THE COVER

Pictured on the cover is the Sesquicentennial commemorative plate designed by Murray L. Eskenazi, Lambda '56. The magnificent, full-color china plate functioned as the Sesquicentennial Convention memento and also will be available for purchase at the various Sesquicentennial Celebration dinners scheduled for the next several months in cities throughout the United States and Canada. Anyone who is unable to attend one of these dinners but who is interested in securing a plate may write to the Fraternity office at Two Station Square, Paoli, PA 19301. Please enclose a check or money order in the amount of \$15 (shipping and handling charges included).

been, in many ways, a celebrated triumph.

We are exulting our victories, are we not? Although the Fraternity continues to struggle into the 20th century, it has not fallen victim to the so-called "modern age." The social turmoil of the Sixties decade, the selfishly introverted "me" generation of the Seventies, and the feminist reaction have all taken their tolls on the whole fraternity system. Psi Upsilon has met these challenges forthrightly and has not only survived but has grown larger and is touching the hearts of more students today than ever before.

We do, indeed, have cause for celebration. Fortunately each Psi U brother has the opportunity to take part in and to experience at first hand the commemoration of the Fraternity's birth by participating in one of the twenty or so scheduled Sesquicentennial Celebration dinners to be held in cities across the United States and Canada in the coming months.

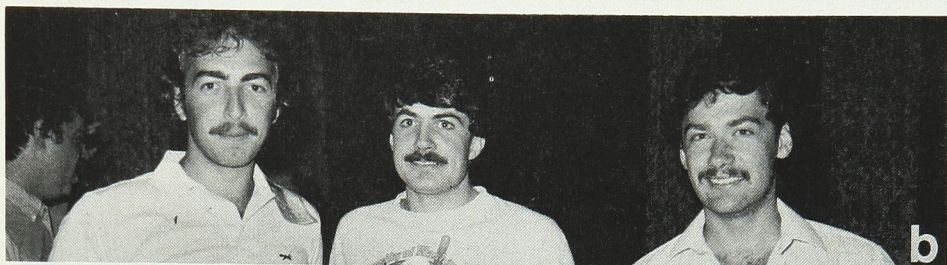

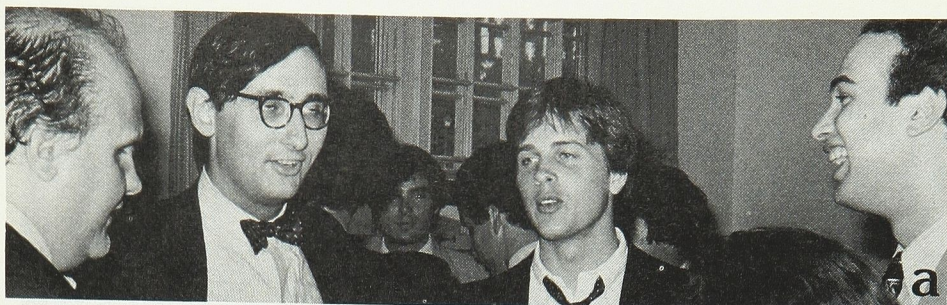

If the Convention serves as a precursor, then the Sesquicentennial Celebration festivities shall prove to be splendid. The bi-weekly planning sessions for the Convention began in early April at the Theta Chapter House. The Theta alumni and undergraduates, along with members of the Fraternity's professional staff, quickly realized that this would not be just another Convention. An appropriate quotation taken from the writings of Goethe was read by Henry B. Poor, Gamma '39, Executive Vice President:

