEN CURTIS, Iota '01, was born in Mount Vernon, Ohio 1879, the son of Henry Lambdon Curtis, Iota '65 and Lucia Chittenden Curtis. His father was one of the founders of the Iota Chapter and as an alumnus was at all times actively interested in its welfare and on occasions came to its financial rescue. Walter's grandfather, Henry B. Curtis, first introduced Bishop Chase to Gambier Hill and sold to the good Bishop the idea of establishing Kenyon College on its present site rather than at some other place in the Middle West. The story of this event is recounted in the mural now on the wall of the U.S. Post-office in Gambier. Henry B. Curtis afterwards established the Curtis scholarships fund which has been the means of assisting many Kenyon men to complete their college courses.

When Walter entered Kenyon Military

Academy in 1894, to prepare himself for Kenyon, he seemed to be a natural for Psi Upsilon, and while still a cadet was pledged to the Iota, followed by his initiation in 1897. In 1898 Brother Curtis was one of the Iota delegates to the annual convention held with the Mu chapter. As an alumnus he continued to reside in Mount Vernon where his home was always open to Iota undergraduates and alumni and his purse and other means of assistance available to them in time of need. In business and personal matters Brother Curtis' opinion and advice were always sound and reliable and he was frequently called upon to supply it, his outstanding savoir faire giving him unusual qualifications for this service.

Brother Curtis' great interest in Kenyon and Iota and his close physical proximity made him a frequent visitor to both and he could always be relied upon to attend any Kenyon or Iota affair. It is the belief of the writer that Brother Curtis, during his 52 years of such connection, attended more of such gatherings than any Iota alumnus who ever lived. This situation resulted in his being frequently called upon to serve as a member of Iota and Iota Association groups, where his advice was always respected and usually followed. At the time of his death, he was a Trustee of the Iota Association. He was much interested in the building of the Iota Lodge and afterwards in its upkeep and the beautification of its grounds.

In 1911 Brother Curtis married Mary Elizabeth Evans, of Hillsboro, Ohio, by whom he had two sons, Henry L., Iota '36 and Walter C., Jr., Iota '37. These three survive him, as do also three grandchildren and a sister, Mrs. Ada Curtis Foote and a brother, Henry L. Curtis.

Brother Curtis had no hobbies unless canoe and camping trips in Canada may be called such. At one time he was president of the Mount Vernon Country Club and played golf occasionally but was not an enthusiastic golfer. He was a member of the B.P.O.E. Most of his time was spent in his business of general insurance, farming and dairying, and the management of the properties of the Curtis estate.

He died May 20th, 1946, in Mount Vernon, and was buried in the stately Curtis burying ground in that City.

Brother Curtis is deeply mourned by his many friends and by Iota Alumni generally, and will be long and lovingly remembered by them.

—LEO WELDON WERTHEIMER, Iota '99

(Editor's Note: Brother Wertheimer, author of the foregoing obituary article, died on August 9, 1946. His own obituary will be found on page 46 of this issue.)

HERBERT PARVIN GERALD, Xi '82, died March 26, 1946. His home was at 507 Carroll Avenue, Takoma Park, D.C.

THE REV. JOHN HIRAM GRANT, Gamma '92, pastor of the First Church of Christ, Congregational, in Fairfield, Connecticut, died on October 6, 1946, at his home in Fairfield.

Brother Grant was born in Goldsboro, North Carolina, and received his early education in North Carolina and in Putnam, Connecticut. He received his theological training at the University of Chicago Divinity School. Later he attended Yale and graduated with the class of 1896. He was ordained to the ministry in 1896 at the Center Congregational Church, Meriden, Connecticut, where he served for twelve years. Later he became pastor of the First Congregational Church of Elyria, Ohio. It was at this time that he became prominent in the founding of the First Hungarian Reformed Church, and the Pilgrim Congregational Church of Elyria. In 1923 Brother Grant became pastor of the First Church of Christ Congregational, in Fairfield. He retired from the active ministry in 1938 and moved to Andover, Massachusetts, where he resided until 1940, when he and Mrs. Grant accepted an invitation of the trustees of the Gould Homestead to return to Fairfield to be residents of the home and administer its hospitalities.