"We are not here to play, to dream, to drift —

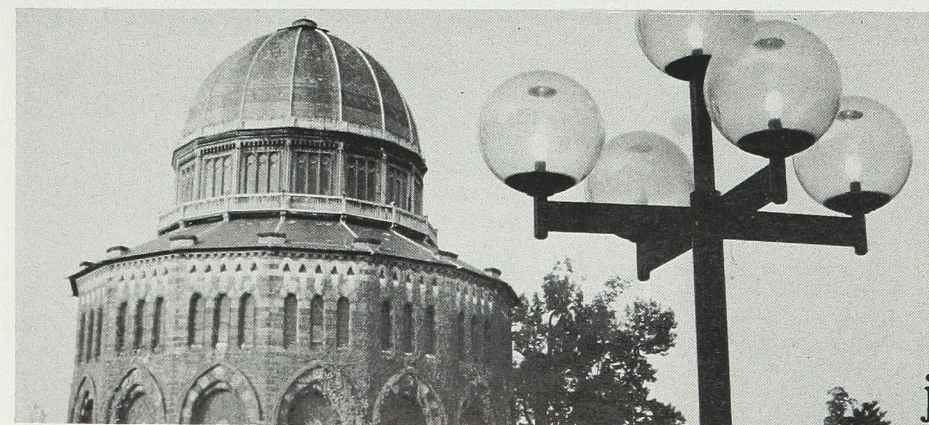

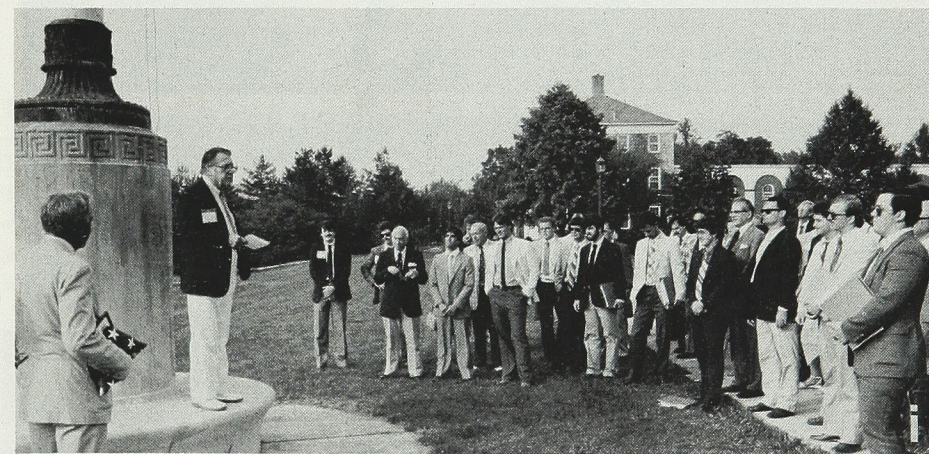

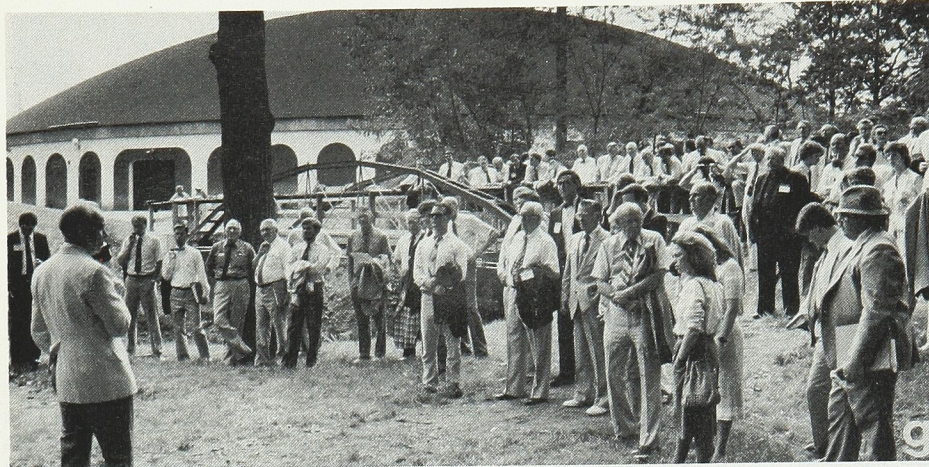

We have hard work to do and loads to lift,

Shun not the struggle — face it — 'tis God's gift."

Accomplishing the most arduous task, that of renovating the first floor of the Chapter House, was complicated to say the least, but Bob Doolittle, Theta '37,

(a) Charlie Hodge, Gamma '68; Scott Downs, Omega '78; Sean Mahoney, Omega '84; and Mark Bauer, Omega '83. (b) Rick Pottin, Zeta Zeta '85; Paul Heneghan, Theta Theta '83, and Duane Tilden, Zeta Zeta '84. (c) Harrison Bridge, Beta Beta '61; George Reilly, Theta '77; Tom Welles, Theta '79; and Bill Taylor, Theta '52. (d) Bill Ham, Theta '32; Bill Hawkes, Theta '38; and Don Hawkes, Theta '35. (e) Ted Reynolds, Delta '31; Gardner Callanen, Psi '29; Stan Davies, Lambda '53; Dick Penn, Iota '43; and Jay Houck, Iota '84. and Bill Ham, Theta '32, Convention Co-Chairmen, as well as Tom Welles, Theta '79, Alumni President, and George Reilly, Theta '77, Alumni Treasurer, rose to the challenge. Their perseverance and determination were remarkable, as they were faced with unfulfilled contracting agreements until one week prior to the en masse gathering. Under the direction of Bryan McGuirk, Theta '85, Undergraduate Convention Co-Chairman, an able and persistent group of brothers devoted their summer break to attending to physical and cosmetic improvements in preparation for their guests. The floors were sanded and coated with polyurethane; walls, halls, and windows were painted and restored; new furniture was purchased and tastefully placed; a comprehensive fire detection system was installed; and a generous and thorough measure of both exterior and interior "cleaning up" was also accomplished.

Undergraduate and alumni delegates began arriving in Schenectady Wednesday afternoon, and they were greeted at the registration table by the dynamic duo — Kathy McGlone, Lambda '82H, Administrative Director, and Helena McGuinness, Financial Secretary. Throughout the five-day conclave the Schenectady skies exhibited an unusually (one might even say seldom seen) clear blue hue. The welcomed presence of Helios, who "kept the heat on," served to symbolically remind the delegates of their responsibilities to represent their individual Chapters and, collectively, to reach some often difficult decisions on the issues facing the Fraternity.

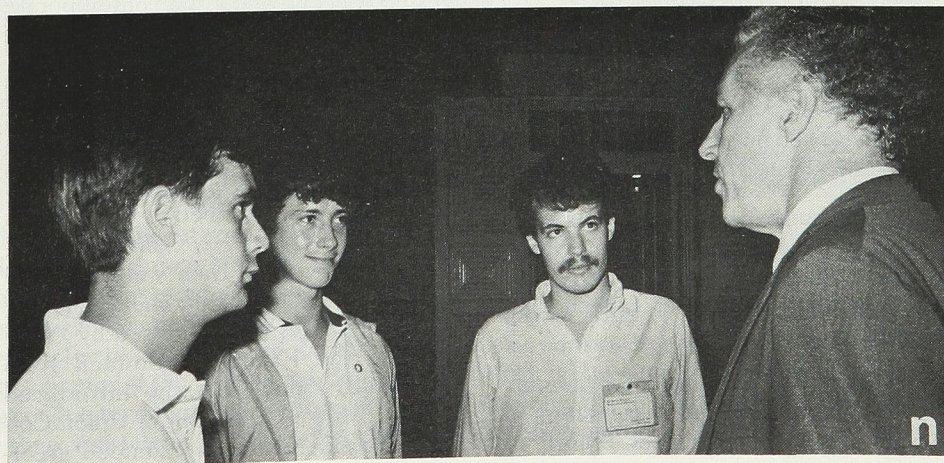

Once settled in the Richmond House Dormitory and nourished at the West College Dining Hall, the delegates convened in the Social Sciences Building for the orientation meeting, where Henry Poor succinctly briefed both rookies and veterans alike on the purpose and significance of their congregation on such an auspicious occasion. Divisional Conferences followed the meeting, at which time common concerns were addressed.

(i) Durston Dodge recounts a bit of the history of the Centennial Memorial at the flag ceremony. (j) The old and the new complement each other on Union's beautiful campus.

These meetings also provided the delegates with the opportunity to introduce themselves to one another and to become fairly familiar with Psi Upsilon Fraternity as it exists beyond the limits of their own Chapters. These sessions were moderated by the following alumni brothers, whose considerable exposure to the International Fraternity was shared with the delegates for the purpose of generating thoughtful, comprehensive, and articulate discussion: Mark Bauer, Omega '83, and Jim Bresson, Psi '83 (current Field Directors); Dick Dadey, Pi '80 (former Field Director); Joe DiNunno, Gamma Tau '80; Scott Downs, Omega '78; and J. C. White, Gamma Tau '74. The Executive Committee convened concurrently to set the agenda for the next day's Executive Council meeting.