Brother Grant was especially interested in church music and in his home found daily recreation at the piano. In college he was elected to Phi Beta Kappa. In addition to his wife he is survived by three sons, Alfred H., Gamma '26, John P., Gamma '28, and Stephen W. Grant, Gamma '30, a sister and a brother.

SUPERIOR COURT JUSTICE THOMAS J. HAMMOND, Gamma '00, died on July 23, 1946, at the age of 69, in the Cooley Dickinson Hospital, Northampton, Massachusetts, after undergoing an operation several weeks before.

As a young man, Brother Hammond became a partner in the law firm of his father, John C. Hammond, where Calvin Coolidge had also studied law after his graduation from Amherst College. Justice Hammond and his wife were friends of President and Mrs. Coolidge over a long period of time.

Before beginning his career on the Superior

Court bench, to which he was appointed in 1929, Justice Hammond had been a city councilman of Northampton, district attorney of Hampshire and Franklin counties, and an army officer.

Continuing an association with military affairs that began when he was a Harvard Law School student and member of the Cadet Corps, the future jurist served as a Captain on the Mexican border in 1916 and served overseas in the first World War in the 104th Regiment of the Twenty-sixth Division, rising to the rank of Major in 1918.

RAYMOND ASA HOLLISTER, Rho '98, has died, we are informed by Brother F. S. Brandenburg, Rho '09, who has no information as to the date or the details.

THE REV. HUBERT D. JONES, D.D., Xi '12, died March 31, 1946, at his home in Freeport, N.Y. He had been pastor of the Chesterfield Methodist Church, Mount Vernon, N.Y., for six years, until he accepted a call to the Freeport Methodist Church on May 1, 1945. He had studied at Union Theological Seminary from 1915 to 1920, except during 1918-19 when he served in France as Y.M.C.A. Secretary and associate chaplain with the United States Army. He was superintendent of the New Haven Methodist District, 1931-35, and of the Brooklyn South District, 1935-39. He was a trustee of Wesleyan University, 1936-37, and a delegate to the New England Jurisdictional Conference in 1939. Surviving are his wife and one daughter.

JOSIAH MACROBERTS, Phi '86, died September 10, 1946, at his home in Geneva, Illinois, at the age of 81. He was a leader in Psi Upsilon alumni activities in Chicago for many years prior to 1930 and a prominent Phi alumnus. He had been a patent attorney in Chicago for more than 50 years. A nephew, Bowen E. Schumacher, Phi '22, and a niece, survive.

LT. COL. DENNIS PERCY MCCARTHY, Chi '12, president of The Manlius School, Manlius, New York, and long prominent in Syracuse business circles, died on November 13, 1946, at the age of 55. Colonel McCarthy suffered a heart attack at his home on the school campus after having watched a football game between company teams.

Colonel McCarthy himself attended Manlius School from 1904 to 1908, and was keenly interested in its progress. He became the fifth head of the 77-year-old military school in

1942, after having been chairman of its board of trustees since 1935. This year Manlius achieved a record enrollment of 365 cadets.

Brother McCarthy, a native Syracusan, had previously been associated with the Solvay Process Corporation, the Mil-Mac Corporation and the Walker Dishwasher Corporation. He emerged from service in World War I as an outstanding soldier, having so distinguished himself as to be awarded the French Croix de Guerre with three palm leaves, the Silver Star, the Purple Heart and five battle stars. He participated in the major battles of St. Mihiel, the Aisne, the Marne, Argonne, Belleau Wood, the Meuse and Chateau Thierry. He was also awarded the State Conspicuous Service Cross upon his return from the war as a major.

Brother McCarthy is survived by his wife, a son, now a student at Manlius, three daughters, a sister and an aunt.

PAUL DOUGLAS MILHOLLAND, Eta '86, retired civil engineer, railroad executive, and industrialist, died September 16, 1946, at the age of 82, after a long illness. He was a charter member of the Eta Chapter.

Before his retirement in 1927, Brother Milholland was associated for many years with the Bethlehem Steel Company. In earlier years he had served on the City Council of Reading, Pennsylvania; helped build the Georgas Creek and Cumberland Railroad, now part of the Western Maryland system, and been general manager of Reading's Never-sink Mountain Railroad. Two sons survive.