An expanded set of Leadership Seminars and Educational Workshops, held on Thursday, Friday, and Saturday, offered the delegates a plethora of practical information, enabling them to improve their respective Chapters' operations and programming. The diverse experiences of our talented alumni served as the foundations for these sessions, led by Scott Downs, Omega '78, and Bill King, Omicron '73 (Alumni Relations); Dick Dadey, Pi '80 (Chapter Retreat Planning); Jim Bresson, Psi '83, and Bob Corell, Epsilon Iota '82 (Constructive Pledge Education); Mark Bauer, Omega '83, and Tim Reed, Psi '80 (Membership Recruitment); Andy Kerstein, Delta '76 (Chapter Financial Management); Dick Dadey, Pi '80 (again!), and Jim Heerin, Tau '58 (Chapter Leadership); Murray Eskenazi, Lambda '56, and John Menzies, Pi '41 (Ritual Enhancement); and Kathy McGlone, Lambda '82H, and Henry Poor, Gamma '39 (International Office Support).

Marlette, Zeta '84; Bernie Armstrong, Pi '84; John Nealon, Epsilon Omega '84; and Jay Houck, Iota '84, responded diligently to the need for fresh, articulated ideas, which were presented in the form of recommendations and resolutions before the general business meetings. Some of the most important legislation passed by the 140th Convention included the following:

(1) Adoption of the report of the Task Force on Hazing (which was chaired by Bill Robie, Epsilon Omega '66, and Sean Mahoney, Omega '84), which calls for the implementation of a three-tiered program designed to eliminate hazing. The program includes a comprehensive educational process, a Constitutional change which defines hazing in more specific terms and enumerates the elements of a constructive pledge education program, and a mechanism for handling hazing infractions.

(2) Establishment of an Undergraduate Advisory Board for the purpose of providing increased undergraduate participation in Fraternity governance.

(3) Increasing for the year 1983-84 the Chapter tax for continuing active members from \$40 to \$50 per person per year and the one-time membership fee for new initiates from \$70 to \$75 per person.

(4) Adoption of a balanced operating budget for the year 1983-84, providing for total receipts of \$239,000 and total expenses of \$239,000.

(5) Recommendation that the Fraternity's expansion efforts be directed toward reactivating the Sigma Chapter at Brown University, the Chi Chapter at Cornell University, the Epsilon Chapter at the University of California at Berkeley, and expression of further support and encouragement to the Provisional Chapter at the College of William and Mary in its efforts toward attaining full chapter status in Psi Upsilon.

(6) Conferring of the Psi Upsilon Award for Academic Distinction upon the Zeta Chapter at Dartmouth College, with special commendation to the Phi Chapter at the University of Michigan.

(7) Acceptance of the Eta Chapter's formal bid to host the 141st Convention, on the occasion of the Eta's Centennial Anniversary, in 1984 at Lehigh University.

(8) Recommendation that, for the purpose of continuity and preservation of traditions, each Chapter record in

typewritten form and in the greatest possible detail all Chapter rituals. It was further recommended that one copy of each ritual be forwarded to the International Office for the sole purpose of placement in the permanent archives of the Fraternity.

(9) Executive Council elections as follows: Harrison P. Bridge, Beta Beta '61; Gardner A. Callanen, Psi '29; James E. Heerin, Jr., Tau '58; Andrew M. Kerstein, Delta '76; Donald S. Smith, Jr., Xi '39; and John C. White, Gamma Tau '74, re-elected for one-year terms; Donald V. Reed, Sigma '35, elected for a one-year term; James C. Bockelman, Pi '85; Howard J. Kessler, Jr., Kappa '85; Jonathan Persky, Omega '85; and Victor T. Gainor, III, Delta '83, elected as undergraduate members for one-year terms; and Brian W. Neff, Upsilon '84; Alan N. Greenspan, Gamma '84; Paul S. Heneghan, Jr., Theta Theta '83; and David W. Rudge, Chi Delta '86, elected as alternate undergraduate members for one-year terms.

In his letter of welcome, Theta Alumni President Tom Welles '79 invited all participants to "relish in that special feeling, which only we, who are tied by the bonds of brotherhood, can really understand . . . that special feeling of Psi Upsilon." Although it may seem that this Convention produced more legislation than Conventions in previous years, the opportunities for experiencing "that special feeling of Psi Upsilon" were not limited. Throughout the four-day legislative gathering, numerous social and commemorative events took place.

At the opening luncheon on Thursday, Professor C. William Huntley, retired Dean and Provost of Union College and a brother of Theta Delta Chi, addressed the delegates. He spoke on the history of the College and its special relationship with the secret societies (Union College is widely regarded as the "Mother of Fraternities"). Professor Huntley suggested ways in which the contemporary fraternity chapters might strive to make Union College a better community for young scholars. Huntley was confident that Psi Upsilon could play a major role in this process, as he holds Psi U in high regard.