THE REV. GEORGE M. MOODY, Xi '96, died September 30, 1945, at Mechanicsville, New York, in his eightieth year. His mother died when he was nine years of age and the family became separated, but Brother Moody succeeded in securing a preliminary education, at Troy Conference Academy, and in matriculating at Wesleyan. After his graduation in 1896, he became a member of the Troy Methodist Conference, and faithfully served in various pastorates for forty-two years, retiring in 1938. He leaves a wife, two sons, a daughter and three granddaughters.

ALBERT E. NEAL, Kappa '89, of Portland, Maine, died in September, 1945.

LOUIS M. OCDEN, Lambda '88, a retired lawyer, died in Tuxedo Park, New York, on July 16, 1946, at the age of 79. After his graduation from the Columbia Law School,

he practiced law in New York City and in Florida. He was one of the founders of the Explorers' Club, and a member of the Union and Tuxedo Clubs, the Sons of the Revolution and the Society of Colonial Wars. His widow survives him.

LINCOLN PADDOCK, Lambda '10, died at Brewster, New York, on September 16, 1946. His twin brother, Dr. Royce Paddock, also Lambda '10, survives him.

ARTHUR T. PARKER, Kappa '76, the last survivor of his delegation, died at his home in East Orleans, Massachusetts, on April 4, 1946.

Handicapped by loss of hearing and almost blind in his last few years, Brother Parker was a most loyal Bowdoin man and Psi U. Until a year before his death he always attended commencement and the fall alumni day and initiation, and was an inspiration to the younger Brothers. His younger son, David T. Parker, was in the '08 delegation of the Kappa, and has been in the U.S. Treasury Department for some years.

GIFFORD PINCHOT, Beta '89, pioneer of American Forest conservation and Governor of Pennsylvania from 1923 to 1927 and from 1931 to 1935, died in New York City on October 4, 1946, at the age of 81.

More than any other man, Brother Pinchot led the battle to conserve America's natural resources, a fight in which he had the strong backing of President Theodore Roosevelt, under whom he served as chief forester of the United States. Out of his association with Mr. Roosevelt came also the crusading zeal of Brother Pinchot's later years, a drive for reform, sometimes within the Republican party sometimes outside, to rid politics of "the taint of big money and vested interests."

Brother Pinchot was guided towards forestry by his father, who contrasted the care given French forests to the wanton waste of American timber. The son took a forestry course at Yale and went to Europe for further study. In 1891, he opened a consulting office in New York, as the first American professional forester. He received his first great opportunity to test his ideas on the 7,000-acre estate of George W. Vanderbilt, at Biltmore, N.C., now Pisgah National Forest.

Five years later, he was named to the National Forest Commission, to map out a program for the nation's forests. He personally looked over 14,000,000 acres of forests, and the commission's work induced President Cleveland, over violent outcry, to create

21,000,000 more acres of public reserves, under Federal protection.

In 1898, at thirty-three, Brother Pinchot became chief forester under President William McKinley. His division had only eleven employees. The Government's own forests, under a different office, took no part in the program of use and conservation. In a seven-year struggle, Brother Pinchot won their transfer to his service.

An outdoors man and a partisan of the vigorous life, Brother Pinchot became a member of Theodore Roosevelt's "tennis cabinet," which played on the White House courts. However, under President William Howard Taft, Beta '78, he clashed violently with Secretary of the Interior Richard A. Ballinger, who supported private control of Alaskan coal resources. Dismissal of Brother Pinchot in 1910 precipitated a Congressional inquiry; in less than a year Mr. Ballinger resigned.

Meanwhile, Brother Pinchot joined his old leader, Theodore Roosevelt, in the Bull Moose break from the Republican party. Leading the fight in Pennsylvania, he helped swing that state into the Progressive column in the 1912 election. In 1914, he ran for the Republican nomination for United States Senator, being defeated by Boies Penrose. After war service on the Federal Food Commission and a period as State Forestry Commissioner, he ran for Governor and won in 1922.

His term was marked by strict state prohibition enforcement, establishment of the state highway patrol and negotiations which settled the 1923 anthracite coal strike. In 1926 he lost the Senatorial primary to William S. Vare. As Governor he refused later to issue an election certificate to Mr. Vare, charging the victory was "partly bought and partly stolen." The United States Senate refused to seat Mr. Vare.