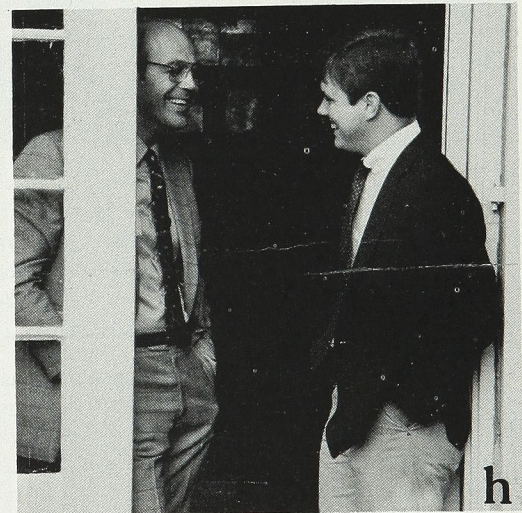

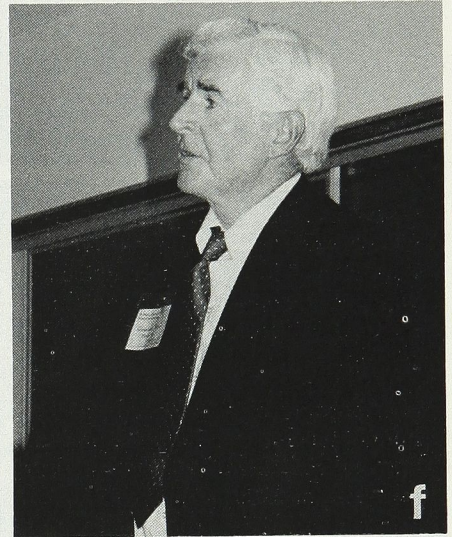

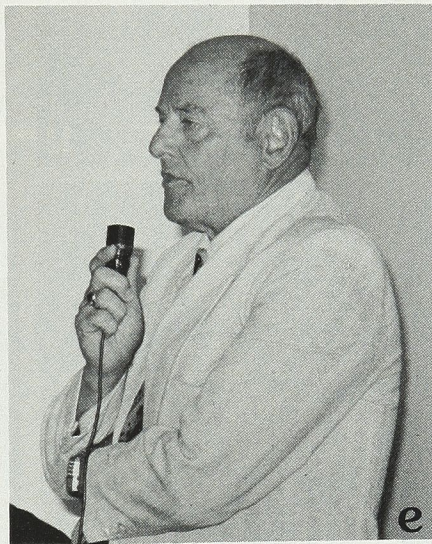

The first general meeting was opened by Bill Ham, Theta '32, Convention Co-Chairman. Brother Ham welcomed the delegates on behalf of the Theta Chapter, and his remarks were followed by President of the Executive Council Russ McShane, Delta '32, who introduced John S. Morris, President of Union College. President Morris extended greet-

ings to the Fraternity on behalf of the College. Alexander Turner, Theta '34, gave a moving address of welcome, just as he had done as the undergraduate President of the Theta Chapter at the Centennial celebration in 1933. He entrusted his message to Mike Rogers, Theta '84, current undergraduate President of the Theta, to be delivered at the Bicentennial Convention in 2033.

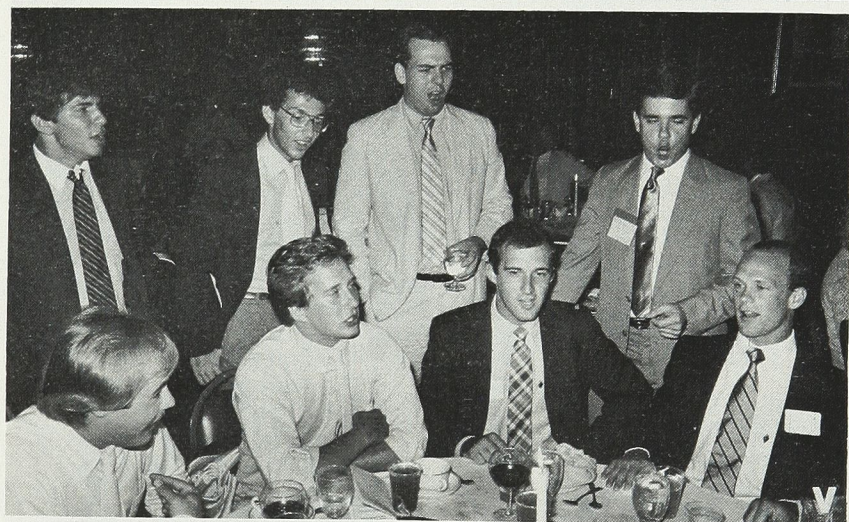

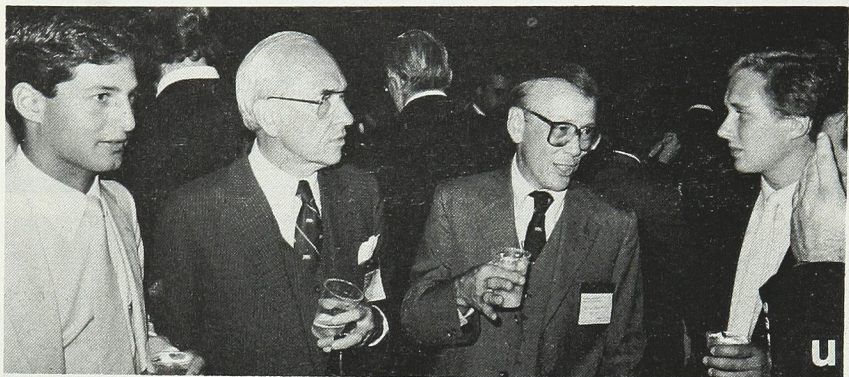

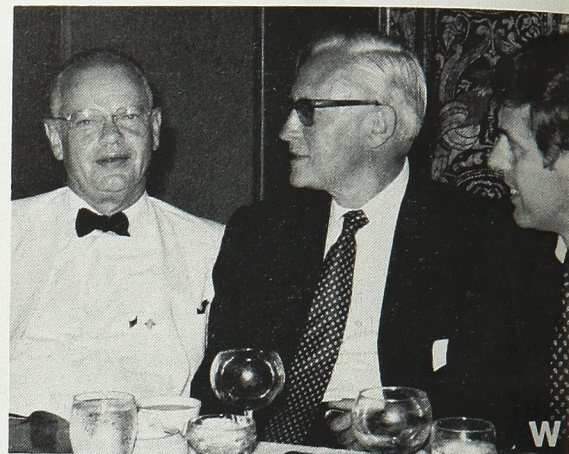

Late Thursday afternoon the Reverend Robert Field, Theta '44, officiated at a Memorial Service held in the magnificent Memorial Chapel, located just west of the Theta Chapter House. The service was dedicated to the Fraternity's seven founders and to those generations of Psi U brothers who have passed on. Bob Morey, Pi '20, delivered an emotionally moving address, in which he capsulized the spirit that the founding fathers shared. The "Shrine Song" closed the service with brothers hand-linked to one another.

On Thursday evening Dean Edward M. King of Bradley University gave a provocative presentation on "The Secret Thoughts of a Ritual." Dr. King challenged his audience to read, discuss, even debate the principles and objectives of the Psi Upsilon ritual (e.g., the pledge ceremony, the formal initiation, the formal meeting, and other Chapter rites) in an effort to more clearly understand the philosophy and ideals of the Fraternity and how they apply to life beyond the undergraduate experience. A spontaneous and lively round of Psi U songs was sung prior to Dr. King's lecture, during which the official song of the Sesquicentennial Anniversary, "Sesqui Psi U," was rehearsed. Composed by Stan Davies, Lambda '53, "Sesqui Psi U" cheerfully recounts the Fraternity's first 150 years.

Each evening the delegates gathered at the Chapter House to socialize at the open house parties. While providing a relaxing atmosphere in which one could informally exchange rush ideas, Chapter news, and Fraternity trivia, as well as form new friendships, these parties also afforded one with an opportunity to inspect an important collection of Psi Upsilon archives material. Handsomely arranged by Murray Eskenazi, Lambda '56, the various photographs and documents filled the Theta dining room. Included among this display was the original Constitution, the original minute book of the Theta Chapter, and a number of Psi U badges, two of which belonged to founding fathers Samuel Goodale and Robert Barnard. Brother Eskenazi's talents were not limited to arranging memorabilia for display. The colorful Sesquicentennial commemorative plate and

the collector's item banquet program were both crafted and skillfully designed by him. The plates and programs will be available at Sesquicentennial Celebration dinners throughout the year.