Brother Pinchot returned to triumph in the 1930 gubernatorial election, over the opposition of the Vare machine. However, in 1934, he lost the Senatorial nomination and, in 1938, the Governorship primary. By 1940, Brother Pinchot had swung behind President Franklin D. Roosevelt and in 1944 he joined the new National Citizens' Political Action Committee, again backing Mr. Roosevelt.

Brother Pinchot's home was in Milford, Pennsylvania. At the time of his death he was completing a history of conservation, his sixteenth book, *Breaking New Ground*, to be published next spring. Surviving are his wife and one son.

EDWARD LEWIS QUARLES, Phi '99. In a

letter, dated September 25, 1946, Brother Louis Quarles, Phi '05, writes:

"I note on page 124 of this issue (THE DIAMOND, June, 1946) in the article about J. V. Quarles, a mention of his brother, Edward L. Quarles, and the statement that you do not know of his whereabouts. Unfortunately, Ted died on June 12, 1941, at Hamburg, Germany. He is survived by his wife, a daughter, and a son, who is now in the United States Army."

Edward L. Quarles was a brother of the late William C. Quarles, Phi '92, and of the late Joseph Very Quarles, Phi '96. He was a cousin of Brother Louis Quarles.

DR. OTIS EVERETT RANDALL, Sigma '84, dean emeritus of Brown University, died August 11, 1946, at his home in Providence, following a long illness.

Brother Randall was elected dean of Brown University in 1912, following the election of Dean Alexander Meiklejohn to the Presidency of Amherst College. He held this post until his retirement in June, 1930, at the age of 70.

Because of the high scholastic standing which Brother Randall attained while a student at Brown, he was elected to both Phi Beta Kappa and Sigma Xi. Following his graduation, he taught for a year at the Providence High School, and then accepted an appointment as instructor in mathematics at Brown. While teaching he studied for advanced degrees and was awarded the degree of Master of Arts in 1887 and of Doctor of Philosophy in 1896. He spent the year 1899-1900 studying at the Technische Hochschule, Charlottenburg, Germany, and at the University of Berlin. In 1905 he was appointed a full professor of mechanics and mechanical drawing at Brown University.

In addition to his work at the University, Brother Randall wrote a number of books on mechanical subjects. His activities were varied. During the time he was Dean he made several tours of the country visiting Brown Alumni Clubs. He was an enthusiastic amateur yachtsman and occasionally took time from his duties at the University to spend an afternoon sailing.

Among the many honors bestowed on him was a portrait of himself presented to the University by the Brown Club of Chicago. It was hung in Sayles Hall, one of five portraits of Brown alumni to hang there while the subject was still living.

In 1933 Brother Randall was elected president of the New England Association of Colleges and Secondary Schools, at its 48th

Dr. Otis E. Randall, Sigma '84

annual convention in Boston. He was also elected president of the Rhode Island Congregational-Christian Conference at its 130th annual meeting at Providence.

Brother Randall is survived by his wife, a son, Wallace Everett Randall, Sigma '27, and a sister.

FRANKLIN ROBBINS, Xi '11, for a number of years president of Motor Bankers' Corporation, Detroit, died April 6, 1946, in Pasadena, California. Prominent for many years as a financier in Detroit, his business career was highlighted by his rise to the presidency of Motor Bankers' Corporation. After a brief retirement he became associated with McDonald-Robbins in Detroit. Illness forced him to retire in 1943. During World War I he served as an officer in the Air Corps. Surviving are his wife, his father Frederick W. Robbins, Xi '80, and a brother, Edward R. Robbins, Xi '21.

WILBUR EVERETT ROWELL, Xi '85, for 58 years a practicing lawyer in Lawrence, Massachusetts, and Supreme Justice of the District Court there for almost 40 years, died of coronary thrombosis on March 4, 1946. He attended to business duties at his office only a few hours before his death.

Brother Rowell studied law in Lawrence from 1885 to 1887, finishing at Harvard Law School in 1888, and had practiced continu-

ously from that time until the day of his death. He had been president of the Lawrence Home for Aged People for 20 years, a trustee of the Broadway Savings Bank, a member of the advisory board of Lawrence General Hospital, and a trustee of the Boston Seaman's Friend Society. He was one of the four classmates who attended their 60th Reunion at Wesleyan University in June, 1945.

Brother and Mrs. Rowell, who died in 1941, had no children, but he encouraged and assisted every one of his nine nephews and nieces in their education.

Surviving are two sisters, and several nieces and nephews.

LT. JOHN FRANCIS SCHROEDER, Delta '40, was killed in action at Leyte, P.I., on December 20, 1944. THE DIAMOND has been carrying his name in the Roll of Honor for several issues, but details have just reached us.

Brother Schroeder was commissioned as Second Lieutenant upon his graduation from New York University in 1940. He was with the 306th Infantry, 77th Division, and was called to active duty in March, 1942.

On January 22, 1944, he married Miss Marguerite A. Sterling of Paterson, N.J., and the following March left the States for Oahu, Hawaii. The 77th was stationed there for several months. In July, 1944, the Division went into action on Guam. Brother Schroeder was then with the anti-tank outfit and he and some of his platoon were awarded the Combat Infantryman's Badge. From Guam they went to the Philippines. Since Brother Schroeder's death his wife has received the Purple Heart medal and the Silver Star medal.

JAMES WINGATE SEWALL, Kappa '06, nationally known forest engineer and consultant, died on July 20, 1946, at his home in Old Town, Maine.

One of the prominent men in his field. Brother Sewall had supervised the mapping and evaluation of more than thirty-five million acres of timberland in the United States, Canada, Newfoundland and Alaska.

In recent years he had been active in the fight for better control of forest infestations, and his presentation of facts and needs before members of Senate committees was influential in obtaining legislation and funds to combat pests threatening to destroy the country's forests. For the past two years he had been chairman of the Forest Insect Committee of the Northeast, working with the Washington Bureau of Entomology.

Brother Sewall is survived by his widow,

two sisters, three daughters, and two sons, George T. Sewall, Kappa '32, and Joseph Sewall, Kappa '43.

THE REV. J. FREDERICK SEXTON, Beta Beta '83, who retired in 1936 after forty years as Rector of the Protestant Episcopal Church of St. James the Apostle, in New Haven, Connecticut, died at his New Haven home on July 8, 1946.

A native of Hazardville, Connecticut, Brother Sexton was a graduate of Cheshire Academy, Cheshire, Connecticut, and of Trinity College, Hartford, where he also received his master's degree in 1884. He was ordained in 1886 after graduation from Berkeley Divinity School, then in Middletown, Connecticut.

His first rectorship was of St. Peter's Church, Cheshire, and during his ten years there he also established St. Paul's Church, Southington, Connecticut. He assumed the rectorship of St. James the Apostle Church in 1896.

Brother Sexton's wife died in 1909. Surviving are two sons and three daughters.

JOHN SEMPLE SHARPE, Tau '03, of Haverford, Pennsylvania, died several years ago, we have recently been informed.

FRANCIS LOUIS SLADE, Beta '91, died in October, 1944.

EDWARD DAVID TOWNSEND, Beta Beta '12, died January 20, 1946. His home was in Cleveland, Ohio.

LEO WELDON WERTHEIMER, Iota '99, died August 9, 1946.

In Brother Wertheimer's death, Psi Upsilon has lost one of its most active alumni. Elected to the Executive Council in 1908, as one of the original Council of ten members, he served until 1915. He was the Editor of the *Twelfth General Catalogue* published in 1917. He represented the Iota in the Advisory War Council of 1918-19. He was equally active in the alumni affairs of the Iota and of Kenyon College.

For some years Brother Wertheimer has been Chairman and Vice-President of the Citizens Marine Jefferson Bank of Newport News, Virginia.

Brother Wertheimer was held in deep affection throughout the Fraternity. Brother Walter T. Collins, Iota '03, has written us in regard to him: "The man lived and breathed and slept Psi U and Kenyon, and his will shows it. It was his religion."

Brother Wertheimer's will is a remarkable one, and we are glad to comply with Brother Collins' suggestion that we run the following extracts from it with the preliminary line. "Here's an example for you to follow."

Extracts from last will and testament of Leo Weldon Wertheimer (dated May 1946)

II. I give, devise and bequeath unto the Iota Association, of Kenyon College, Gambier, Ohio, the sum of Five Thousand Dollars (\$5,000) in cash, or its equivalent in bonds and/or other securities, for the purpose of maintaining the Iota Lodge, or its successor, in Gambier, Ohio.