At midnight on Thursday the brothers encircled the statue of Chester A. Arthur, Theta 1848 (twenty-second President of the United States). Candles in hand, the group serenaded the full-figured monument, affectionately nicknamed "Chet," with an array of popular Psi U songs.

On Friday the delegates and guests gathered around the site of a still-being-

assembled geological timetable. This unusual, pyramid-shaped accumulation of geological formations was presented to Union College as a gift from the Fraternity by Convention Co-Chairmen Bob Doolittle and Bill Ham, with appropriate remarks being delivered by Jeff DeMarco, Theta '83, and Mike Rogers, Theta '84. Geology Professor Gilbert Harlowe explained the timetable's significance and expressed Union's sincere appreciation. The pyramid will rest adjacent to the Whipple Memorial Bridge on the northeast edge of the campus.

Afterwards the Convention participants assembled on the side lawn of the Theta for the annual Convention photograph prior to boarding the buses which were destined for Lake George. The three-hour cruise on one of New York State's most beautiful lakes was highlighted by a fabulous buffet dinner. The leisurely (but no less festive) cruise was a well-deserved break for the delegates, and it served to further stimulate the newly established bonds of friendship.

The Zeta Chapter paid tribute to Bob Kaiser, Zeta '39, at Saturday's luncheon.

Brother Kaiser, Executive Council Vice President, has long served his Chapter as Alumni Advisor. Former Field Director Mike Huffman, Zeta '77, and Pete Renner, Zeta '78, presented a bronze diamond plaque mounted on a diamond-shaped wooden backing to Brother Kaiser. Undergraduate President John Marlette, Zeta '84, and Social Chairman Jim Whitney, Zeta '84, each spoke appreciatively and with high regard for Brother Kaiser on behalf of the undergraduate Chapter.

Immediately following the final general business meeting the delegates and guests proceeded to the site of the Psi Upsilon Centennial Memorial flagpole on the main quadrangle. The Honorable Samuel S. Stratton, Upsilon '37, and Roland B. Winsor, Epsilon Phi '27, presented to the College, on behalf of the Fraternity, American and Canadian flags. Durston Dodge, Theta '44, Executive Council Treasurer, introduced each brother and expressed Psi Upsilon's regards and best wishes to Robert Rasmussen, Vice President of Union College, who graciously received the flags.

The Directors of The Psi Upsilon Foundation, Inc. met briefly at the Albany Hilton Hotel prior to a cocktail party which served as a fitting prelude to yet another Convention highlight, the Sesquicentennial Anniversary banquet. During the cocktail hour each Convention participant was asked to sign the original Theta Chapter minute book, which also contains the signatures of those who attended the Centennial Anniversary in November, 1933.

The banquet was the closing dinner for those who had come to Schenectady to roll up their sleeves and set themselves to work. Those at the head table, dressed in formal attire, overlooked the gathering of 250 on a raised dais. Master of Ceremonies Richard Roberts, Theta '50, rose to the occasion. The invocation was given by the Reverend Robert Field following a heartfelt rendition of the "Psi U Doxology," and toasts to the President of the United States and to the Queen of the British Commonwealth were offered by Rear Admiral Albert Stevenson, Theta '36, and Roland Winsor, Epsilon Phi '27, respectively.

Many letters of greeting from national, state, and industrial dignitaries were read by Brother Roberts. President Ronald Reagan, a brother of Tau Kappa Epsilon, wrote, "Your distinguished alumni are, in a sense, your gift to a wider world and testimony to the value of fraternal life."

Frank J. Duci, Mayor of Schenectady, had officially proclaimed "... that, as Mayor, I am most pleased to share in the experience of your 150th Anniversary by declaring the week of August 22-28, 1983 at PSI UPSILON WEEK IN THE CITY OF SCHENECTADY." Other letters of greeting were received from Daniel P. Moynihan and Alfonse M. D'Amato, United States Senators representing New York; New York State Governor Mario M. Cuomo; Pierre E. Trudeau, Prime Minister of Canada; Keith M. Callow, Theta Theta '49, Judge in the Court of Appeals, State of Washington; Colin G. Campbell, Xi '57, Wesleyan University President; Robert B. Evans, Phi '30, Chairman of the Board of Evans Industries; Robert A. McDowell, Pi '40, President of The Psi Upsilon Foundation, Inc. and a senior partner in the law firm of Sullivan & Cromwell; The Honorable Robert McClory, Zeta '30; Robert W. Purcell, Xi '32, Business Consultant for the Rockefeller Family Associates; and from Charles B. Wilkinson, Mu '37, former head coach of the St. Louis Cardinals.