III. I give devise and bequeath unto the said Iota Association, for its badge cabinet, the Psi Upsilon badge which I have worn since September 28, 1895, this badge being distinguished from my other Psi Upsilon badges by its being nearly flat and having a circular clasp.

IV. I give, devise and bequeath unto the said Iota Association with the exception of one such badge which I desire to be buried with me, all other Psi Upsilon badges which I may own at the time of my death, for donation to newly elected members of the Psi Upsilon Fraternity, or for such other use as the said Iota Association may see fit to make of them.

* * *

XIII. To the Iota Association above named, I give, devise and bequeath the following articles from among my personal household effects and all for use in the Iota Lodge. The large, oriental rug not now in use, but in the sun parlor of my present residence; the complete set of carved mahogany dining room furniture and the large carved oak table, the solid silver epergne and the two odd silver drinking goblets, all now in use by me in my present residence.

* * *

XX. I give, devise and bequeath unto the Alumni Council, or its successor body, or Kenyon College, all the rest, residue and remainder of my estate, whether real, personal

or mixed property, wheresoever it may be situated, to be used by said Alumni Council, or its successor body, for the benefit of Kenyon College, under direction of and in accordance with the wishes of the Executive (or similar) Committee of said Alumni Council.

H. DALZELL WILSON, Eta '01, died on July 22, 1946, in Los Angeles, after a brief illness. He was extremely active in community and philanthropic efforts, both in his earlier home, Pittsburgh, and in Pasadena, where he had lived since 1929.

Brother Wilson was particularly interested in the Community Chest, Council of Social Agencies, Pasadena Tuberculosis Association, Pasadena Boys' Club, Olive View Sanatorium and La Vina Sanatorium, of which he was president.

He was founder and president of the Wilson-Snyder Centrifugal Pump Company, as well as the Ross Mechanical Supply Company, the Erie Ball Engine Company and the International Valve and Piping Company—all subsidiaries of the Wilson-Snyder Manufacturing Company of Pittsburgh, which was founded by his father and of which he eventually became president.

At his death Brother Wilson was a director and member of the executive committee of the Consolidated Vultee Aircraft Corporation and director of the Aviation Corporation and American Central Manufacturing Corporation.

From 1923 to 1930 he was a trustee of Lehigh University and was formerly president of the University Alumni Association. He was senior president of his class at the University, and therefore its head during all of the 45 years since 1901. He was extremely devoted to Lehigh, having been a worker in every movement for the betterment of the University since he graduated. He was a member of the committee charged with the selection of the new President just recently installed, and was known to men of practically every class of the University.

He is survived by his wife and son; his brother Frederick J. Wilson, Eta '07, and a sister.

Psi Upsilon Song Books

(New edition)

Orders should be placed with the Executive Council. Price \$2.00.

Psi Upsilon Song Records

Each set consists of six two-faced records with twelve Psi Upsilon songs. Produced under the personal direction of Reinald Werrenrath, Musical Director of the Fraternity. Songs are sung by Brothers Werrenrath, Delta '05, Carreau, Delta '04, Winston, Xi '14, and Wells, Pi '01. Orders should be placed through the Executive Council. Price \$9.00 per set.

Annals of Psi Upsilon

A limited number of copies are available. Price \$5.00.

The Diamond of Psi Upsilon

The official publication of the Psi Upsilon Fraternity. Subscriptions obtainable through the Executive Council. Life Subscription, \$15; By Subscription, \$1.00 per Volume of four issues; Single Copies, \$0.50.

The official jeweler of the Psi Upsilon Fraternity is the L. G. Balfour Company, Attleboro, Massachusetts, which is the only organization authorized to manufacture Psi Upsilon jewelry.

* Jewelry is subject to any pertinent taxes. To determine the amount of your check, add 20% to the price listed above, this being the Federal tax on jewelry, plus any local sales taxes.

All orders for the above material should be accompanied by either money order, draft, check or instructions to ship C.O.D. Please note that jewelry cannot be sent C.O.D. to service addresses. Remittances for jewelry should be made payable to the L. G. Balfour Company, for the other items listed to the Executive Council of Psi Upsilon. All orders should be sent to the Executive Council of Psi Upsilon, Room 510, 420 Lexington Avenue, New York 17, N.Y.