In his letter to the Convention William G. Callow, Rho '43, Justice of the Supreme Court in the State of Wisconsin, wrote, "My life has been immeasurably enriched by my association with the men of Psi U." Former President of the Executive Council Robert W. Parsons, Xi '22, expressed his sentiments in this way:

"Never was the challenge greater than it is today — the whole world beckons us on to greater accomplishments and service. . . . Let us press forward the development of our great and beloved Psi Upsilon into an ever stronger institution of inspiration and helpfulness, and by so doing fulfill the obligation we owe to our undergraduates and to the institutions of which our Chapters form a part. Let us always be on the search for an ever more fulfilling education by encouraging our fellow members to grasp the opportunities to move into an ever greater area of responsibility."

Although it seems Psi Upsilon had received her share of tribute, representatives from the other fraternities founded at Union College would toast to her achievements as well. Robert J. Bourdus, Kappa Alpha Society; Peter K. Smith, Sigma Phi Society; Charles B. Cameron, Delta Phi; Brian Shea, Chi Psi; and two members of Theta Delta Chi, R. Edward Ferguson and Steven C. Wing, each offered their best wishes and sincere

congratulations to the brothers of Psi Upsilon on this momentous occasion.

As is customary, the undergraduate and alumni brothers of the Theta Chapter were represented by Mike Rogers and Tom Welles, undergraduate and alumni presidents, respectively. Their eloquent remarks, prefaced by words of thanks to their committee and the Fraternity staff, were received with thunderous applause. The Honorable Samuel Stratton delivered the featured address, and the banquet ended with the hands-linked singing of the "Shrine Song."

Special thanks must go to a remarkably enthusiastic and diligent Theta Convention Committee: Bob Doolittle '37 and Bill Ham '32, Co-Chairmen; Jack Cassidy '53, Publicity; Jeff DeMarco '83, Commemorative Gift; Durston Dodge '44, Alumni Contact; Murray Eskenazi, Lambda '56, Memorabilia; Don Hawkes '35, Greetings; Tony Piotrowski '83, Finances; George Reilly '77, Alumni Treasurer; Bill Taylor '52, Treasurer; and Tom Welles '79, Alumni President.

The undergraduate members of the Committee deserve special commendation for their unfailing assistance in working behind the scenes — serving as bartenders, guides, laborers, running errands, setting up for parties, cleaning up after parties, etc. They are: Tom McCloskey '84 and Bryan McGuirk '84, Undergraduate Co-Chairmen; Dave Belinski '84, House Manager; Steve Killeen '84, Special Events; Jamie Knight '85, Finances; Jim Maguire '85, House Management; Ben Maynard '84, Special Events; Mike Rogers '84, Undergraduate President; and Sean Wills '85, Housing.

The Sesquicentennial Anniversary Convention would not have been a success without the cooperation of Union College and its service staffs. Thanks must also go to Don Piper, Pi '57, who took all the Convention photographs and spent hours developing and laying out their design for this issue of *The Diamond*.

As one might expect, each participant arose Sunday morning emotionally and physically exhausted. They legislated, celebrated, and experienced an occasion which only happens once every fifty years. Each brother departed weary and happy. The smiles, laughs, and new bonds of friendship attested to the value of their shared experiences. Perhaps the forthcoming dinner celebrations will kindle for others that "special feeling of Psi Upsilon." Won't you join us?

1982-83 Annual Giving Breaks All Records

Each year the alumni of Psi Upsilon are asked to dig a little deeper to help meet the always escalating cost of providing comprehensive service to all our members, and especially to our undergraduate Chapters. And each year the alumni of Psi Upsilon, some of the most loyal and supportive in the fraternity world, rise to the challenge.

But the 1982-83 Annual Giving results exceeded all expectations! 2,288 alumni contributed \$102,020.50, for an average gift of \$44.59. This represents an increase of 351 donors and \$19,004 over the previous year's totals — a remarkable accomplishment. Of special

note also is the dramatic increase in leadership contributors (donors of \$50 or more) — from 578 in 1981-82 to 716 in 1982-83.

The Executive Council is deeply and profoundly grateful for each and every gift. The following statistics and lists, which represent gifts received from July 1, 1982 through June 30, 1983, serve to honor the loyal members of Psi U who, by their generosity, have enabled the Fraternity to continue on its distinguished course in this, its Sesquicentennial year.
